Are We Living In The End Times:

Are We Living in the End Times? Tim LaHaye, Jerry B. Jenkins, 2011-04-01 In the updated and expanded edition of this classic title noted scholar Dr Tim LaHaye gives reasons for believing that the Rapture and the Tribulation could occur during our generation Ours is the first generation that has the technology and opportunity to fulfill many of the prophecies of Revelation Understanding prophecy can be difficult and confusing This book takes away all of the mystery and the intimidation It is user friendly for the layperson yet remarkably complete for the scholar

Are We Living in the End Times? Dr. Robert Jeffress, 2023-12-05 End Times Prophecy Does Not Need to Be Complicated Or Confusing Therefore be on the alert for you do not know which day your Lord is coming Matthew 24 42 The words of Jesus remind Christians that even though we do not know the date when He will return we need to have our finger on the pulse of what is happening morally spiritually and politically in our world And with the increasing chaos division and war happening today it is right to ask Are we living in the end times now In this book Dr Robert Jeffress provides biblical answers to seven frequently asked questions about the future 1 What Does the Bible Mean by the End Times 2 What Role Does Israel Play in the End Times 3 What News Events Signal the End Times 4 What Are the Major Events of the End Times 5 What s the Difference between the Rapture and the Second Coming in the End Times 6 Why Has God Delayed the End Times 7 How Do I Prepare for the End Times Getting answers to these questions and understanding the phenomenal events that are going to happen before the revelation of the King of kings and Lord of lords helps believers face the future with hope and confidence

Are We Living in the End Times or Final Days? Michael Scantlebury, 2022-09-15 Whenever we hear about the end times or the last days it conjures up all kinds of images in our minds We may think of the universe blowing up with the largest flame imaginable ushering in a new heaven and a new earth We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs leaving the world to face a massive fire of destruction Upon hearing Christians mention the last days many just assume they re referring to the end of time and the end of the world But the attentive Bible student will ask The last days of what It seems obvious to me that the text is referring to the end of the Old Covenant Temple aeon age When you read the New Testament through this lenses all I can say is Wow It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you not to you We need to also understand that time of the end and the end of time are not one and the same The Bible teaches about the time of the end but nothing is taught about an end of time

Are We Living in the Last Days? Bryan Chapell, 2024-02-06 Will Jesus s return be preceded by a single world government Will every person have a government issued ID or mark Does Christ return once or twice Will believers go through a Great Tribulation Will there be a literal battle of Armageddon Does it even matter what we believe about future events Biblical prophecies about the end times have confused confounded and even divided God s people for centuries But the reason Scripture gives us hints about the future is to provide the encouragement we need to endure the present confident that God

keeps his promises In this balanced look at four major views of the end times bestselling author Bryan Chapell explains the primary ways Christians have interpreted biblical prophecy about the last days not so that we might pick a hill to die on but so that we can cling to what unites us in Christ No matter what end times view we find most compelling in God s plans we can find strength for today and hope for tomorrow **The End of the World as You Know It** Matthew L.

Halsted,2024-02-07 Thinking about the end times isn t supposed to terrify you Christians rightly turn to the Bible to make sense of our times But so often we get the wrong answers because we ask the wrong questions In *The End of the World as You Know It* Matthew L Halsted challenges common end times assumptions and points us back to Scripture Each chapter reevaluates a popular question in light of the Bible s own concerns Will Christians be raptured What is the mark of the beast When we let Scripture direct our questions we get better and more hopeful answers The Bible was written for us but not to us We must bridge the gap between Scripture s ancient context and our own Reading end times texts in their ancient context helps us understand our present and future And when we do we find that God s word brings peace not fear and confusion

End Times Fiction Gary DeMar, 2001-11-06 Tim LaHaye contends that his bestselling Left Behind series with Jerry Jenkins is the first fictional portrayal of prophetic events that are true to the literal interpretation of Bible prophecy Gary DeMar takes issue with this bold claim contending that the theological premise the series is based upon is only one interpretation of the book of Revelation DeMar examines the series in four distinct sections The Left Behind Sensation Putting Tim LaHaye's Literalism to the Test the Theology Behind Left Behind and What Does it Mean and What Does it Matter Readers will learn to develop a simple method of Bible interpretation and to assess the impact of Left Behind on the future of the church and our society

The Apocalypse Code Hank Hanegraaff, 2010-09-20 Hank Hanegraaff reveals the code to Revelation Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts The Apocalypse Code offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust The Apocalypse Code is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today's world Provocative and passionate this fascinating book is a must read for everyone who is interested in end times controversies Lee Strobel Author The Case for the Real Jesus This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the Left Behind series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School

THE APPROACHING APOCALYPSE: What You Should Know About the End Time and the Return of Christ Robert I. Adams, 2018-12-12 A profoundly decisive change in world history is on the horizon a transition from governance under fallen man to a government from God Himself Jesus Christ is going to return and reign over the world with perfect justice Prophecies in the Bible tell us that due to the rebellion of man against his Maker the time leading up to the second coming of Christ will be intense In this book you will find answers to these questions What will the last days be like What will happen when Jesus returns What is the rapture and when will it occur How can I prepare for what is coming

Jesus Revealed in the End Times Dr. Robert Jeffress, 2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God's people end up fearful about what is to come rather than hopeful about Who is to
