How to Freelance on Upwork: Complete Guide: How to Build a Successful Remote Work Career on Upwork and Step-By-Step Increase Earnings. Vladyslav Bondarenko, Yevhenii Zapletin, 2019-02-10 Upwork Upwork is the most popular freelance platform A lot of people from all over the world work from home on this website It is not about easy and fast online earnings It is about professionals who work online and earn 50 per hour and more People with limited time use Upwork as a side part time job About the book Complete guide 325 pages from registration filling profile finding the first job writing a cover letter and up to building reputation increasing earnings building an agency The problem is that it s not easy to work on Upwork You should know rules guidelines have sales skills and win the competition between other freelancers to get a job You can learn everything by yourself or save time by reading several years experience of other freelancers The book is written by a freelancer who creates mobile applications for clients on Upwork and own blog and podcast about freelance from 2013 However the book contains examples for almost all professions on Upwork designers illustrators translators developers QA system administrators support managers data entry specialists virtual assistants engineers scientists lawyers sales managers writers etc The most important topics Filling in a profile Choosing a niche specialization Searching for a job Writing Cover Letter Building reputation JSS Top Rated Rules and guidelines Fees and paid features Payout methods Hourly vs fixed price This book will be interesting for next people Professionals who want to start working online from any country of the world and receive the same salary as if they worked in the USA Students office employees young parents and other people who don t have a lot of time and want to find a side part time job People who don t have any special skills for online work but want to learn something new It is possible to start freelancing from data entry jobs Freelancers who have already worked on Upwork and want to learn other experience in order to improve profile job applications increase earnings Offline company owners who want to find new clients on Upwork by building an outsource agency The book contains answers to the next questions Start How to get the first job Why does Upwork not approve a profile How can a narrow niche help earn more money How to work without special skills English How to work with bad English Google Translate Is voice communication required on Upwork Profile How to choose Title What to add to a portfolio How to pass tests How to get 100% complete profile Work process and job search How to get notifications about new jobs How to estimate time and budget for a project Why isn t it a good idea to use a template for a Cover Letter What is Cover Letter structure How to avoid disputes Reputation How to achieve 100% JSS reputation How to get Rising Talent and Top Rated badges Fixed price and hourly earnings How to protect yourself from fraud How to track time via Upwork Desktop App Why does a long term partnership help earn big money Rules How to avoid a ban What is dynamic Upwork fee Is Upwork Plus paid account required Agency How to build an agency How to withdraw money from agency account **Freelancing Foundations** Josh Burnett, 2020-10-09 What would you give to never worry about losing your job Our world is filled with uncertainty Record breaking numbers of people have filed for unemployment and millions are struggling to make ends meet Entire industries have been sidelined by unexpected

government mandates and relief programs don't begin to meet our society's needs. In this era of unpredictability, how can you ensure a stable income for you and your family? The solution is freelancing. Whether you're looking for part-time supplemental income, a total career makeover, or merely an ace in your sleeve in case all else fails, freelancing offers a solution. In this book, Josh will show you how to Identify the Skills You Already Have, Find a Profitable Freelance Niche Effectively, Market Your Talents, Build a Consistent Stream of Income, Create a Peaceful Work-Life Balance, Establish Yourself on Upwork, Freelancing Foundations will walk you through each step of how to become a freelancer on Upwork from joining the platform to establishing best practices while you work from home. In these chapters, you'll discover What software you need to get started as a freelancer, The top five Upwork myths and the truth behind them, How to build a great profile and optimize it so clients can find you, Secrets to writing a cover letter that will consistently get you noticed, interviewed, and hired, How to choose the right Upwork membership type, Avoid common mistakes many freelancers make. This easy-to-read book is written in a conversational tone. It features interactive exercises after each chapter so you can apply the lessons you've learned immediately. Freelancing Foundations is structured to be used as a reference guide, and Josh includes screenshots of what you should and shouldn't do in various areas. One of the most frequently misunderstood aspects of working as a freelancer on Upwork is how the Job Success Score (JSS) works. This is the most critical metric on Upwork, and not approaching it correctly can make the difference between a successful career and failing to launch. Josh commits an entire section to understanding the JSS, digging into How the JSS is calculated, Why you don't have one JSS (you actually have three), How contracts are weighted differently as they factor into your JSS, Avoiding common JSS pitfalls, How to overcome JSS problems when they occur, Establishing an excellent Job Success Score right away, The benefits of a good JSS, How to keep your JSS stable. After you've gotten started on Upwork, the trickiest parts can be finding the right jobs, picking good clients, and maintaining a steady work flow. A substantial portion of Freelancing Foundations is dedicated to Optimizing your job feed to discover contracts that are perfectly suited to you, Using advanced search filters to eliminate jobs you don't want, Knowing the difference between what a freelancer sees and a client's view, How each aspect of your profile affects the way clients search for you. Finally, the book concludes with a section on operating successfully as a freelancer. You'll learn how to Identify soft skills you should prioritize, Interact with even the most difficult clients, Understand the culture of freelancing, Maximize your rates and give yourself regular raises, Set workdays, establish working hours, and create a vacation time policy. Josh began freelancing as a last resort, hoping to earn a bit of side cash. A quarter million dollars later, it's obvious this last-ditch effort paid off. In Freelancing Foundations, he shows you how to do the same.
