

The book cover features a photograph of a tall skyscraper under construction, likely the Burj Khalifa, with its distinctive tiered design. The building is set against a clear blue sky, and the surrounding cityscape is visible in the background. The text is overlaid on the right side of the cover.

umbrella term conceptual design but shows in a pragmatic way using 24 examples spread all over the world how leading designers use this methodology to select from the many possibilities to arrive at an ideal solution taking into account all design conditions One often reads that experience is a necessary condition for good conceptual design The pooled knowledge and experience in this bulletin already provide the reader with a good head start Commission 6 thanks the former convener of the Task Group Hugo Corres editor of this document and the current co conveners Marcello Waimberg and Ken ichi Kata as well as all active members of the Task Group for sharing their knowledge and experience and for the successful realization of this bulletin
