littered with misery while her mother Caelyn's desire to shield her family from pain may tear her away from them altogether. The perfect happiness in the young vampire's grasp is so easily swept away and dragged under out of reach. Can Maura erupt from the darkness and confusion to break the surface and find the life she's always dreamed of? *Riptide: Betrayal of Blood*. Maura has never felt so alone in her life nor has her existence ever been so overshadowed by peril. Despised by her vampire cousin Aldiva for reasons Maura cannot yet comprehend, the young changeling will be forced to guard her back with every step as she comes to realize this member of her vampire family would love nothing more than to bring about her demise. Aldiva's wrath calls forth other members from both Vancouver covens, forcing them to rush to Maura's aid even though her father, their king, has expressly forbidden the other vampires to initiate contact with his daughter. Will her extended family on Vancouver Island obey, abandoning Maura to her doom, or will they instead rebel against Maxwell's wishes in order to save her life? Can she be saved, or will the riptide drag Maura under along with those she loves the most? This series of young adult fantasy novels has been enjoyed by readers of nearly every age, teens and beyond, found by them to be dramatically different from any other vampire story in books they have read in the past. Discover a magical world with just a shade of darkness inside these clean reads populated by fae, angels, elves, pixies, and other enchanting creatures, in addition to two families of some of the most likable vampires for the most part to ever exist.
