students with the exact format of the ECCE as well as to provide them with the opportunity to continue building their competency in each of the skill areas tested on the exam. The unique feature of this book is that each test is thematically related to one of the key topics that frequently appear on the exam, helping students to expand their knowledge of specific lexical areas as they work through each test. The tests are also aimed at motivating students with high interest in reading, listening, and writing tasks that may also be used as a basis for vocabulary building and class discussion.
