lasting calm **Holy Spirit: God of Order** Scott Aniol, Charismatic theology of the Holy Spirit has infected most of evangelicalism in ways we don't often recognize. One of the primary reasons for this is a neglect in clear teaching about who the Holy Spirit is and what we should expect his normal work to be according to the Word of God. The remedy to this problem then is to clearly articulate what the Bible tells us will be the Holy Spirit's normal work. This book is not a book on the doctrine of the Holy Spirit generally but rather a focused consideration of the Holy Spirit's work in history. Scott Aniol progresses through each major category of the Holy Spirit's activities in Scripture, assessing their role and helping you to discern that we should expect the Spirit to normally work today in ways that bring order and completion to the plan and people of God. Scott Aniol PhD is Executive Vice President and Editor in chief of G3 Ministries and Professor of Pastoral Theology at Grace Bible Theological Seminary. He also serves as an elder of Pray's Mill Baptist Church in Douglasville, GA.

Getting to Know God's Voice Patty Mason, 2023-01-02 Why can't I hear God's voice? Do you feel you are missing out on hearing God, wondering why He speaks to others but doesn't seem to talk to you? Do you have trouble recognizing God's voice above all the noise? Then Getting to Know God's Voice is the book for you. Patty Mason longed to hear God speak to her. Hidden beneath her dutiful Christian walk, a hunger to generate honest communication with God developed. Secretly, she desired to go beyond the traditional views of discipleship and experience the God of the Bible, but where did she begin? Then she made a wonderful discovery that caused her to go beyond daily religious duty to having daily conversations with God. There are modern-day believers who hear from God, and Patty wants you to be one of them. In this simple, straightforward Bible study, you'll discover the joy of talking with God and hearing Him speak to you, not just in your prayer closet but all the time. Each session features a quote from those who knew God's voice, brief teaching, invitation to dig deeper with key Scriptures, Bible verses to meditate upon, guided prayers to read or pray aloud, segments to inspire open communication with God, benefits, learn the art of listening to God and discerning His voice, remove the obstacles that keep you from hearing God's voice, position yourself to clearly hear the deep things of God's heart, grow in intimacy with God by building your connection with God, understand the purpose of His voice and how to respond when He speaks. Bonus included: When God Seems Silent. If you are having a hard time hearing God, it's possible He is speaking and you're missing what He is saying. Therefore, in the hope of debunking myths and removing any roadblocks, in this section, we will consider seven of the most common reasons why people think God seems silent. Twenty-five years ago, Patty Mason came to hear me speak at her church in Dayton, Ohio. That day, she heard a still, small voice calling her to become a Christian communicator someday. Since then, Patty has devoted herself to the study and teaching of God's Word. She founded Liberty in Christ Ministries and has appeared on numerous radio and television programs. She has also cultivated a growing awareness of the beauty of His presence in her own faith journey. Fast forward twenty-five years, and today I'm honored to speak on her behalf and commend to you her no-nonsense approach to simple, straightforward Bible studies. Everyone has a story to tell. And many Christian books today are just that.
