Medea And Other Plays Oxford Worlds Classics:

Medea and Other Plays Euripides, 1998 the most tragic of the poets Aristotle Euripides was one of the most popular and controversial of all Greek tragedians and his plays are marked by an independence of thought ingenious dramatic devices and a subtle variety of register and mood He is also remarkable for the prominence he gave to female characters whether heroines of virtue or vice In the ethically shocking Medea the first known child killing mother in Greek myth to perform the deed in cold blood manipulates her world in order to wreak vengeance on her treacherous husband Hippolytus sees Phaedra's confession of her passion for her stepson herald disaster while Electra's heroine helps her brother murder their mother in an act that mingles justice and sin Lastly lighter in tone the satyr drama Helen is an exploration of the impossibility of certitude as brilliantly paradoxical as the three famous tragedies This new translation does full justice to Euripides's range of tone and gift for narrative A lucid introduction provides substantial analysis of each play complete with vital explanations of the traditions and background to Euripides's world

Heracles and Other Plays

Euripides, 2008-09-11 Alcestis Heracles Children of Heracles Cyclops Euripides wrote about timeless themes of friendship and enmity hope and despair duty and betrayal The first three plays in this volume are filled with violence or its threat while the fourth Cyclops is our only surviving example of a genuine satyr play with all the crude and slapstick humour that characterized the genre There is death in Alcestis which explores the marital relationship of Alcestis and Admetus with pathos and grim humour but whose status as tragedy is subverted by a happy ending The blood soaked Heracles portrays deep emotional pain and undeserved suffering its demand for a more humanistic ethics in the face of divine indifference and callousness makes it one of Euripides more popular and profound plays Children of Heracles is a rich and complex work famous for its dialogues and monologues in which the effects of war on refugees and the consequences of sheltering them are movingly explored In Cyclops Euripides takes the familiar story of Odysseus escape from the Cyclops Polyphemus and turns it to hilarious comic effect Euripides other plays are all available in Oxford World's Classics ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Orestes and Other Plays Euripides, 2009-03-26 Ion Orestes The Phoenician Women The Suppliant Women In these four plays Euripides explores ethical and political themes contrasting the claims of patriotism with family loyalty pragmatism and expediency with justice and the idea that might is right with the ideal of clemency Ion is a vivid portrait of the role of chance in human life and an exploration of family relationships which combines a sympathetic portrait of a rape victim with remarks on Athenian xenophobia In Orestes the most popular of the tragedian's plays in the ancient world Euripides explores the emotional consequences of Orestes murder of his mother on the individuals concerned and

makes the tale resonate with advice to Athens about the threat to democracy posed by political pressure groups The Suppliant Women is a commentary on the politics of empire as the Athenian king Theseus decides to use force of arms rather than persuasion against Thebes The Phoenician Women transforms the terrible conflict between Oedipus sons into one of the most savage indictments of civil war in Western literature by highlighting the personal tragedy it brings ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Trojan Women and Other Plays Euripides, 2001-09-20 Hecuba The Trojan Women Andromache In the three great war plays contained in this volume Euripides subjects the sufferings of Troy's survivors to a harrowing examination The horrific brutality which both women and children undergo evokes a response of unparalleled intensity in the playwright whom Aristotle called the most tragic of the poets Yet the new battleground of the aftermath of war is one in which the women of Troy evince an overwhelming greatness of spirit We weep for the aged Hecuba in her name play and in The Trojan Women yet we respond with an at times appalled admiration to her resilience amid unrelieved suffering Andromache the slave concubine of her husband's killer endures her existence in the victor's country with a Stoic nobility Of their time yet timeless these plays insist on the victory of the female spirit amid the horrors visited on them by the gods and men during war ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Gender and the City in Euripides' Political Plays Daniel Adam Mendelsohn, 2002 The present study makes use of recent insights into classical Greek conceptions of gender in real life and on stage and Athenian notions of civic identity to demonstrate that the political plays are in face intellectually subtle and structurally coherent exercises in political theorizing works that use complex interactions between female and male characters to explore the advantages and costs of being a member of the polis

BOOK JACKET **Medea** Euripides, 1997 In this new translation of the most profound tragedies of Euripides one of the trio of the supreme Greek tragedians of the fifth century BC James Morwood brings harshly to life the pressure of the intolerable circumstances under which Euripides places his characters His dark and cheerless world one where the gods prove malevolent important or simply absent reveals men to use his own words as they are His clear eyed yet sympathetic analysis of characters such as Medea Hippolytus and Phaedra and Electra and Clytemnestra and the supremacy of women is not accidental is conducted with extraordinary psychological insight through the fearful symmetry of his plot construction Medea Hippolytus and Electra give dramatic articulacy to their creator's howl of protest against the world in which we still live

today His Helen shows him working in a different vein The themes remain deeply serious the analysis is still proving and acute Yet the happy ending however equivocal typifies a humour and warmth of spirit that offer like Shakespeare's last plays a fragile but genuine hope of redemption There is a substantial general introduction and select bibliography by Edith Hall and full explanatory notes accompany the translation

Euripides Talks Alan Beale, 2014-02-25 Actors of Dionysus aod formed in 1993 to tour Classical drama in translation and have established themselves as the leading exponents of Greek tragedy in contemporary theatre and education With many national and international touring productions two DVDs a Penguin audio book of Medea and a whole series of pre performance talks issued in their journal Dionysus they have brought Greek tragedy to new audiences worldwide Scholars have been generous in their support for aod and this selection of talks on five of Euripides plays Bacchae Medea Hippolytus Electra and Trojan Women represents but a fraction of their contribution to aod's success Less formal than lectures essays or articles these talks offer sixth form students and the general public a more accessible approach to the thoughts of some of our leading academics about this extraordinary playwright who can still capture the imagination of a twenty first century audience Contributors of this title include Chris Carey Kenneth Dover Alex Garvie Jasper Griffin Richard Janko Richard Jenkyns Jenny March Richard Rutherford Richard Seaford and Alan Sommerstein

The Cambridge Introduction to Tragedy Jennifer Wallace, 2007-05-10 An introductory study into tragedy in drama and literature and in the real world

Anglo-American Stage and Screen Drama Mike Ingham, 2023-11-27 Anglo American Stage and Screen Drama analyses and discusses the contemporary role of stage and screen drama as a critical forum for progressive thinking in an increasingly polarised geopolitical world The book addresses the cultural politics of socially engaged 21st century stage plays and films and makes the case for drama as a sociopolitical forum in which the complex and contentious issues that confront society can be explored and debated It conceives of Anglophone political drama as a significant intervention in today's culture wars representing the latter as a convenient distraction from the ongoing depredations of neoliberalism In the main part of the book selected case study plays and films from each of the first two decades illustrate drama's capacity to influence critical debate on social justice issues All of the case study texts under discussion express a powerful aesthetics of resistance to right wing ideology and promote inclusive and enlightened values This broader orientation underlines drama's role as a channel for critical agency in today's putative post socialist post democratic climate

The Interpretation of Dreams Artemidorus, 2020 Artemidorus The Interpretation of Dreams Oneirocritica is the richest and most vivid pre Freudian account of dream interpretation and the only dream book to have survived complete from Graeco Roman times Written in Greek around AD 200 when dreams were believed by many to offer insight into future events the work is a compendium of interpretations of dreams on a wide range of subjects relating to the natural human and divine worlds It includes the meanings of dreams about the body sex eating and drinking dress the weather animals the gods and much else Artemidorus technique of dream interpretation stresses the need to know the

background of the dreamer such as occupation health status habits and age and the work is a fascinating social history revealing much about ancient life culture and beliefs and attitudes to the dominant power of Imperial Rome

The Art of Rhetoric Aristotle, Harvey Yunis, 2018 Aristotle's Art of Rhetoric is a treatise concerning the theory and practice of the most dynamic form of discourse in Classical Greece The Rhetoric was a touchstone for all later ancient writers on the subject from the Stoics to Cicero

Six Tragedies Lucius Annaeus Seneca, 2010-01-14 This is a lively readable and accurate verse translation of the six best plays by one of the most influential of all classical Latin writers The volume includes Phaedra Oedipus Medea Trojan Women Hercules Furens and Thyestes together with an invaluable introduction and notes

The Greeks Robin Sowerby, 2014-11-20 The Greeks has provided a concise yet wide ranging introduction to the culture of ancient Greece In this new and expanded third edition the best selling volume offers a lucid survey that covers all the key elements of ancient Greek civilization from the age of Homer to the Hellenistic period It provides detailed discussions of the main trends in literature and drama philosophy art and architecture with generous reference to original sources and places ancient Greek culture firmly in its political social and historical context The new edition has expanded coverage of the post Classical period with major expansions in the areas of Hellenistic history literature and philosophy More emphasis is placed on the Greek world as a whole especially on Sparta and the focus on social history has been increased The Greeks is an indispensable introduction for all students of Classics and an invaluable guide for students of other disciplines who require grounding in Greek civilization

Gorgias Plato, 2008-04-17 The struggle which Plato has Socrates recommend to his interlocutors in Gorgias and to his readers is the struggle to overcome the temptations of worldly success and to concentrate on genuine morality Ostensibly an enquiry into the value of rhetoric the dialogue soon becomes an investigation into the value of these two contrasting ways of life In a series of dazzling and bold arguments Plato attempts to establish that only morality can bring a person true happiness and to demolish alternative viewpoints It is not suprising that Gorgias is one of Plato's most widely read dialogues Philosophers read it for its coverage of central moral issues others enjoy its vividness clarity and occasional bitter humour This new translation is accompanied by explanatory notes and an informative introduction

ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Groundwork for the Metaphysics of Morals Immanuel Kant, 2019-11-26 The present groundwork is nothing more than the identification and vindication of the supreme principle of morality In the Groundwork for the Metaphysics of Morals 1785 Immanuel Kant makes clear his two central intentions first to uncover the principle that underpins morality and secondly to defend its applicability to human beings The result is one of the most significant texts in the history of ethics and a masterpiece of Enlightenment thinking Kant argues that moral law tells us to

act only in ways that others could also act thereby treating them as ends in themselves and not merely as means Kant contends that despite apparent threats to our freedom from science and to ethics from our self interest we can nonetheless take ourselves to be free rational agents who as such have a motivation to act on this moral law and thus the ability to act as moral beings One of the most studied works of moral philosophy this new translation by Robert Stern Joe Saunders and Christopher Bennett illuminates this famous text for modern readers

Alexander the Great Arrian,2013-02-14 Arrian's account of Alexander's life and campaigns published as the *Anabasis* and its companion piece the *Indica* is our prime source for the history of Alexander told with great narrative skill This edition features a new translation of both texts introduction notes guide to military systems and terminology maps and a full index

Capital Karl Marx,1999-09-02 A classic of early modernism *Capital* combines vivid historical detail with economic analysis to produce a bitter denunciation of mid Victorian capitalist society It has also proved to be the most influential work in social science in the twentieth century Marx did for social science what Darwin had done for biology Millions of readers this century have treated *Capital* as a sacred text subjecting it to as many different interpretations as the bible itself No mere work of dry economics Marx's great work depicts the unfolding of industrial capitalism as a tragic drama with a message which has lost none of its relevance today This is the only abridged edition to take account of the whole of *Capital* It offers virtually all of Volume 1 which Marx himself published in 1867 excerpts from a new translation of *The Result of the Immediate Process of Production* and a selection of key chapters from Volume 3 which Engels published in 1895 ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

The Essential Mòzǐ Mo Zi,2020-06-25 The task of the benevolent person is surely to diligently seek to promote the benefit of the world and eliminate harm to the world The *M z* is among the founding texts of the Chinese philosophical tradition presenting China's earliest ethical political and logical theories The collected works introduce concepts assumptions and issues that had a profound lasting influence throughout the classical and early imperial eras *M z* and his followers developed the world's first ethical theory and presented China's first account of the origin of political authority from a state of nature They were prominent social activists whose moral and political reform movement sought to improve the welfare of the common people and eliminate elite extravagance and misuse of power In this new translation Chris Fraser focuses on the philosophical aspects of the writing and allows readers to truly enter the Mohists world of thought This abridged edition includes the essential political and social topics of concern to this vital movement Informed by traditional and recent scholarship the translation presents the Mohists ideas and arguments clearly precisely and coherently while accurately reflecting the meaning terminology and style of the original

On Liberty and Other Essays John Stuart Mill,1998 Presents the text of

four essays by nineteenth century English philosopher and economist John Stuart Mill and includes textual and explanatory notes chronology and introduction **Latin Literature** Susanna Morton Braund, 2005-07-19 This highly accessible user friendly work provides a fresh and illuminating introduction to the most important aspects of Latin prose and poetry Readers are constantly encouraged to think for themselves about how and why we study the texts in question They are stimulated and inspired to do their own further reading through engagement with a wide selection of translated extracts and with a useful exploration of the different ways in which they can be approached Central throughout is the theme of the fundamental connections between Latin literature and issues of elite Roman culture The versatile structure of the book makes it suitable both for individual and class use

Medea And Other Plays Oxford Worlds Classics Introduction

In the digital age, access to information has become easier than ever before. The ability to download Medea And Other Plays Oxford Worlds Classics has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Medea And Other Plays Oxford Worlds Classics has opened up a world of possibilities. Downloading Medea And Other Plays Oxford Worlds Classics provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Medea And Other Plays Oxford Worlds Classics has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Medea And Other Plays Oxford Worlds Classics. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Medea And Other Plays Oxford Worlds Classics. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Medea And Other Plays Oxford Worlds Classics, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Medea And Other Plays Oxford Worlds Classics has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Medea And Other Plays Oxford Worlds Classics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
