Umkämpfte Kunst Marie Rosenkranz, 2024-12-29 Marie Rosenkranz Monografie ist in das expandierende Feld sozial und kulturwissenschaftlicher Analysen der Kunst einzuordnen die über eine immanent kunstwissenschaftliche Untersuchung von künstlerischen Werken hinausgehen Das Kunstfeld ist in der Spätmoderne durch Phänomene geprägt welche die Grenzen zwischen der Kunst und anderen gesellschaftlichen Zusammenhängen porös werden lassen Häufig ist argumentiert worden dass Versatzstücken aus dem Kunstfeld etwa der kreativen Arbeit eine Modellfunktion für die Gesellschaft zukomme Marie Rosenkranz setzt hier auf originelle Weise anders an Sie interessiert sich in ihrer kultursoziologisch ausgerichteten Monografie für das Phänomen des Aktivismus als soziale Praxis im Kunstfeld und damit für die Frage des zeitgenössischen Verhältnisses von Kunst und Politik Rosenkranz argumentiert dass dieser Aktivismus nicht zuletzt als Reaktion auf die Kulturalisierung der Politik zu verstehen ist Indem die Politik zunehmend um kulturelle Fragen z.B. von Identität kreist kann die Kunst auch in diesem Medium antworten Doch was tun Künstlerinnen wenn sie aktivistisch tätig sind Es ist diese Frage die Rosenkranz im Kontext eines politischen Fallbeispiels verfolgt dem Brexit Referendum **The Routledge Companion**

to Art and Politics Randy Martin, 2015-02-11 The Routledge Companion to Art and Politics offers a thorough examination of the complex relationship between art and politics and the many forms and approaches the engagement between them can take The contributors a diverse assembly of artists activists scholars from around the world discuss and demonstrate ways of making art and politics legible and salient in the world As such the 32 chapters in this volume reflect on performing and visual arts music film and new media as well as covering social practice community based work conceptual interventionist and movement affiliated forms The Companion is divided into four distinct parts Conceptual Cartographies Institutional Materialities Modalities of Practice Making Publics Randy Martin has assembled a collection that ensures that readers will

come away with a wider view of what can count as art and politics where they might find it and how it moves in the world The diversity of perspectives is at once challenging and fortifying to those who might dismiss political art on the one hand as not making sufficient difference and on the other to those embracing it but seeking a means to elaborate the significance that it can make in the world The Routledge Companion to Art and Politics brings together a range of issues and approaches and encourages critical and creative thinking about how art is produced perceived and received **Art, Power, and Politics**

Michael A. Genovese, 2023-10-02 Stories matter They help us digest information make sense of our world learn valuable lessons understand ourselves store information find meaning and remember Our stories can define us tell us who we are and who we might yet become Researchers tell us that stories are one of the most elemental ways we process information We understand the world through stories Stories are accessible to our brains we can more easily process narratives They make sense to us This book takes political storytelling seriously Research on the brain indicates that humans learn from and profit from narratives They help us make sense of a complex world teach us important lessons socialize us into society are agents of education information and entertainment How best to receive and process new information As stories are important to us so too are political narrative as a key to our identities So many of our political views and subsequent behavior have roots in the myths and stories of America This book examines stories of our lives as presented in paintings music and films When the legend becomes fact print the legend **Art and Politics under Modern Dictatorships** Caterina Preda, 2017-07-19 This book analyzes the relationship between art and politics in two contrasting modern dictatorships Through a detailed look at the Chilean and Romanian dictatorships it compares the different ways in which political regimes convey their view of the world through artistic means It examines how artists help convey a new understanding of politics and political action during repressive regimes that are inspired by either communism or anti communism neoliberalism traditionalist conservative This book demonstrates how artistic renderings of life during dictatorships are similar in more than one respect and how art can help better grasp the similarities of these regimes It reveals how dictatorships use art to symbolically construct their power which artists can consolidate by lending their support or deconstruct through different forms of artistic resistance

Picturing a Nation David M. Lubin, Charlotte C Weber Professor of Art David M Lubin, Professor David M Lubin, 1994-01-01 Art historian David Lubin examines the work of six nineteenth century American artists to show how their paintings both embraced and resisted dominant social values Lubin argues that artists such as George Bingham and Lily Martin Spencer were aware of the underlying social conflicts of their time and that their work reflected the nation s ambivalence toward domesticity its conflicting ideas about child rearing its racial disharmony and many other issues central to the formation of modern America From publisher description **A New History of Western Art** Koenraad Jonckheere, 2022-10-15 A radical re examination of 2 500 years of European art deconstructing and demystifying its long history from ancient to present How has art evolved from the pursuit of the ideal human form to a black square on a white

canvas Why is a banana duct taped to a wall worth more on the art market than a beautiful seventeenth century landscape By taking art for what it actually is a piece of stone or wood a sheet of paper with some lines drawn on it a painted canvas this lively and accessible account shows how seemingly meaningless objects can be transformed into celebrated works of art Breaking with conventional notions of artistic genius Koenraad Jonckheere explores how stories and emotions give meaning to objects and why changing historical circumstances result in such shifting opinions over time Tracing its story from ancient times to present A New History of Western Art reframes the evolution of European art and radically reshapes our understanding of art history Published in association with Hannibal Books The Human Mosaic: Intersections of Art, Culture, and Social Insight Dr. (Mrs.) Peri Jayalakshmi, Dr. Ebrahim Ali Mondal, 2025-09-02 The Human Mosaic Intersections of Art Culture and Social Insight ISBN 978 93 92760 80 8 edited by Dr P Jayalakshmi and Dr Ebrahim Ali Mondal explores how art culture and human values shape societies This edited volume features research based essays from disciplines including history philosophy literature economics and cultural studies Chapters address themes such as cultural memory identity globalization social reform and ecological adaptation with a focus on Assam and Northeast India Through analyses of folklore autobiographies philosophical thought and socio economic landscapes the book highlights culture as dynamic negotiating between tradition and modernity Intended for scholars students and educators it serves as a resource for research coursework seminars and comparative studies Combining accessible style with rigorous content the volume fosters critical reflection on how cultural practices creative expression and social insight illuminate the human experience

Concerning Stephen Willats and the Social Function of Art Sharon Irish, 2020-12-10 This book on Stephen Willats pulls together key strands of his practice and threads them through histories of British cybernetics experimental art and urban design For Willats a cluster of concepts about control and feedback within living and machine systems cybernetics offered a new means to make art relevant For decades Willats has built relationships through art with people in tower blocks underground clubs middle class enclaves and warehouses on the Isle of Dogs to investigate their current conditions and future possibilities Sharon Irish's study demonstrates the power of Willats's multi media art to catalyze communication among participants and to upend ideas about audience and art Here Irish argues that it is artists like Willats who are now the instigators of social transformation **Street Art of Resistance** Sarah H. Awad, Brady Wagoner, 2018-02-08 This book explores how street art has been used as a tool of resistance to express opposition to political systems and social issues around the world Aesthetic devices such as murals tags posters street performances and caricatures are discussed in terms of how they are employed to occupy urban spaces and present alternative visions of social reality Based on empirical research the authors use the framework of creative psychology to explore the aesthetic dimensions of resistance that can be found in graffiti art music poetry and other creative cultural forms Chapters include case studies from countries including Brazil Canada Chile Denmark Egypt Ireland Mexico and Spain to shed new light on the social cultural and political dynamics

of street art not only locally but globally This innovative collection will be of particular interest to scholars of social and political psychology urban studies and the wider sociologies and is essential reading for all those interested in the role of art in social change

The Umbrella Movement Ngok Ma, Edmund W. Cheng, 2019-05-23 This volume examines the most spectacular struggle for democracy in post handover Hong Kong Bringing together scholars with different disciplinary focuses and comparative perspectives from mainland China Taiwan and Macau one common thread that stitches the chapters is the use of first hand data collected through on site fieldwork This study unearths how trajectories can create favourable conditions for the spontaneous civil resistance despite the absence of political opportunities and surveys the dynamics through which the protestors the regime and the wider public responses differently to the prolonged contentious space The Umbrella Movement Civil Resistance and Contentious Space in Hong Kong offers an informed analysis of the political future of Hong Kong and its relations with the authoritarian sovereignty as well as sheds light on the methodological challenges and promises in studying modern day protests

Film and Identity in Kazakhstan Rico Isaacs, 2018-02-07 Cinema and nationalism are two fundamentally modern phenomena but how have films shaped our understanding of the creation the imagining of Central Asian nations Here Rico Isaacs uses cinema as an analytical lens to explore how the Kazakh national identity has been constructed and contested Drawing on an analysis of Kazakh films from the last century and featuring new interviews with directors and critics involved in the Central Asian film industry his book traces the construction of nationalism within Kazakh cinema from the country's inception as a Soviet Republic to a modern independent nation Isaacs identifies four narratives since the collapse of the Soviet Union a warrior like ethnic narrative rooted in the 18th Century struggles against the Mongolian Oirat tribes a civic inspired narrative cemented in the Stalinist deportations of the 1930s and 40s a religious narrative founded within the mystic and philosophical religion of Tengrism and the cult of the Sky God and a socio economic narrative which roots Kazakh nationhood and identity in contemporary social divisions the lived day to day experiences of ordinary citizens and the struggles they face with authority These last two tropes demonstrate how cinema has emerged as a site of dissent against the country's authoritarian regime under President Nazarbayev Film and Identity in Kazakhstan advances our understanding of Kazakhstan and nationalism by demonstrating the multiple and inessential character of each and illustrates the important role of cinema in contesting political power in the post Soviet space

Art and Merchandise in Keith Haring's Pop Shop Amy Raffel, 2020-12-30 As one of the first academic monographs on Keith Haring this book uses the Pop Shop a previously overlooked enterprise and artist merchandising as tools to reconsider the significance and legacy of Haring's career as a whole Haring developed an alternative approach to both the marketing and the social efficacy of art he controlled the sales and distribution of his merchandise while also promulgating his belief in accessibility and community activism He proved that mass produced objects can be used strategically to form a community and create social change Furthermore looking beyond the 1980s into the 1990s and 2000s Haring and his shop

prefigured artists emerging self aware involvement with the mass media and the art world s growing dependence on marketing and commercialism The book will be of interest to scholars or students studying art history consumer culture cultural studies media studies or market studies as well as anyone with a curiosity about Haring and his work the 1980s art scene in New York the East Village street art art activism and art merchandising **Aesthetics, Disinterestedness, and Effectiveness in Political Art** Maria-Alina Asavei,2018-09-15 Should politically concerned and engaged artistic production disregard questions or and requirements of aesthetic reception and value Whether art should be aesthetic or political is not a new question Therefore in spite of those several contemporary approaches of this issue the answer is not set in stone and the debate is still going on This volume aims to broaden these debates and it stems from numerous conversations with politically engaged artists and artist collectives on issues related to the aesthetization of politics versus the politicization of art as well as the phenomenon of the so called unhealthy aestheticism in political art Thus this study has three interrelated aims Firstly it aims to offer an interdisciplinary account of the relationship between art and politics and between aesthetics and the political Secondly it attempts to explore what exactly makes artistic production a strong yet neglected field of political critique when democratic political agency history from below and identity politics are threatened Finally to illuminate the relationship between critical political theory on the one hand and the philosophy of art on the other by highlighting artworks moral political and epistemic abilities to reveal criticize problematize and intervene politically in our political reality

Artists and the Practice of Agriculture Silvia Bottinelli,2023-07-31 Artists and the Practice of Agriculture maps out examples of artistic practices that engage with the aesthetics and politics of gathering food growing edible and medicinal plants and interacting with non human collaborators In the hands of contemporary artists farming and foraging become forms of visual and material language that convey personal and political meanings This book provides a critical analysis of artistic practices that model alternative food systems It presents rich academic insights as well as 16 conversations with practicing artists The volume addresses pressing issues such as the interconnectedness of human and other than human beings the weight of industrial agriculture the legacy of colonialism and the promise of place based and embodied pedagogies Through participatory projects the artists discussed here reflect on the links between past histories present challenges and future solutions for the food sovereignty of local and networked communities The book is an easy to navigate resource for readers interested in food studies visual and material cultures contemporary art ecocriticism and the environmental humanities Contemporary Asian Artistic Expressions and Tourism Paolo Mura,Keith Kay Hin Tan,Chun Wei Choy,2020-07-09 This book explores the relationship between tourism tourists and expressions of contemporary Asian art for example artists objects intangible artistic productions digital manifestations etc in Asian and non Asian tourist spaces experiences Although the nexus between art and tourism has not been neglected in the literature work on contemporary art and tourism is lacking and this is particularly true within the context of non Western societies This volume creates a timely

counterpoint to the existing dominance of a Western centric body of knowledge in the area The book considers how encounters between tourists and expressions of Asian contemporary art may produce possibilities for challenging re evaluating or reasserting crystallized frames of understanding and as such is of value to a multi disciplinary audience
