

Devangelical

Daniel J. Treier

Devangelical:

The Westminster Handbook to Evangelical Theology Roger E. Olson, 2004-01-01 The Westminster Handbook to Evangelical Theology is a comprehensive critical survey of the main persons events controversies concepts and institutions of twentieth century evangelical theology It will introduce readers to and be a reference work for the study of evangelicalism s distinctive theological vision in its unity and diversity Roger Olson explores evangelical theology through five lenses The Story of Evangelical Theology Movements and Organizations Related to Evangelical Theology Key Figures in Evangelical Theology Traditional Doctrines in Evangelical Theology and Issues in Evangelical Theology The Westminster Handbook to Christian Theology series provides a set of resources for the study of historic and contemporary theological movements and Christian theologians These books are intended to help students and scholars find concise and accurate treatments of important theological terms

Evangelical Christianity and Democracy in Latin America Paul Freston, 2008-04-11 In Latin America evangelical Protestantism poses an increasing challenge to Catholicism s long established religious hegemony At the same time the region is among the most generally democratic outside the West despite often being labeled as underdeveloped Scholars disagree whether Latin American Protestantism as a fast growing and predominantly lower class phenomenon will encourage a political culture that is repressive and authoritarian or if it will have democratizing effects Drawing from a range of sources Evangelical Christianity and Democracy in Latin America provides case studies of five countries Brazil Peru Mexico Guatemala and Nicaragua The contributors mainly scholars based in Latin America bring first hand knowledge to their chapters The result is a groundbreaking work that explores the relationship between Latin American evangelicalism and politics its influences manifestations and prospects for the future Evangelical Christianity and Democracy in Latin America is one of four volumes in the series Evangelical Christianity and Democracy in the Global South which seeks to answer the question What happens when a revivalist religion based on scriptural orthodoxy participates in the volatile politics of the Third World At a time when the global political impact of another revivalist and scriptural religion Islam fuels vexed debate among analysts the world over these volumes offer an unusual comparative perspective on a critical issue the often combustible interaction of resurgent religion and the developing world s unstable politics

Evangelical Theories of Biblical Inspiration Kern Robert Trembath, 1987-12-03 The inspiration of the Bible is central to Christian faith yet there is no general agreement on the nature of this inspiration In this provocative book Kern Robert Trembath reviews seven major evangelical explanations of inspiration and demonstrates that all either view the Bible itself as the actual recipient of inspiration or explain biblical authority on grounds more appropriate to the doctrine of God in effect investing the Bible with characteristics that properly belong only to God Building on the work of William Abraham Trembath constructs his own theory of inspiration one that regards inspiration as a tripartite concept involving the elements of initiator means and receiver He insists that only a human being can be the recipient of inspiration and that the Bible must therefore be

understood as the means rather than the end of the process He goes on to articulate a new definition of biblical inspiration as a mediated enhancement of human experience by God through the Bible and argues that this new understanding of inspiration is most compatible with a Thomistic doctrine of God which insists that God's acts are mediated through the world rather than immediately occurring in it

The Complete Idiot's Guide to Evangelical Christianity David Cobia, D.Min., 2007-04-03 The word on spreading the word The Evangelical Christian movement is the fastest growing segment of American religion with 42% of all Christians in America identifying themselves as Evangelicals Now Evangelical Pastor David Cobia shares the genesis history and culture of this religion in America with a balanced accessible tone He also touches upon the controversies it's spawned regarding such topics as school curriculum abortion gay rights and family structure Written both for those inside the movement and those wanting to know more it gives a clear factual portrait of what this growing Christian movement is all about Balanced positive yet objective tone and presentation of information Provides a complete history of the movement details about specific services and rituals and interviews with Evangelical Christians about their beliefs and lifestyles Discusses controversial topics and how Evangelical Christians feel about them

The Scandal of the Evangelical Mind Mark A. Noll, 2022-03-15 Winner of the Christianity Today Book of the Year Award 1995 The scandal of the evangelical mind is that there is not much of an evangelical mind So begins this award winning intellectual history and critique of the evangelical movement by one of evangelicalism's most respected historians Unsparing in his indictment Mark Noll asks why the largest single group of religious Americans who enjoy increasing wealth status and political influence have contributed so little to rigorous intellectual scholarship While nourishing believers in the simple truths of the gospel why have so many evangelicals failed to sustain a serious intellectual life and abandoned the universities the arts and other realms of high culture Over twenty five years since its original publication *The Scandal of the Evangelical Mind* has turned out to be prescient and perennially relevant In a new preface Noll lays out his ongoing personal frustrations with this situation and in a new afterword he assesses the state of the scandal showing how white evangelicals embrace of Trumpism their deepening distrust of science and their frequent forays into conspiratorial thinking have coexisted with surprisingly robust scholarship from many with strong evangelical connections

Evangelical Christendom: A Monthly Chronicle of the Churches Vol. IX Various, 1868

Reports of the United German Evangelical Lutheran Congregations in North America, Especially in Pennsylvania ..., 1880

Evangelical America Timothy J. Demy, Paul R. Shockley Ph.D., 2017-09-21 An essential new reference work for students and general readers interested in the history dynamics and influence of evangelicalism in recent American history politics and culture What makes evangelical or born again Christians different from those who identify themselves more simply as Christian What percentage of Americans believe in the Rapture How are evangelicalism and Baptism similar What is the influence of evangelical religions on U S politics Readers of *Evangelical America* An Encyclopedia of Contemporary American Religious Culture will learn the answers to these questions and many

more through this single volume work's coverage of the many dimensions of and diversity within evangelicalism and through its documentation of the specific contributions evangelicals have made in American society and culture. It also illustrates the Evangelical movement's influence internationally in key issues such as human rights, environmentalism, and gender and sexuality.

Evangelical Ethics David P. Gushee, Isaac B. Sharp, 2015-08-24 Just as it is impossible to understand the American religious landscape without some familiarity with evangelicalism, one cannot grasp the shape of contemporary Christian ethics without knowing the contributions of evangelical Protestants. This newest addition to the Library of Theological Ethics series begins by examining the core dynamic with which all evangelical ethics grapples: belief in an authoritative inspired and unchanging biblical text on the one hand and engagement with a rapidly evolving and increasingly post-Christian culture on the other. It explores the different roles that scholars and popular figures have played in forming evangelicals' understandings of Christian ethics. And it draws together the contributions of both senior and emerging figures in painting a portrait of this diverse, vibrant, and challenging theological and ethical tradition. This book represents the breadth of evangelical ethical voices, demonstrating that evangelical ethics involves nuance and theological insight that far transcend any political agenda. Contributors include David P. Gushee, Carl F. H. Henry, Jennifer McBride, Stephen Charles Mott, William E. Pannell, John Perkins, Soong Chan Rah, Gabriel Salguero, Francis Schaeffer, Ron Sider, Helene Slessarev, Jamir Glen, H. Stassen, Eldin Villafañe, Allen Verhey, Jim Wallis, Nicholas Wolterstorff, and John Howard Yoder. The Library of Theological Ethics series focuses on what it means to think theologically and ethically. It presents a selection of important and otherwise unavailable texts, English language texts and translations that have fallen out of print, new translations, and collections of significant statements about problems and themes of special importance in an easily accessible form. This series enables sustained dialogue on new and classic works in the field.

Evangelical Catholicism George Weigel, 2014-04-22 The Catholic Church is on the threshold of a bold new era in its two thousand year history. As the curtain comes down on the Church defined by the 16th century Counter Reformation, the curtain is rising on the Evangelical Catholicism of the third millennium, a way of being Catholic that comes from over a century of Catholic reform, a mission centered renewal honed by the Second Vatican Council and given compelling expression by Blessed John Paul II and Pope Benedict XVI. The Gospel centered Evangelical Catholicism of the future will send all the people of the Church into mission territory every day, a territory increasingly defined in the West by spiritual boredom and aggressive secularism. Confronting both these cultural challenges and the shadows cast by recent Catholic history, Evangelical Catholicism unapologetically proclaims the Gospel of Jesus Christ as the truth of the world. It also molds disciples who witness to faith, hope, and love by the quality of their lives and the nobility of their aspirations. Thus the Catholicism of the 21st century and beyond will be a culture forming counterculture offering all men and women of good will a deeply humane alternative to the soul stifling self-absorption of postmodernity. Drawing on thirty years of experience throughout the Catholic world, from its humblest parishes to its highest

levels of authority George Weigel proposes a deepening of faith based and mission driven Catholic reform that touches every facet of Catholic life from the episcopate and the papacy to the priesthood and the consecrated life from the renewal of the lay vocation in the world to the redefinition of the Church's engagement with public life from the liturgy to the Church's intellectual life Lay Catholics and clergy alike should welcome the challenge of this unique moment in the Church's history Weigel urges Mediocrity is not an option and all Catholics no matter what their station in life are called to live the evangelical vocation into which they were baptized without compromise but with the joy courage and confidence that comes from living this side of the Resurrection

Evangelical Feminism Pamela Cochran, 2005 For most people the terms evangelical and feminism are contradictory Evangelical invokes images of conservative Christians known for their strict interpretation of the Bible as well as their support of social conservatism and traditional gender roles So how could an evangelical support feminism a movement that seeks at its most basic level to redress the inequalities injustice and discrimination that women face because of their sex Evangelical Feminism offers the first history of the evangelical feminist movement It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s how an internal split among members of the movement came about over the question of lesbianism and what these developments reveal about conservative Protestantism and religion generally in contemporary America Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values *Evangelical Christendom*, 1880 *Memorial Volume of the Sesqui-centennial Services in St. Matthew's Evangelical Lutheran Church, Hanover, Penn'a, November 19th to 26th, 1893* St. Matthew's Evangelical Lutheran Church (Hanover, York County, Pa.), 1893 *Recovering the Evangelical Sacrament*

Anthony R. Cross, 2012-12-06 The subject of baptism continues to be of considerable interest though it frequently appears within broader studies of sacraments liturgy worship and ecumenical studies and within confessional bounds credobaptist or paedobaptist yet it is rarely discussed by Evangelicals This book however is neither an apologetic for credobaptism nor paedobaptism rather Cross believes that as practiced today both forms are a departure from New Testament baptism which he maintains was an integral part of becoming a Christian and part of the proclaimed gospel He argues that the one baptism of Ephesians 4:5 is conversion baptism and that the baptism referred to in the various New Testament strata refers to this one baptism of Spirit and water The study sets out the case for this interpretation and contends that in key passages baptism is an example of synecdoche The case is then made for a sacramental interpretation of baptism from a thoroughgoing Evangelical perspective Cross concludes with reflections on the necessity of baptismal reform and the relevance of a return to conversion baptism for the contemporary church in a post Christian post Christendom mission setting Introducing Evangelical Theology Daniel J. Treier, 2019-07-16 2020 Christian Book Award Winner Bible Reference Works This textbook offers students a biblically rich creedally structured ecumenically evangelical and ethically engaged introduction to Christian

theology Daniel Treier coeditor of the popular Evangelical Dictionary of Theology discusses key Scripture passages explains Christian theology within the structure of the Nicene Creed explores the range of evangelical approaches to contested doctrines acquaints evangelicals with other views including Orthodox and Catholic and integrates theological ethics with chapters on the Ten Commandments and the Lord's Prayer The result is a meaty but manageable introduction to the convictions and arguments shaping contemporary evangelical theology Evangelical Purity Culture and Its Discontents Kathryn House, Sara Moslener, 2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture It is a critical starting point for anyone seeking to understand this movement or begin their own research The book brings together the work of the Purity Culture Research Collective an independent and unaffiliated organization of scholars mental health professionals artists and advocates dedicated to studying the origins and impact of evangelical purity culture The study of purity culture is an interdisciplinary project using a variety of theories and methods including those from psychology religious studies sociology ethics biblical theological studies queer studies feminist studies historical studies and critical race studies Chapters in this volume employ various methods of inquiry with some framing their work in traditional academic prose and others making use of self reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches This book was originally published as a special issue of Theology Sexuality Evangelical and African Pentecostal Unity Hugh Osgood, 2024-04-18 As the millennium approached the number of independent African Pentecostal churches in Britain increased rapidly Having assimilated classical Pentecostalism and the charismatic movement and having begun to find ways of working with the Caribbean Pentecostal denominations it remained to be seen how UK evangelicalism would fare with African Pentecostals This book looks at the intricacies of the relationship at a time that provided ample opportunities to weigh the benefits and challenges of integration from every possible angle **Evangelical Christendom** World's Evangelical Alliance, 1850 **Understanding Evangelical Media** Quentin J Sch Robert Herbert Woods Jr, Robert Herbert Woods, Schultze Quentin J., 2010-05-07 As long as there has been a church there has been Christian communication people of the book bearing the good news from one place to another persuading teaching and even delighting an ever broadening audience with the message of the gospel Amid ongoing advances in technology and an ever more multicultural context however the time *The Emergence of the Evangelical Egyptians* Ramy Nair Marcos, 2024-01-26 The Emergence of the Evangelical Egyptians traces the complex cultural encounter between American Presbyterian missionaries and the Egyptian Coptic Orthodox leaders over indigenous Protestant conversion in late Ottoman Egypt 1854 1878 This examination uses various Arabic English and French sources to uncover the complexities behind the narratives from that time thereby

enriching the previous approach to the history and later studies regarding Protestant conversion and the clash of American and Arab civilizations over religious freedom This fresh perspective will expand the story to include indigenous voices and cultural understandings

Immerse yourself in heartwarming tales of love and emotion with Explore Love with its touching creation, Experience Love's Journey in **Devangelical**.
