Yehuda Lukacs

Arab And Jew Wounded Spirits In A Promised Land Revised Updated David K Shipler:

Arab and Jew David K. Shipler, 2014-09-09 The best and most comprehensive work there is in the English language on this subject New York Times In this monumental work extensively researched and more relevant than ever David Shipler delves into the origins of the prejudices that exist between Jews and Arabs that have been intensified by war terrorism and nationalism Focusing on the diverse cultures that exist side by side in Israel and Israeli controlled territories Shipler examines the process of indoctrination that begins in schools he discusses the far ranging effects of socioeconomic differences historical conflicts between Islam and Judaism attitudes about the Holocaust and much more And he writes of the people the Arab woman in love with a Jew the retired Israeli military officer the Palestinian guerrilla the handsome actor whose father is Arab and whose mother is Jewish For Shipler and for all who read this book their stories and hundreds of others reflect not only the reality of wounded spirits but also a glimmer of hope for eventual coexistence in the Promised Land Die Rolle der palästinensischen Minderheit im politischen Leben Israels 1976-1996 Constanze Krakau, 2005 **A Palestinian Theology of Liberation** Ateek, Naim Stifan, 2017-10-12 **The "New" Terrorism** Thomas R. Mockaitis, 2008 As shocking as the attacks of 9 11 were we have been too quick to view the post 9 11 struggle against terrorism as entirely new and unprecedented Without denying certain novel aspects of Al Qaeda and its affiliates the newness of its purpose and methods has been overemphasized Many aspects of contemporary terrorism bear a striking resemblance to past movements Others represent the culmination of trends evolving over decades Even seemingly novel characteristics of terrorist methods may be more the outcome of earlier developments than a truly new phenomenon The increased lethality of terrorist attacks is a case in point Usually attributed to lack of restraint brought on by religious extremism the emphasis on body count may owe as much to a kind of threshold phenomenon Numbed by decades of violence people do not shock as easily as they once did It now takes thousands of deaths to produce the same effect once caused by a relative handful This book examines the nature of the contemporary threat within a historical context to discern continuities and change in terrorist behavior It challenges the idea of a global war on terrorism and suggests that the United States or any threatened country would be better served by a policy aimed at reducing the risk of terrorist attack to an acceptable level at a reasonable cost The book concludes by proposing a workable strategy for achieving this reasonable level of security Untangling the Middle East Ori Z. Soltes, 2017-08-22 A lucid and engaging breakdown of the history culture and politics that define today's Middle East Untangling the Middle East is a layman's guide to the history political religious and cultural that led us to the current challenges plaguing the Middle East It covers the major interests and actors in the region and helps to spin a narrative of the evolution of violence and conflict in this age old hotbed of unrest There are no easy answers or simple explanations to be found here only a clear eyed and engaging recounting of the many factors that have brought this region to where it is today Whether he is discussing the history of the Semitic peoples or the birth of Islam in the region Soltes brings insight and much

needed context to the people places and things that make up the inheritance of today's Middle East. He possesses the historian's appreciation for detail and the teacher's knack for fashioning coherence out of complex material. This book should be a go-to resource for a solid foundation in understanding the Middle East and a bulwark against the disinformation regarding this region that is often found on cable television or in speeches on the campaign trail. The Middle East may be a mess but it need not be a mystery with the help of this indispensable guide. Mahmoud Darwish Dalya

Cohen-Mor, 2019-08-05 Mahmoud Darwish Palestine's Poet and the Other as the Beloved focuses on Palestinian national poet Mahmoud Darwish 1941-2008 whose poetry has helped to shape Palestinian identity and foster Palestinian culture through many decades of the Israeli-Palestinian conflict. Dalya Cohen-Mor explores the poet's romantic relationship with Rita, an Israeli Jewish woman whom he had met in Haifa in his early twenties and to whom he had dedicated a series of love poems and prose passages among them the iconic poem Rita and the Gun. Interwoven with biographical details and diverse documentary materials, this exploration reveals a fascinating facet in the poet's personality, his self-definition and his attitude toward the Israeli other. Comprising a close reading of Darwish's love poems coupled with many examples of novels and short stories from both Arabic and Hebrew fiction that deal with Arab Jewish love stories, this book delves into the complexity of Arab Jewish relations and shows how romance can blossom across ethno-religious lines and how politics all too often destroys it. **Lavi** John W. Golan, 2016 The Lavi fighter program, the largest weapons development effort ever undertaken by the

State of Israel, envisioned a new generation of high-performance aircraft. In a controversial strategy, Israel Aircraft Industries intended to develop and manufacture the fighters in Israel with American financial support. The sophisticated planes developed in the mid-1980s were unique in design and intended to make up the majority of the Israeli air force. Though considerable prestige and money were at stake, developmental costs increased and doubts arose as to whether the Lavi could indeed be the warplane it was meant to be. Eventually, the program became a microcosm for the ambitions, fears, and internal divisions that shaped both the U.S.-Israeli relationship and Israeli society itself. But the fighter never made it to operational service, and until now, the full breadth and significance of the Lavi story have never been examined and presented. **Lavi: The United States, Israel, and a Controversial Fighter Jet** traces the evolution of the Lavi fighter from its genesis in the 1970s to its scrapping in August 1987. John W. Golan examines the roles of Israeli military icons and political leaders such as Ezer Weizman, Ariel Sharon, Menachem Begin, and Yitzhak Rabin in the program and in relation to their counterparts in the United States. On the American side, Golan traces the evolution of government policy toward the program, detailing the complex picture of the U.S. foreign policy apparatus and of U.S.-Israeli relations in general from President Reagan's public endorsement of the program on the White House lawn to Defense Secretary Caspar Weinberger's unrelenting attempts to cancel it in succeeding years. **The Middle East**, 1989 The Middle East Today Don Peretz, 1994-04-30 In this completely updated sixth edition, Peretz offers a comprehensive introduction to the history, politics, and contemporary life of

the Middle East This is the book for those who have little or no previous academic background to the region Since its initial publication in 1963 this definitive survey has been widely acclaimed and frequently used in history and political science classes As with previous editions this volume offers a basic understanding of the forces that shape life and politics in Israel Egypt Iran Iraq Lebanon Jordan Syria Turkey Saudi Arabia and the Gulf States and is up to date through the September 1993 Israeli P L O accords *Religion, Violence, Memory, and Place* Oren Baruch Stier,J. Shawn Landres,2006 Scholars from a variety of disciplines explore the intersections of violence memory and sacred space Palestine's Christians and the Nationalist Cause Erik Freas,2024-12-23 This book provides an historical overview of Palestine s Christian communities and their role in the Palestinian nationalist movement during the late Ottoman and British mandatory periods More than being a history of Palestine s Christian Arabs the book focuses on Palestine s Christians during the formative period of Palestinian Arab national identity attentive to the broader topic of the relationship between nationalism and religion in this case between Arab identity and Islam Whereas until recently historians have tended to assume that national and religious identities are distinct and mostly mutually exclusive things more recent scholarship has addressed the fact that often there exists considerable overlap between the two though it should be noted often in ways that are not by any means inherently exclusive of those not belonging to the majority faith as is the case here The relationship is also an ever changing one hence the final chapter of the book which functions as something of an epilogue regarding the current status of Palestine s Christians vis vis their place in the nationalist cause and relationship with the broader Muslim population The book will be of interest to historians and scholars focused on the modern Middle East Palestinian history Muslim Christian inter communal relations and the relationship between nationalism and religion **The Palestine-Israel Conflict** Gregory Harms,Todd M. Ferry,2017-07-20 The Palestine Israel conflict is the most notorious and ingrained conflict in living memory Yet the way it is reported in the media is often confusing leading many to falsely assume the hostilities stretch continuously back to an ancient period The Palestine Israel Conflict provides a balanced accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context This fourth edition brings us up to date and includes recent events such as Israel s Operation Protective Edge developments between Fatah and Hamas ongoing Palestinian resistance and the entirety of the Obama years This book cuts through the layers of confused and contradictory information on the subject and will help clarify the ongoing conflict for its readers **Apple of Gold** Gary Jeffrey Jacobsohn,2017-03-14 By comparing the constitutional systems of Israel and the United States Gary Jacobsohn provides a new view of the essentials of constitutionalism itself a balanced picture that would have been impossible to achieve by focusing on any one polity Abraham Lincoln in likening the Declaration of Independence to the Biblical apple of gold and the Constitution to its picture of silver illuminated the connections in the United States between political ideas and constitutional

government Jacobsohn applies Lincoln's insight to the Israeli experience to develop a deeper understanding of the relationship between political culture and constitutionalism and the limits and possibilities for constitutional transplantation. Originally published in 1993, The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Americans Experience Russia Choi Chatterjee, Beth Holmgren, 2013. *Americans Experience Russia* analyzes how American scholars, journalists, and artists envisioned, experienced, and interpreted Russia, the Soviet Union, over the last century. While many histories of diplomatic, economic, and intellectual connections between the United States and the Soviet Union can be found, none has yet examined how Americans' encounters with Russian/Soviet society shaped their representations of a Russian/Soviet other and its relationship with an American west. The essays in this volume critically engage with postcolonial theories which posit that a self-valorizing, unmediated west dictated the colonial encounter, repressing native voices that must be recovered. Unlike western imperialists and their colonial subjects, Americans and Russians long co-existed in a tense parity regarding each other as other than European equals. Sometime cultural role models, temporary allies, and political antagonists, in examining the fiction, film, journalism, treatises, and histories Americans produced out of their Russian experience, the contributors to this volume closely analyze these texts, locate them in their sociopolitical context, and gauge how their producers' profession, politics, gender, class, and interaction with native Russian interpreters conditioned their authored responses to Russian/Soviet reality. The volume also explores the blurred boundaries between national identities and representations of self/other after the Soviet Union's fall.

Religion and Politics in Comparative Perspective Ted Gerard Jelen, Clyde Wilcox, 2002-04-01. Religion is resurgent across the globe. In many countries, religion is a powerful source of political mobilization and in some a potent social cleavage. In some, religion reinforces the state; in others, it provides the space for resistance. This book contains a series of detailed studies examining religion and politics in specific countries or regions. The cases include countries with one dominant religious tradition and others with two or more competing traditions. They include Catholicism, Protestantism, Islam, Hinduism, Shinto, and Buddhism. They include states where religion and politics are closely linked and others with at least a low wall of separation between church and state. The cases are organized by the type of religious marketplace but allow many other comparisons as well. We develop some generalizations from the cases and hope that they will be a fertile source of theorizing for others.

Israel, Jordan, and the Peace Process Yehuda Lukacs, 1997. Israel and Jordan, even though self-proclaimed enemies of one another, practiced a relationship of interdependence based on corresponding interests. In the years following the 1967 war, these two countries' fates were delicately intertwined because of many factors like mutual reliance on natural

resources especially water and parallel interests in the subordination of the Palestinian national movement These conditions of commonality led to extensive ties between the two countries and approximated a state of de facto peace that ironically made an official peace treaty almost impossible to sign A formal peace treaty would have required not only Israel s withdrawal from the West Bank but also Jordan s acknowledgment of the clandestine contacts between the two formal enemies Yehuda Lukacs gives us an account of how this relationship changed in 1988 when Jordan disengaged from the West Bank This event combined with the Palestinian uprising and the Gulf War paved the way for Israel and Jordan in 1994 to sign the Israeli Jordanian peace treaty By systematically examining the impact of functional cooperation between two official enemies Lukacs makes an important contribution to Middle East studies and international conflict resolution [Resource Guide, Update 1986 ,1987](#) [Ex-Soviets in Israel](#) L. L. Fialkova, Maria N. Yelenevskaya, 2007 A groundbreaking study of personal stories from ex Soviet immigrants in Israel bringing together scholarship in anthropology sociology linguistics semiotics and social psychology In the final years of the Soviet Union and into the 1990s Soviet Jews immigrated to Israel at an unprecedented rate bringing about profound changes in Israeli society and the way immigrants understood their own identity In this volume ex Soviets in Israel reflect on their immigration experiences allowing readers to explore this transitional cultural group directly through immigrants thoughts memories and feelings rather than physical artifacts like magazines films or books Drawing on their fieldwork as well as on analyses of the Russian language Israeli media and Internet forums Larisa Fialkova and Maria N Yelenevskaya present a collage of cultural and folk traditions from Slavic to Soviet Jewish and Muslim to demonstrate that the mythology of Soviet Jews in Israel is still in the making The authors begin by discussing their research strategies explaining the sources used as material for the study and analyzing the demographic profile of the immigrants interviewed for the project Chapters use immigrants personal recollections to both find fragments of Jewish tradition that survived despite the assimilation policy in the USSR and show how traditional folk perception of the Other affected immigrants interaction with members of their receiving society The authors also investigate how immigrants perception of time and space affected their integration consider the mythology of Fate and Lucky Coincidences as a means of fighting immigrant stress examine folk linguistics and the role of the lay person s view of languages in the life of the immigrant community and analyze the transformation of folklore genres and images of the country of origin under new conditions As the biggest immigration wave from a single country in Israel s history the ex Soviet Jews make a fascinating case study for a variety of disciplines Ex Soviets in Israel will be of interest to scholars who work in Jewish and immigration studies modern folklore anthropology and sociolinguistics **Light Force** Brother Andrew, Al Janssen, 2011-12-21 When the phenomenal success of GOD S SMUGGLER made it too dangerous for his contacts in the underground church Brother Andrew decided he could not return to Eastern Europe He quietly turned his attention the the Middle East and for the last thirty five years he has been serving the Christian Church there as well as witnessing to Jews and Muslims His impassioned

message is that there is a radical Christian approach to the stalemate of Middle East conflict Only the gospel of love has the answer and Christians are called to allow God to use them to demonstrate the example of Jesus Now available with a fantastic new look to coincide with the B format edition of Brother Andrew s bestselling SECRET BELIEVERS LIGHT FORCE brings Brother Andrew s story right up to date It is every bit as exciting as GOD S SMUGGLER as Andrew has put his life on the line time and again in God s service **General Nonfiction Award 1962 - 1993** Heinz-D. Fischer,2012-02-14 The School of Journalism at Columbia University has awarded the Pulitzer Prize since 1917 Nowadays there are prizes in 21 categories from the fields of journalism literature and music The Pulitzer Prize Archive presents the history of this award from its beginnings to the present In parts A to E the awarding of the prize in each category is documented commented and arranged chronologically Part F covers the history of the prize biographically and bibliographically Part G provides the background to the decisions

The Engaging World of E-book Books: A Detailed Guide Revealing the Advantages of Kindle Books: A Realm of Convenience and Flexibility E-book books, with their inherent portability and simplicity of access, have freed readers from the constraints of physical books.
