Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity:

Discovery-Driven Growth Rita Gunther McGrath, Ian C. Macmillan, 2009-03-16 You've been charged with growing your business. Incremental growth can no longer deliver the results you need. You need truly dynamic growth and you need to achieve it without risking a hugely expensive gamble. How can you encourage innovative new ventures and pursue ambitious growth while minimizing risk? In *Discovery Driven Growth*, authors McGrath and MacMillan show how companies can plan and pursue an aggressive growth agenda with confidence. By carefully framing their strategic growth opportunities, testing each project assumption against a series of checkpoints, and creating a culture that acts on evidence and learning instead of blind stumbling, companies can better control their costs, minimize surprises, and know when to disengage from questionable projects before it's too late. Providing tools that will help you select and better assess the potential of any strategic venture, from new product lines to entirely new businesses, the authors outline a comprehensive process that lets you identify, manage, and leverage your company's full portfolio of opportunities. By reducing up-front costs and eliminating unnecessary risks, you'll be able to avoid missteps and explore more options to create the breakthrough growth that your business requires.

Discovery-driven Growth Rita Gunther McGrath, Ian C. MacMillan, 2009 Based on extensive research and the authors' combined thirty years of experience, *Discovery Driven Growth* provides a breakthrough system for managing strategic growth. You will learn how to identify and prioritize your company's full portfolio of opportunities from new product lines to entirely new businesses. The authors then show how to best execute specific initiatives, test major project assumptions, and develop a culture that values disciplined experimentation and learning over meeting mindless and unrealistic goals. Tools for dealing with each challenge are backed by examples from companies from small firms to global giants that have successfully put these methods into practice.

Überlegene Geschäftsmodelle Andreas Schmidt, 2015-01-06 Mit Hilfe einer profunden Bestandsaufnahme und stichhaltigen Analyse zeigt Andreas Schmidt drei Kriterien zur Optimierung der Wettbewerbswirkung von Geschäftsmodellen auf Kontingenz zur Umwelt, Konsistenz seiner Bestandteile und eine Kohärenz. Implementierung über die Entscheidungsebenen hinweg. Ein Compliance Kompass sowie Beispiele für einfache und komplexe Geschäftsmodelle illustrieren die praktische Relevanz der Untersuchung. Hinweise zur Gestaltung, aber auch Implementierung und Steuerung von Geschäftsmodellen zeigen diverse Entwicklungspfade zu einer überlegenen Wertgenese und Wertabschöpfung in umkämpften Märkten. Dabei werden sowohl Innovationstreiber als auch Verteidigungsoptionen eruiert, um schließlich Möglichkeiten für ein ausgleichendes ambidexteres Management im Laufe des Geschäftsmodell-Lebenszyklus zu schaffen.

Lead from the Core Jay Steinfeld, 2021-11-30 WALL STREET JOURNAL

BESTSELLER Jay Steinfeld Ernst Young Entrepreneur of the Year and the founder and CEO of Blinds.com acquired by Home Depot never planned to create the biggest online window blinds retailer in the world. Against all odds to succeed Steinfeld's journey in business included failed acquisitions, partnerships gone wrong, perpetual self-doubt, deaths in his family, budget limited guerilla marketing, corporate buy outs, brutal market competition and a complete disruption of industry leaders including Amazon and big box retailers. To build something meaningful like Steinfeld you need to do more than dream about it. You need to Lead from the Core. Learn Steinfeld's Four Es, a set of guiding principles that help overcome any obstacle to your organization's success: Evolve Continuously, Experiment Without Fear of Failure, Express Yourself and Enjoy the Ride. In these pages you'll also learn specific actionable tactics including How to start a business with little money and experience, Ways to avoid the early failure that plagues many businesses, Strategies to scale beyond the startup phase, Exactly how to communicate with boards and investors, Proven lessons to attract potential acquirers of your company. Told with humor and heart, Lead from the Core is not just a roadmap to make your company a resounding success. It's a masterclass for leaders looking to prevent costly business mistakes no matter where you are in your journey.

What's Your Problem? Thomas Wedell-Wedellsborg, 2020-03-17. The author makes a compelling case that we often start solving a problem before thinking deeply about whether we are solving the right problem. If you want the superpower of solving better problems, read this book. Eric Schmidt, former CEO of Google: Are you solving the right problems? Have you or your colleagues ever worked hard on something only to find out you were focusing on the wrong problem entirely? Most people have. In a survey, 85 percent of companies said they often struggle to solve the right problems. The consequences are severe. Leaders fight the wrong strategic battles. Teams spend their energy on low impact work. Startups build products that nobody wants. Organizations implement solutions that somehow make things worse, not better. Everywhere you look, the waste is staggering. As Peter Drucker pointed out, there's nothing more dangerous than the right answer to the wrong question. There is a way to do better. The key is reframing, a crucial underutilized skill that you can master with the help of this book. Using real world stories and unforgettable examples like the slow elevator problem, author Thomas Wedell-Wedellsborg offers a simple three-step method: Frame, Reframe, Move Forward, that anyone can use to start solving the right problems. Reframing is not difficult to learn. It can be used on everyday challenges and on the biggest, trickiest problems you face. In this visually engaging, deeply researched book, you'll learn from leaders at large companies, from entrepreneurs, consultants, nonprofit leaders, and many other breakthrough thinkers. It's time for everyone to stop barking up the wrong trees. Teach yourself and your team to reframe, and growth and success will follow.

The End of Competitive Advantage Rita Gunther McGrath, 2013-06-04 Argues that sustainable competitive advantage can no longer be the Holy Grail for companies due to a constantly changing environment and offers a new set of principles for winning in a volatile and uncertain marketplace

If You're in a Dogfight, Become a Cat! Leonard Sherman, 2017-01-10 Businesses often find themselves trapped in a competitive dogfight scratching and clawing for market share with products consumers view as largely undifferentiated Conventional wisdom suggests that dogfights are to be expected as marketplaces mature giving rise to the notion that there are bad industries where it is unlikely that any company can succeed But there are notable exceptions in which enlightened executives have changed the rules to grasp the holy grail of business long term profitable growth Rather than joining the dogfights raging within their industry companies such as Apple FedEx and Starbucks have chosen to become metaphorical cats continuously renewing their distinctive strategies to compete on their own terms In *If You're in a Dogfight Become a Cat* Leonard Sherman draws on four decades of experience in management consulting venture capital and teaching business strategy at Columbia Business School to share practical advice on two of the most vexing issues facing business executives why is it so hard to achieve long term profitable growth and what can companies do to break away from the pack Sherman takes the reader on a provocative journey through the building blocks of business strategy by challenging conventional wisdom on a number of questions that will redefine management best practices What should be the overarching purpose of your business Do you really know what your strategy is Is there such a thing as a bad industry Where do great ideas come from and how do I find them What makes products meaningfully different What makes and breaks great brands How and when should I disrupt my own company What are the imperatives to achieving long term profitable growth Filled with dozens of illustrative examples of inspiring successes and dispiriting falls from grace this book provides deep insights on how to become the cat in a dogfight whether you are a CEO mid level manager aspiring business school student or curious observer interested in achieving sustained profitable growth

Fast/Forward Julian Birkinshaw, Jonas Ridderstråle, 2023-05-25 A guide to the adhocracy form of business management and how it can foster a company's success The leading companies of the past twenty years have all harnessed

the power of information to gain competitive advantage But as access to big data becomes ubiquitous it can no longer guarantee a leg up Fast Forward makes the case that we are entering a new era in which firms that understand the limits of 1s and 0s will take the lead Whereas the industrial age saw the rise of bureaucracy and the information age has been described as a meritocracy we are witnessing the rise of adhocracy In uncertain rapidly changing times adhocratic organizations scan the horizon for winning opportunities Then instead of questing after more analysis they respond with agility by making smart intuitive decisions Combining decisive action with emotional conviction future facing firms seize the day Fast Forward paints the big picture of a new approach to strategy and provides the necessary playbook to make your company fit for the future Praise for Fast Forward Fast Forward makes a compelling case for spontaneity speed and a willingness to lead with intuition More importantly it speaks to the leadership qualities required to implement its suggestions providing practical ways to cultivate those qualities Jeffrey Pfeffer Stanford University author of Power Why Some People Have It and Others Don't Birkinshaw and Ridderstrale are on the right track In an ever faster globalized world companies not only need a compelling strategy but also an adaptive and caring performance culture To unleash their full ingenuity we have to empower our colleagues to act like owners Joe Kaeser President and CEO Siemens AG Big data is oversold as the most important facet of competitive advantage Rather breakthrough leaps of faith are necessary to achieve extraordinary results Fast Forward is full of practical advice about how to capitalize on this simple idea in order to forge your corporate future Anita McGahan Rotman School of Management author of How Industries Evolve

This article will explore the advantages of Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic

texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Discovery Driven Growth A Breakthrough Process To Reduce Risk And Seize Opportunity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals.
