Time Briton Hadden, Henry Robinson Luce,1956     **Teaching the Struggling Reader** Barbara R. Schirmer,2010 An innovative resource for literacy teachers *Teaching the Struggling Reader* takes a novel approach to instruction the reading program is based on the needs of the struggling reader rather than the other way around Most teachers plan their reading lesson and then work in the needs of a struggling reader This book is for teachers looking for a more contemporary and inclusive way to teach reading Starting with assessment the author shows you how to group readers by ability and need rather than by risk factors Finally you will save planning time by learning how to incorporate strategies that you already

know into developing your lesson rather than changing your style to accommodate the requirements of a particular reading program
