Face Value Autumn Whitefield-Madrano, 2016-06-21 A fascinating look The Boston Globe at how we think and talk about beauty in the twenty first century and the unexpected and often positive way that beauty shapes our lives For decades we ve thought of beauty as a negative influence in our lives We feel insecure in the face of retouched impossibly perfect images We worry primping and preening are a distraction and a trap But in Face Value journalist Autumn Whitefield Modrano dispels this one sided beauty myth and examines the relationship between appearance and science social media sex friendship language and advertising to show how beauty actually affects us day to day Through meticulous

research and interviews with dozens of women across all walks of life she reveals surprising findings like wearing makeup can actually relax you you can convince people you're better looking just by tweaking your personality and the ways beauty can be a powerful tool of connection among women Provocative and empowering it celebrates a relaxed brand of feminism one in which it's equally okay to feel fierce in your fake eyelashes and confident when going makeup free Face Value is an immensely valuable work one that seamlessly and impressively combines the tropes of the academic lit review and the memoir and the work of cultural criticism into an engaging and timely follow up to *The Beauty Myth* *The Atlantic*

Battleground of Desire Peter N. Stearns, 1999-04 Stearns history Carnegie Mellon University explores the history of American self control and discusses the wide social implications of self control as a characteristic prescribed by every culture in different ways He investigates issues that define American attitudes towards morality sexuality and disciplines of the body covering the Victorian legacy through current norms In comparing trends throughout our cultural history he points out that there has been no collapse of impulse control or moral demonstration between the eras only a shift in form Annotation copyrighted by Book News Inc Portland OR **Southern Cultures** Harry L. Thomas, 2009-05-26 God calls women to influence and move their husbands in positive ways Applying the concepts from his bestseller *Sacred Marriage* Gary Thomas offers a view through a man s eyes Here s the inside scoop on what men find motivating with inspiring real life stories of women who are employing this knowledge to transform their marriages *Sacred Influence* doesn t flinch from difficult marital problems But by using this faith focused approach you ll see how to help your husband become the man God intends him to be At the same time God will shape you to be the woman he designed you to be God has given godly women a wonderful power to influence and encourage their husbands What s the secret This book will provide challenges examples and hope to women who want to love their husbands well and be loved well in return Dennis Rainey President of Family Life *Living Nonviolently* Gabriel Moran, 2011-03-31 Are human beings naturally violent Is war the fate of the human race Despite the depressing record of the past the world s future depends upon avoiding war and drastically reducing violence *Living Nonviolently* Language for Resisting Violence examines carefully the language of violence and war One of the first casualties of violence is language which in turn makes resistance to violence difficult to articulate In the first four chapters Gabriel Moran proposes distinctions for the interconnected ideas of force power aggressiveness violence and war not to invent a new and logical language but to ground the meaning of these terms in our human experience That revitalization of ordinary language depends upon an inclusive language of men and women adults and children human and nonhuman animals The fifth chapter locates the potential for both encouraging violence and resisting violence in the peculiar logic of religion Jesus Sermon on the Mount is commonly invoked by people who say that nonviolence may be an admirable ideal for a few people but it is irrelevant for most people and for all nations in this chapter Moran examines the widely misunderstood sermon in detail to illustrate its potential for resisting violence For a conclusion he discusses practical means of education that are

helpful to reaching some understanding of violence and resistance to violence Living Nonviolently is written for scholars in peace studies political philosophy or religious studies and for anyone who wishes to understand the roots of violence and war
