Worldwide Financial Reporting George J. Benston, 2006-04-13 International accounting standards tend to converge as do auditing enforcement and corporate governance whereas trading of equity shares remains essentially national The book provides a thorough analysis of what information investors really need how financial accounting systems developed and their current requirements in major commercial countries and examines current issues particularly the benefits and costs a single or multiple accounting standards the bases for accounting standards and limitations to accounting disclosure in financial statements

Initial Public Offerings - An inside view Rolf J. Daxhammer, Andreas Resch, Oliver Schacht, 2017-11-13 In a corporation's financial life going public by means of an IPO is probably the single most important decision It turns a private company into a public one Our book will provide an inside view of the IPO process On the one hand it draws on the insights of an experienced investment banker who has gone through numerous IPO transactions On the other hand it relates the story of an actual IPO through the eyes of a Chief Executive Officer who has taken two of his companies public This unique double perspective is our book's defining feature We do not discuss initial public offerings in a textbook style fashion What we would like to bring out is a more comprehensive portrayal of a once in a lifetime event for most companies and their management alike

Advances in Enterprise Engineering VIII David Aveiro, José Tribolet, Duarte Gouveia, 2014-04-11 This book constitutes the proceedings of the 4th Enterprise Engineering Working Conference EEWC held in Funchal Madeira Island Portugal during May 5-8 2014 EEWC aims at addressing the challenges that modern and complex enterprises are facing in a
