The Armed Forces Special Powers Act AFSPA has become one of the most controversial laws both in India and the world A
few NGOs and human rights activists have described it as draconian alleging that it gives the armed forces unrestricted
power to arrest without warrant destroy property and shoot to kill besides providing them with complete immunity The loud
and continuous clamour against the Act has drawn the attention of various international organizations The UN Special
Rapporteur on Extrajudicial Summary or Arbitrary Executions Christof Heyns has recently called for the repeal of the law
stating AFSPA allows the state to override rights Such a law has no role in a democracy and should be scrapped On the other
hand the armed forces hold that the AFSPA is necessary for tackling the growing menace of militancy and protecting their
men from the unnecessary harassment caused by litigation General V K Singh the former chief of army staff and now a
cabinet minister has emphasized that the AFSPA is a functional requirement of the armed forces This is the first book in India
not only to attempt a complete analysis of the various provisions of the AFSPA but also to provide an insight into the
legislative efforts of other democracies to meet the challenges of growing terrorism It delves into cases of human rights
violations in which members of the armed forces have been implicated and at the same time argues that it is equally
important to safeguard the human rights of the members of the armed forces In order to help find an amicable solution the
author makes a few recommendations for the consideration of the government and armed forces Law and Law
