Dessler Human Resource Management 13th Edition

**Людмила Чикилева,Евгения
Ливская,Людмила Есина**

Dessler Human Resource Management 13th Edition:

Essentials of International Human Resource Management David C. Thomas, Mila B. Lazarova, 2013-06-28 With increasing globalization comes the need to understand human resource management HRM more broadly across countries cultures institutions and organizational types Designed to help readers explore and understand the key concepts and latest research behind the strategic management of people in organizations that operate in a global context this accessible book provides concise coverage of HRM concepts balancing comparative approaches and US and non US schools of thought Not limited to the multinational firm the book reflects the most current knowledge in the field and considers all types of organizations embedded in the global context Chapter opening vignettes short cases exemplify the chapter s core topics and show readers how chapter content can be applied Extensive references make it easy for readers to explore concepts in more depth

Human Resources Management and Ethics Ronald R. Sims, Sheri K. Bias, 2021-01-01 Human Resources Management and Ethics Responsibilities Actions Issues and Experiences explores and provides an in depth look at the responsibilities actions issues and experiences related to HRM and ethics for individual employees organizations and the broader society Like other departments in the broader organization HRM professionals will need to increasingly demonstrate how they contribute to an organization s ethical orientation and overall performance or success While the ethical challenges trends and issues impacting employees organizations and HRM professionals will continue to change over the years consider the recent ethical challenges related cybersecurity and data breaches the bottom line of organization success is the clear reality that doing the right thing or institutionalizing an ethical culture or character is just as important to various stakeholders The chapters in this book provide an updated current and future look at the relationship between HRM and ethics and across various sectors or organizations i e public private not for profit academic etc That is this book discusses the ever evolving role of HRM professionals to include discussion of how the profession continues to take on more responsibility for developing and institutionalizing an ethical culture in their organizations industries and the broader society The book also contributes to the need for ongoing dialogue discussion or insights offered by HRM experts on what HRM professionals and their organizations can do in the face of ethical expectations challenges and scandals In the end the book is intended to increase our understanding of the ethical responsibilities actions issues and experiences that arise both within HRM and in HRM s interactions with individuals and organizations

Essentials of International Human Resource Management Lazarova, Mila, Thomas, David C., Farndale, Elaine, 2021-09-09 The revised and fully updated second edition of this textbook illustrates the multi layered knowledge accumulated in the field of international human resource management developing understanding of the strategic management of people in organizations in a global context It integrates comparative approaches to human resource management extending beyond traditional coverage of the field to provide a broader overview of contemporary cultural institutional and organizational challenges

Research Anthology on Human Resource Practices

for the Modern Workforce Management Association, Information Resources, 2021-12-30 Human resource departments have been a crucial part of business practices for decades and particularly in modern times as professionals deal with multigenerational workers diversity initiatives and global health and economic crises There is a necessity for human resource departments to change as well to adapt to new societal perspectives technology and business practices It is important for human resource managers to keep up to date with all emerging human resource practices in order to support successful and productive organizations The Research Anthology on Human Resource Practices for the Modern Workforce presents a dynamic and diverse collection of global practices for human resource departments This anthology discusses the emerging practices as well as modern technologies and initiatives that affect the way human resources must be conducted Covering topics such as machine learning organizational culture and social entrepreneurship this book is an excellent resource for human resource employees managers CEOs employees business students and professors researchers and academicians
