Manuwald,2018-10-30 The influence of Cicero is everywhere to be found His rhetorical and philosophical writings have made an inescapable impact on the history of western culture impressing figures such as Augustine Jerome Petrarch Erasmus Martin Luther John Locke David Hume John Adams and Thomas Jefferson Despite his wide appeal until now no study has yet offered a comprehensive overview of Cicero as a character in stage plays in the early modern and modern periods The first book of its kind to discuss Cicero s reception on stage it includes works by Ben Jonson 1611 Catiline His Conspiracy Voltaire 1752 Rome sauv e ou Catilina Richard Cumberland 1761 The Banishment of Cicero Henry Bliss 1847 Cicero A drama and most recently Mike Poulton Imperium adapted from the novels of Robert Harris in 2017 Through a chapter by chapter account of each play in turn every oeuvre is placed in its historical and cultural context the plots are discussed in relation to the ancient sources These analyses demonstrate how the presentation and assessment of the figure of Cicero develop over time and how this character is exploited for varying political statements The wealth of material in this book is vital reading for scholars of Classics drama and literary studies as well as historians of ideas and of the early modern age **Conspirata**

Robert Harris,2010-04-03 Conspirata is a portrait of ancient politics as a blood sport raves The New York Times As he did with Imperium Robert Harris again turns Roman history into a gripping thriller as Cicero faces a new power struggle in a world filled with treachery violence and vengeance On the eve of Cicero s inauguration as consul of Rome a grisly discovery sends fear rippling through a city already racked by unrest A young slave boy has been felled by a hammer his throat slit and his organs removed apparently as a human sacrifice For Cicero the ill omens of this hideous murder only increase his dangerous situation elected leader by the people but despised by the heads of the two rival political camps Caught in a shell game that leaves him forever putting out fires only to have them ignite elsewhere Cicero plays for the future of the republic and his life There is a plot to assassinate him abetted by a rising young star of the Roman senate named Gaius Julius Caesar and it will take all the embattled consul s wit strength and force of will to stop the plot and keep Rome from becoming a dictatorship **The War for Gaul** Julius Caesar,2021-07-13 Imagine a book about an unnecessary war written by the ruthless general of an occupying army a vivid and dramatic propaganda piece that forces the reader to identify with the conquerors and that is designed like the war itself to fuel the limitless political ambitions of the author Could such a

campaign autobiography ever be a great work of literature perhaps even one of the greatest It would be easy to think not but such a book exists and it helped transform Julius Caesar from a politician on the make into the Caesar of legend This remarkable new translation of Caesar's famous but underappreciated War for Gaul captures like never before in English the gripping and powerfully concise style of the future emperor's dispatches from the front lines in what are today France Belgium Germany and Switzerland While letting Caesar tell his battle stories in his own way distinguished classicist James O'Donnell also fills in the rest of the story in a substantial introduction and notes that together explain why Gaul is the best bad man's book ever written A great book in which a genuinely bad person offers a bald faced amoral description of just how bad he has been Complete with a chronology a map of Gaul suggestions for further reading and an index this feature rich edition captures the forceful austerity of a troubling yet magnificent classic a book that as O'Donnell says gets war exactly right and morals exactly wrong Front jacket flap
