For your reference page:

- Every source you have an in-text citation for should also be listed on the reference page.
- If there is more than one author, do not change the order in which the authors' names are listed in the source.
- Put the references in alphabetical order using the last name of the first author listed or by the organization name if the organization is the author.
- Use a hanging indent so that author's name is further left than the rest of the citation.
-  In MS Word click the line and spacing icon then choose hanging indent

For your whole document: from the Line and Paragraph spacing icon

- Set the alignment to "Left" not justified.
- Select double spacing
- Set the spacing Before and After a paragraph to 0 pt.

Research Strategies: Finding Your Way Through the Information Fog William Badke, 2021-03-02 Everyone does research. Some just do it better than others. In this chaotic world of information and misinformation referred to as information fog, university students in particular need to learn how to conduct research effectively. Good research is about a quest to discover more about a burning desire to solve society's problems and make a better world. Ultimately, research is a way forward to a resolution of life's greatest difficulties. In this seventh edition of *Research Strategies: Finding Your Way through the Information Fog*, author William Badke walks you step by step through the entire research process from choosing a topic to writing the final project and everything in between. A seasoned researcher and educator, Badke offers tried and true tips, tricks, and strategies to help you identify a problem, acquire pertinent information, and use that information to address the problem. Employing a host of examples and humor, *Research Strategies: Finding Your Way through the Information Fog* shows how research can be exciting and fun.

The Copyeditor's Handbook Amy Einsohn, Marilyn Schwartz, 2019-05-14 Unstuffy, hip, and often funny, *The Copyeditor's Handbook* has become an indispensable resource both for new editors and for experienced hands who want to refresh their skills and broaden their understanding of the craft of copyediting. This fourth edition incorporates the latest advice from language authorities, usage guides, and new editions of major style manuals, including *The Chicago Manual of Style*. It registers the tectonic shifts in twenty-first-century copyediting: preparing text for digital formats; using new technologies; addressing global audiences; complying with plain language mandates; ensuring accessibility; and serving self-publishing authors and authors writing in English as a second language. The new edition also adds an extensive annotated list of editorial tools and references and includes a bit of light entertainment for language lovers, such as a brief history of punctuation marks that didn't make the grade, the strange case of *razbliuto*, and a few Easter eggs awaiting discovery by keen-eyed readers. The fourth edition features updates on the transformation of editorial roles in today's publishing environment; new applications, processes, and protocols for on-screen editing; major changes in editorial resources, such as online dictionaries and language corpora; new grammar and usage authorities; online editorial communities; and web-based research tools. When you're ready to test your mettle, pick up *The Copyeditor's Workbook: Exercises and Tips for Honing Your Editorial Judgment*, the essential new
