Crucial Truths for Crucial Days H. T. Spence,2003 **Beware of False Religions & Pagan Traditions Part 3** Helene Fulton,2015-01-11 There are only two roads one leads to heaven and one leads to hell This is a spiritual fact without change or compromise there is no middle road and no chance to sit on the fence There are numerous false religions operating in the world today falsely broadcasting themselves as truth or as God's truth for that matter These religions may on the contrary be the foundation of lifelong poverty family breakdown mental derangement physical illness or varying manifestations of bizarre behavior in the lives of people These individuals have either turned their back on the true God completely or by their actions have allowed some of these pagan and false religious practises to creep into their every day lives By clinging to these pagan traditions we inadvertently give Satan a foothold in our lives In these books these false religions have been measured up against the word wisdom and knowledge of God The word of God says that His word is like fire and is a hammer that breaks rocks into pieces Angels with Attitude Bev Lakomek,2015-12-09 Angels with Attitude speaks of where we live on a daily basis in our thoughts and attitudes We are God's angels not only to ourselves but to the world We carry within us the message of love This loving message can be blocked by thoughts and attitudes that come from our egos and fears The inspirational writings contained in this book are meant to bring its reader to a crossroads a point of contemplation and decision Each day we make such choices that either bring us to

love peace and joy or leave us in fear If we are to be the angels of God His messengers we are meant to live in the love of God
