SHARMA (CLASS-11), 2) Medieval India - SATISH CHANDRA (CLASS-11), 3) MODERN INDIA - BIPIN CHANDRA (CLASS-12) Mocktime Publication, GIST OF OLD NCERT History 1 Ancient India R S SHARMA CLASS 11 2 Medieval India SATISH CHANDRA CLASS 11 3 MODERN INDIA BIPIN CHANDRA CLASS 12 Keywords UPSC IAS Civil Services Previous Year Papers Indian Polity by Laxmikant indian Economy Ramesh Singh General Studies UPPSC Uttar pradesh MPPSC Madhya Pradesh RPSC rajasthan Bpsc Bihar Etc Objective History Economy Polity Geography *Historiography, Religion, and State in Medieval India* Satish Chandra,1996 The Present Work Starts With The Theme Of Decentring Of History And How In The Context Of Decolonization And Goes On To Assess The Impact Of Central Asian Ideas And Institutions On Indian History During The 10Th To 14Th Centuries And The Growing Concept Of Historiography In The Country The Book Also Discusses The Concept And Evolution Of Different Types Of Islamic States In India Orthodox Moderate Liberal And Secularist **Medieval India: From Sultanat to the Mughals-Delhi Sultanat (1206-1526) - Part One** Satish Chandra,2004 The present work is a broad survey of political social economic and cultural developments in India between 1206 and 1526 These three and a quarter centuries called the Delhi Sultanat is sometimes seen as a dark age of war and rapine in which little developments took place **Allahabad School of History 1915-1955** Heramb Chaturvedi,2016-01-01 Welcome to the fascinating world of Indian historiography with Allahabad School of History 1915 1955 by Heramb Chaturvedi Prepare to delve into a rich tapestry of intellectual discourse historical inquiry and cultural exploration as you explore the legacy of this influential school of thought Embark on a journey through time as Chaturvedi traces the evolution of historical scholarship in India during the formative years of the 20th century From the pioneering works of Radhakumud Mookerji to the groundbreaking research of Tara Chand the Allahabad School of History emerges as a beacon of academic excellence and intellectual innovation Uncover the themes and motifs that define the Allahabad School s approach to historiography Through meticulous analysis and insightful commentary Chaturvedi illuminates the school s emphasis on social history cultural dynamics and the interplay between tradition and modernity Explore the lives and contributions of key figures within the Allahabad School from their scholarly pursuits to their ideological convictions Through character analysis and biographical sketches Chaturvedi offers readers a deeper understanding of the individuals who shaped the course of Indian history Experience the overall tone and mood of the Allahabad School s intellectual milieu characterized by rigorous scholarship lively debate and a commitment to academic excellence Chaturvedi captures the essence of this vibrant intellectual community inviting readers to immerse themselves in its dynamic spirit Since its publication Allahabad School of History 1915 1955 has garnered praise for its meticulous research engaging narrative and insightful analysis Its exploration of the Allahabad School s legacy sheds new light on the development of Indian historiography and its enduring relevance in the contemporary world Whether you re a student of

history a scholar of Indian culture or simply curious about the intellectual currents of the 20th century this book offers a compelling journey through the annals of time So don't miss your chance to uncover the secrets of the Allahabad School of History Grab your copy today and embark on a voyage of discovery with Heramb Chaturvedi as your guide **Pratirodh: The Resistance—Spotlighting The Rajputana, Maratha and Sikh Campaign Against Aurangzeb** Lt General Dalip Singh, 2023-04-19 Cast in the backdrop of the Mughal era during the reigns of Aurangzeb and his successors Pratirodh is a saga of the relentless resistance by a few brave men against a seemingly invincible Empire to protect their honour and way of life In response to the rather partisan policies of Mughal emperors a number of personalities came forward in different parts of Hindustan to lead people in resisting the tyranny Though the geographical dispersion precluded any visible unified approach they were indirectly benefitted by each other When Aurangzeb got cowed down in Rajputana against the unified resistance of Marwar and Mewar it provided much needed succour to the great Shivaji and Guru Govind Singh to regroup and consolidate forces in their respective areas The credit for tying down the Mughals for the longest period in history goes to the Marathas this also acted as a lifeline to the Sikhs Rajputs Bundelas and Jats Rajputs and Sikhs repaid their debt to Marathas by keeping the Mughals post Aurangzeb completely embroiled in Punjab and Rajputana and indirectly paving the way for an almost unchallenged rise of the Marathas The prolonged resistance witnessed the supreme sacrifices of numerous unsung heroes of medieval history Through unmatched grit and determination they succeeded in bringing down the mighty Empire to its knees eventually leading to its demise *Writing the Mughal World* Muzaffar Alam, Sanjay Subrahmanyam, 2012 Between the mid sixteenth and early nineteenth century the Mughal Empire was an Indo Islamic dynasty that ruled as far as Bengal in the east and Kabul in the west as high as Kashmir in the north and the Kaveri basin in the south The Mughals constructed a sophisticated complex system of government that facilitated an era of profound artistic and architectural achievement They promoted the place of Persian culture in Indian society and set the groundwork for South Asia's future development In this volume two leading historians of early modern South Asia present nine major joint essays on the Mughal Empire framed by an essential introductory reflection Making creative use of materials written in Persian Indian vernacular languages and a variety of European languages their chapters accomplish the most significant innovations in Mughal historiography in decades intertwining political cultural and commercial themes while exploring diplomacy state formation history writing religious debate and political thought Muzaffar Alam and Sanjay Subrahmanyam center on confrontations between different source materials that they then reconcile enabling readers to participate in both the debate and resolution of competing claims Their introduction discusses the comparative and historiographical approach of their work and its place within the literature on Mughal rule Interdisciplinary and cutting edge this volume richly expands research on the Mughal state early modern South Asia and the comparative history of the Mughal Ottoman Safavid and other early modern empires *The Early Modern in South Asia* Meena Bhargava, Pratyay Nath, 2023-01-05 Did modernity arrive in

South Asia with British colonialism Or was South Asia already modern by then What might have that modernity looked like The Early Modern in South Asia engages with these questions It brings together ten chapters which collectively trace the contours of South Asia s early modernity between the sixteenth and eighteenth centuries They do this by examining the nature of historical change in various domains including philosophy warfare law environment politics violence religion and society The chapters argue that in all these fields there were noticeable developments during this period marking a shift from the medieval to the early modern The introductory chapter contextualizes this by analysing the politics of periodization in history writing across the world It discusses the meanings of the relatively new concept of early modernity and the implications of its use for how we understand historical change and continuity in South Asia

Socio-Cultural Life of Merchants in Mughal Gujarat Monika Sharma, 2014-12-03 Socio Cultural Life of Merchants in Mughal Gujarat by Monika Sharma focuses on the identification of the varied communities involved in commercial activities and maritime trade Baniyas Bohras Parsis Khojas Memons Ghanchis Chalebis Armenians and European during 16th 17th centuries The project embraces life style traditions festivals institutions and the professional aspects of merchants life The study explores the region of Gujarat its geographical layout urban set up trade centres cities manufacturing centres ports and trade routes The living standards viz housing system of education entertainment the status women food habits dresses ornaments and other aspects of their daily life etc are investigated in order to make a comparative study of the different cultures The study intends to know about the religion social activities festivals rituals marriages customs and mores followed The present work entails the investigation of custom rituals and mores related to society and religion of the various merchant communities One can also discern the existing social evils like sati polygamy and enforced widowhood The focal point of the study is merchants Mughal nexus too which is vital to understand the benefits accrued by the merchant communities In what manner the proximity with imperial court benefitted them and resulted in their social elevation One of the objectives of this study would be contextualize the idea of money for different merchants which is discussed in chapter six How the various communities invested their money to acquire political and social advantages The stable system of brokers sarraf and sahuks mahajan and nagarsheth which sustained the community are also focussed

Medieval India: From Sultanat to the

Mughals Part - II Satish Chandra, 2005 A Broad Survey Of Political Social Economic And Cultural Developments In India Between 1206 And 1526 With Emphasis On Economic Social And Cuoltural Aspects Attempts To Bridge The Gap Between Current Hisotrical Research And Popular Perception Of The Controversial Phase 14 Chapters And Matters *History of Education Policymaking in India, 1947-2016* R. V. Vaidyanatha Ayyar, 2017-09-12 This book comprehensively chronicles the history of the education policymaking in India from 1947 to 2016 with a focus on the developments after 1964 when the Kothari Commission was constituted The book is informed by the rare insights acquired by the author while making policy at the state national and international levels of governance Another distinguishing feature of this book lies in the attention it pays to the process and politics of policymaking and the larger setting or to use jargon the political and policy environment in which policies were made at different points of time The author brings out a crucial analysis of the Indian educational system against the backdrop of national and global political economic and educational developments Two other distinguishing features of the book are the systematic treatment of the regulation of education and the role of judiciary in the making and implementation of education policies **Islam in South Asia:** Amit Dey, 2016 Scholarly insightful and at the same time written in an exceptionally lucid style this book challenges certain stereotypes relating to Islam Sufism folk songs and inter community relations in the South Asian context By consulting Persian Urdu Bengali and English sources this book suggests that Sufism is more heterogeneous and complex than what is commonly taken to be **Money and Markets from Pre-colonial to Colonial India** Anirban Biswas, 2007 This Book Is A Study Of The Pre Colonial And Transitional Phase Of India S Monetary And Commerical History With Special Reference To Bengal And Brings Into Focus The Changes That Were Brought About By The Colonial Rule It Emphasises That There Were Considerable Elements Of Conflict In The Process Of Transition The Author Argues Is The Disappearance Of The Humble Currency Media And The Eclipse Of The Autonomy Of The Rural Economy Reasons For Which Need To Be Carefully Examined Allahu Akbar Manimugdha Sharma, 2019-10-18 That he was a medieval king who with a progressive bent of mind dared to look ahead to find that common ground for all his people to stand together That he was a medieval king who is today tempting us to look back into the past to see our future through his eyes Ever since the Bharatiya Janata Party led National Democratic Alliance government came to power in 2014 with Narendra Modi as the prime minister an organised campaign began to vilify Emperor Akbar and the Mughals While there were always voices that tried to project the Mughals as just another Islamic empire ignoring the civilisational impact they had on India even for them Akbar was a shining light in an otherwise era of darkness Those talking in terms of easy binaries always found a good Muslim in Akbar and a bad Muslim in Aurangzeb Academics and other liberals who could have countered this incorrect portrayal did not do it dismissing such claims as mere screeches by the fringe that do not deserve any attention But with the Hindu Right assuming political power the fringe today has become the mainstream And Akbar is no longer the good Muslim Why is there such hatred for Akbar once the most loved king in India What was the journey like

from being great to not so great And how is this India different from Akbar s Hindustan Has he become irrelevant in an India where growing Hindu nationalism threatens to alter the nature of the Indian state from a secular republic to a theocracy Or is Akbar even more relevant today given the backdrop of hate that we all find ourselves in Allahu Akbar seeks to find answers to these questions while providing a profile sketch of the emperor his empire and his times **Pratiyogita Darpan** ,2007-02 Pratiyogita Darpan monthly magazine is India s largest read General Knowledge and Current Affairs Magazine Pratiyogita Darpan English monthly magazine is known for quality content on General Knowledge and Current Affairs Topics ranging from national and international news issues personality development interviews of examination toppers articles write up on topics like career economy history public administration geography polity social environment scientific legal etc solved papers of various examinations Essay and debate contest Quiz and knowledge testing features are covered every month in this magazine Outlook ,2008-02-18 Ayodhya Revisited Kunal Kishore,2016-01-01 This work of monumental research is a treatise on Ayodhya with utmost authenticity and absolute accuracy Based on original sources and scientific investigation it propounds a new thesis which demolishes many popular perceptions It exonerates the intrepid warrior Babur from the charge of demolishing a temple on the birthplace of R ma and constructing the mosque which has been a source of contention and dissension for long It further shows how inscriptions in the mosque were factitious and Mir Baqi of inscriptions is a fictitious person different from Baqi Tashkindi Shegawal of the Baburnama The book produces incontrovertible evidence which indubitably proves that there existed a R ma temple on the R majanmabhumī The exact birthplace of R ma was earmarked by a rectangular Bedi measuring 18 9 in length and 15 in width and was located in the inner portion of the disputed shrine The demolition of the temple and the construction of the mosque did not take place in 1528 A D but in c 1660 A D when Fedai Khan was the Governor of Aurangzeb at Ayodhya It is a historical fact that until the British takeover of Awadh administration in 1858 both the Hindus and Muslims used to perform puja and offer Namaz respectively inside it All Mughal Emperors from Babur to Shah Jahan were magnanimous and liberal rulers and the Bair g s of Ayodhya enjoyed patronage of the first four Nawabs of Awadh However during the long rule of Aurangzeb the country was engulfed in the fire of fanaticism It has been shown in this book how an absolutely unfounded rumour in 1855 A D that the Hanumangarhi temple was constructed on the site of a mosque created cleavage between the two communities and the resultant festering wounds have not healed despite best efforts by saner elements of both the communities The book exposes many eminent historians hypocrisy and their lack of objectivity in writing history and it may be said that their presentation of contrived history on Ayodhya has caused irreparable damage to the cause of harmonizing communal relations in the country In contrast this text earnestly tries to take away the toxin from the polluted body of Indian politics For the first time a number of unexplored documents have been incorporated in this book as evidence and it may be proclaimed with pride that this book contains much more information on Ayodhya than available hitherto Justice G B Patnaik a former Chief Justice of

India after going through the manuscript has endorsed the author's thesis in his Foreword. It is hoped that the book will put a quietus to the long standing dispute.

His book *Selected Stories of Honor de Balzac* is highly regarded for its captivating storytelling and rich language.

Climate of Conquest Pratyay Nath, 2019-06-28
What can war tell us about empire? In *Climate of Conquest*, Pratyay Nath seeks to answer this question by focusing on the Mughals. He goes beyond the traditional way of studying war in terms of battles and technologies. Instead, he unravels the deep connections that the processes of war making shared with the society, culture, environment, and politics of early modern South Asia. *Climate of Conquest* closely studies the dynamics of the military campaigns that helped the Mughals conquer North India and project their power beyond it. The author argues that the diverse natural environment of South Asia deeply shaped Mughal military techniques and the course of imperial expansion. He also sheds light on the world of military logistics, labour, animals, and the organization of war, the process of the formation of imperial frontiers, and the empire's legitimization of war and conquest. What emerges is a fresh interpretation of Mughal empire building as a highly adaptive, flexible, and accommodative process.

Modern Indian History VD Mahajan, 2022-01-03
Written in an easy-to-understand language, this informative and well-written textbook provides an interpretive and comprehensive account of the history of modern India from 1707 to the present day. Organised into 44 chapters in two parts, the textbook commences with a discussion on the decline and disintegration of the Mughal Empire and walks us through the advent of Europeans and the phases of British imperialism. It also provides a detailed discussion on the important aspects of Indian National Movement, introducing contributions of prominent leaders of the Movement. It is fortified with questions at the end of each chapter to help students prepare for the examinations. Besides the students of History and Law, this textbook would also be of immense value to the aspirants of various competitive examinations, especially IAS, PCS, and NET.

Bankrolling Empire Sudev Sheth, 2023-11-15
By the 1660s, the mighty Mughal Empire controlled the Indian subcontinent and impressed the world with its strength and opulence. Yet, hardly two decades would pass before fortunes would turn. Mughal kings and governors, losing influence to rival warlords and foreign powers, how could leaders of one of the most dominant early modern polities lose their grip over empire? Sudev Sheth proposes a new point of departure, focusing on diverse local and hitherto unexplored evidence about a prominent financier.

family entrenched in bankrolling Mughal elites and their successors Analyzing how four generations of the Jhaveri family of Gujarat financed politics he offers a fresh take on the dissolution of the Mughal empire the birth of princely successor states and the nature of economic life in the days leading up to the colonial domination of India
