Command the Month @ the Midnight Gate Anthony O. Akerele,2014-01-03 Every month is peculiar and unique So is the gate of every month a midnight gate by western calendar system The name of the month numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare My times are in your hands O Lord Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin This is not without consequence when it comes to the battle for the control of time Some spiritual powers are struggling to be in control of your time They pretend they have the time dedicated to themselves and can only release it for the use of man in exchange for worship Command the Month The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary has arrogated to himself Shall we war

The Future Shape of Christian Proclamation Cleophus J. LaRue,Luiz C. Nascimento,2020-08-03 Christianity is turning brown and moving south The Christianity the West has known is in recession and has all but dwindled out of recognition in the opening years of the twenty first century Well over half of the world s Christians now live in the Global South Africa Asia and Latin America They are according to Aberdeen missiologist Andrew Walls the new Representative Christians What they think about

Christianity will matter more and more and what North America thinks about Christianity will matter less and less This massive shift in geography and theological point of departure will have a major impact on Christian preaching now and into the future The Future Shape of Christian Proclamation seeks to begin the conversation about how preaching in the Global South will inform the whole of Christian preaching in the coming years Powerful Devices Abimbola Adunni Adelakun,2022-10-14 Powerful Devices studies spiritual warfare performances as an apparatus for disestablishing structures of power and knowledge and establishing righteousness in their stead Drawing on performance studies emphasis on radicality and breaking of social norms as devices of social transformation the book demonstrates how Christian groups with dominant cultural power but who perceive themselves as embattled wield the ideas of performance activism Combining religious studies with ethnography Powerful Devices explores Nigerian Pentecostals and US Evangelicals praxis of transnational spiritual warfare By closely studying spiritual warfare prayers as a device Powerful Devices shows how the rituals of prayer enable an apprehension of time paradigms of self enhancement and the subversion of politics and authority A critical intervention Powerful Devices explores charismatic Christianity s relationship to science and secular authority technology and temporality neoliberalism and reactionary ideology **Your Ministry and Your Ancestry** Dr. D. K. Olukoya,2015-11-23 YOUR MINISTRY AND YOUR ANCESTRY The battles of life are common to all and sundry therefore the fact that you are a minister does not erase your ancestral roots To this end many pastors ministers and church leaders are ignorant of the impact ancestral factors have on the lives of men and women of Cod A lot of ministers who have failed in the ministry could not really understand the reasons behind their failures Some are even blinded to the fact that they have battles to fight These battles are deeply entrenched in the foundations of many ministers of the gospel and if something is not done urgently many more will die miserably without fulfilling their destinies While the battles and challenges faced by those who are not ministers are ordinary the battles faced by ministers are complicated and advanced in nature This book exposes you to those battles how to tackle them and it explains what you need to do to deal with them and be permanently free from them Be blessed on this journey of discovery and recovery Command the Year and January @ the Midnight gate Anthony O. Akerele,2014-01-03 Every month is peculiar and unique So is the gate of every month a midnight gate by western calendar system The name of the month numerical position and ordinal character in the calendar system are very important in advanced spiritual warfare My times are in your hands O Lord Employ these qualities and characteristics to speak by apostolic decrees to every month and the month shall yield you your portion Every month of the western world calendar has spiritual characteristics pointing to a definitely idolatrous background and origin This is not without consequence when it comes to the battle for the control of time Some spiritual powers are struggling to be in control of your time They pretend they have the time dedicated to themselves and can only release it for the use of man in exchange for worship Command the Month The Midnight Gate gives you the spiritual tools to take back the control and administration of time that the adversary

has arrogated to himself The Gate of January is the gate of a new year A dual gate dedicated to the god Janus the double faced god looking backward and also forward The power of evil dedication of the month is real Shall we war **Technical Prayers To Disgrace Local Goliaths** Dr. D. triennial conference later that year the ice that held God's frozen people together for so long began to thaw For the 38 provinces of World Anglicanism it's been a sloppy and loud reversal of communion since its February 10-15 1997 Second Anglican Encounter in the South at Kuala Lumpur Malaysia The prophetic theme of that meeting The Place of Scripture in the Life and Mission of the Church in the 21st Century has been challenged by theologically enlightened American British and Canadian Councils Revisionist ministers and methods then began to dictate the life and mission of these dioceses
