Handbook of Education Policy Research 2nd Edition Lora Cohen-Vogel, **Ethics in Higher Education** Rebecca M. Taylor, Ashley Floyd Kuntz, 2022-10-18 CHOICE Outstanding Academic Title 2022 In this thought provoking volume

editors Rebecca M Taylor and Ashley Floyd Kuntz invite readers to explore the many facets of on campus ethical dilemmas and the careful nuanced decision making processes required to address them Taylor and Kuntz demonstrate how to apply collaborative multidisciplinary philosophical inquiry to deeply complex issues They present seven normative case studies focusing on a variety of campus quandaries from urgent matters such as Title IX violations and free speech in social media policy to long simmering concerns such as admissions and access and the future of historically Black colleges and universities The editors then bring together a diverse group of scholars and practitioners with a broad array of disciplinary and personal backgrounds to offer their commentary and insight on the cases Leaders in higher education are under immense pressure to respond to campus crises quickly to quell controversy and to avoid the backlash of public scrutiny in an ever shifting sociopolitical terrain Yet in tension with such pressures adequate responses to these dilemmas require leaders to make ethical contextual choices that effectively foster inclusion respect individual and institutional freedoms and promote equity Expanding the scope of inquiry the contributors challenge underlying assumptions raise points that had been omitted from the original cases and imagine alternative solutions Ethics in Higher Education appeals to readers to do the same in the interest of advancing ethical decision making on campuses
