Did I Mention I Love You? (The DIMILY Series) Estelle Maskame, 2015-04-30 Did I Mention I Love You is the first book in the phenomenal DIMILY trilogy following the lives of Eden Munro and Tyler Bruce as they try to find their way in an increasingly confusing world. Eden's parents are divorced and have gone their separate ways, and now her father has a brand new family. For Eden, this means she's about to meet three new step brothers. The eldest of the three is Tyler Bruce, a troubled teenager with a short temper and a huge ego. Eden's complete polar opposite. Eden quickly finds herself thrust into a world full of new experiences as Tyler's group of friends take her under their wing. But one thing she can't understand is Tyler, and the more she tries to figure him out, the more she finds herself falling for the one person she shouldn't: her stepbrother. How can Eden keep her feelings under control? And can she ever work out the truth about Tyler?

Before I Loved Her, I Healed Myself Stephen E. Hooks, 2011-12-22 Raised by a single mother and a product of the Rion Lane housing project in Cincinnati, Ohio, author Stephen E. Hooks narrates both his memories and his discoveries as he struggled throughout the course of his life to establish his identity as an African American man. Before I Loved Her, I Healed Myself reveals Hook's challenging childhood growing up without a strong male role model, the compelling influence of the women in his life including his mother and grandmother, his foray into drug trafficking, and his playboy lifestyle. It exposes the deepest wounds he acquired on his life's journey and examines his quest to find the meaning of manhood. This memoir presents one man's chronicle of self-discovery in the process of finding love and purpose in life; its story about pain, healing, restoration, and redemption. Via Hook's emotional story, Before I Loved Her, I Healed Myself shows that transformation and personal growth are possible.

But culture shock becomes the least of Chick's worries when his cousin, a young aspiring actress, dies under suspicious circumstances. Shortly after taking a few heroic pages from his own script, Chick is forced to investigate before someone else meets his maker. As Chick's misadventures take him from Hollywood to Texas and back again, Aaron Latham treats us to a bravura piece in which art imitates life imitating art.
