Be of Good Mind Bruce Granville Miller, 2011-11-01 In this book anthropologists archaeologists historians linguists and Aboriginal leaders describe the Coast Salish Aboriginal peoples living in western British Columbia and Washington State They focus on how Coast Salish lives and identities have been influenced by the two colonizing nations and on by shifting Aboriginal circumstances The volume builds on new scholarship to move beyond existing academic views of the Coast Salish which largely derive from ecological anthropology in creating a new view of the Coast Salish world Contributors point to the continual reshaping of Coast Salish identities and our understandings of them through litigation and language revitalization as well as community efforts to reclaim their connections with the environment Equally important is the development of much more detailed local and regional history and archaeology They point to significant continuity of networks of kinfolk spiritual practices and understandings of landscape This is the first book length effort to directly incorporate Aboriginal perspectives and a broad interdisciplinary approach to research about the Coast Salish

Eucharistic Body Frank C. Senn, 2017-08-15 Building on his previous work on embodied liturgy Frank C Senn explores the relationship between the sacramental body and blood of Christ the ecclesial body of Christ and the body of the communicant Drawing on the richness of the eucharistic traditions and his own life experiences this book expands our understandings of the Eucharist to include pilgrimage to the altar ad altare Dei a life of gratitude anaphora cosmology and praise preface and Sanctus body and memory anamnesis Spirit and community epiclesis Trinitarian orthodoxy and world view doxology presence and union with Christ communion and initiation and reconciliation fencing the table It argues for use of a full eucharistic prayer to express a wider understanding of the Eucharist including creation themes an emphasis on the passion of Christ to connect the Eucharist to suffering humanity an expansion of the fellowship dimension of the Eucharist to embrace the church in heaven and around the world a recovery of Trinitarian praise an ecumenical exploration of how we understand theologically the presence of Christ received bodily and a reconsideration of the value of initiation in sacramental discipline and in the life of faith

Resources in Education, 1997 *The Prime of Life* Steven Mintz, 2015-04-07 By drawing on 400 years of social and economic history the book presents a thoughtful and thorough guide through the life stages. Library Journal Adulthood today is undergoing profound transformations. Men and women wait until their thirties to marry, have children and establish full-time careers occupying a prolonged period in which they are no longer adolescents but still lack the traditional emblems of adult identity. People at midlife struggle to sustain relationships with friends and partners, to achieve fulfilling careers, to raise their children successfully and to age gracefully. *The Prime of Life* puts today's challenges into new perspective by exploring how past generations navigated the passage to maturity. Whereas adulthood once meant culturally prescribed roles and relationships, the social and economic convulsions of the last sixty years have transformed it fundamentally, tearing up these shared scripts and leaving adults to fashion meaning and coherence in an increasingly individualistic culture. Emphasizing adulthood's joys and fulfillments as well as its frustrations and regrets, Mintz shows how cultural and historical circumstances have consistently reshaped what it means to be a grown-up in contemporary society. A triumph of historical writing. *The Spectator* Mintz's message that there are many ways to wear the mantle of responsible adulthood and that the 1950s model is a mere blip on history's radar is deeply necessary and long overdue. *New York Times Book Review* Describing the cultural, economic and social changes from the Colonial era to today's world, Mintz argues that neither religious nor secular middle-class values are adequate responses to the new generation's problems. *Choice* A thoughtful and strangely encouraging tour of an often difficult life stage. *Kirkus Reviews*

The Meaning of Difference: American Constructions of Race, Sex and Gender, Social Class, Sexual Orientation, and Disability Karen Rosenblum, Toni-Michelle Travis, 2008-01-31 *The Meaning of Difference* is a text reader about the social construction of difference as it operates in American formulations of race, sex and gender, social class and sexual orientation.
