 DICTIONARY *Soul Wisdom. Volume One* Marion Webb-De Sisto, 2001-05-16 An account of how the author began
 receiving messages from the spirit world back in 1984 It tells how she went from totally disbelieving to eventually accepting
 what she was being given through automatic writing This book also includes some of the fascinating information that has
 been related within these channeled messages Such subjects as Creation the eternal soul the seeding of man on Earth the
 Earth Changes the predicted axis shift the Anti Christ and the Second Coming are examined in this narrative about angelic
 communication The author does not expect others to believe everything that her Guides have expressed Instead she offers
 their teachings as an incentive for people to pursue their own journey of spiritual awareness The Foreword to this book was
 written by the Women s Spirituality writer Diane Stein **American Angels** Peter Gardella, 2007 Explores the rich history
 of angels in America from Spanish colonialism and Puritan culture to modern incarnations found on TV in movies in comic
 books and on bumper stickers Finds that Americans have constructed the useful angel as a servant of man rather than an
 agent of God *The Poetry of Francisco Brines* Judith Nantell, 1994 Brines s seven poetry collections offer a sustained
 inquiry into three fundamental philosophical themes knowledge the present moment and non being These themes however
 are presented as conflictual differences The numerous poetic voices heard throughout his poetry continually wrestle with
 knowledge perpetually oscillating with ignorance the present moment unceasingly becoming past and human existence
 endlessly displaying its own finitude In this study the critical interpretation of these themes leads to the critical exploration
 of language the signifying process of language and the warring forces of signification The sign is thus viewed as a structure
 of difference and as such it endlessly displays the duplicitous nature of language engaged in a semantic struggle with itself
