have to deal with. Thus some adjustments need to be done in order to keep up with those changes. Studies on language literature culture and education need to be continuously conducted and developed to revitalize those aspects in facing the dynamic changes of the digital era. In relation to this, Faculty of Language and Literature Education Universitas Pendidikan Indonesia (FPEBS UPI) hosts this year's International Conference on Language Literature and Culture (ICOLLITE) with the theme "Revitalization of Language Literature Culture and Education in the Digital Era" as a forum for experts and professionals to share their research ideas and experiences on this issue. Presenters and participants are welcome to discuss and disseminate current issues and offer solutions to the challenges of our time. Discussions on current trends in digital literacies are expected to pave way to learn from each other for betterment as one big society of humankind regardless of their social economic and cultural backgrounds.

Teacher Education and Professional Development In Industry 4.0 Ashadi, Joko Priyana, Basikin, Anita Triastuti, Nur Hidayanto Pancoro Setyo Putro, 2020-10-20. The main theme of the proceedings of the 4th International Conference on Teacher Education and Professional Development (InCoTEPD 2019) is Teacher Education and Professional Development in Industry 4.0. The papers have been carefully grouped under the subthemes of teacher education and professional development, curriculum learning materials, teaching learning process, technology and media, and assessment in Industry 4.0 education. They also cover vocational education in the era in question and one section is devoted to industrially disadvantaged societies. As these papers were presented at an internationally refereed conference dedicated to the advancement of theories and practices in education, they provide an opportunity for academics and professionals from various educational fields with cross disciplinary interests to bridge the knowledge gap and promote research esteem and the evolution of pedagogy.

Strengthening Research Capacity and Disseminating New Findings in Nursing and Public Health Hema Malini, Khatijah Abdullah, Judith McFarlane, Jeff Evans, Yanti Sari, 2018-07-17. Andalas International Nursing Conference (AINiC) is a dedicated conference aimed at researchers in nursing, public health, and other health sciences topics. The 1st AINiC 2017 was held in Padang, West Sumatra, Indonesia, from 25-27 September 2017. The conference theme was "Strengthening Research Capacity and Disseminating New Findings in Nursing and Public Health." This event was successful in bringing together experts, researchers, healthcare professionals, and students worldwide. It was an inspiring occasion for most of the participants and was a great opportunity for research development, learning, especially with regard to disseminating new findings in nursing and to stimulate networking of nursing professionals, researchers, and educators. The research topics that were presented during the conference have clearly indicated the need for literature development and guidance of clinical practice decisions. We hope this conference has provided ample opportunities for participants to gain a more in-depth understanding of knowledge and renewed perspectives. All these aspects have been acknowledged by the participants during the conference. The 1st AINiC was a rewarding event, and we look forward to your attendance and participation in the next AINiC conference that will also provide stimulating research developments, networking, and cooperation. *ICASI 2019*
