

from Walden, or Life in the Woods

Literary Focus: Metaphor

Thoreau's metaphors are ▾

- highly visual ▾
- drawn from nature and from everyday, familiar things ▾

I did not wish to take a cabin passage, but rather to go before the mast and on the deck of the world, for there I could best see the moonlight amid the mountains.

Metaphor And Simile The Walden Woods Project:

Comparative Literature in the Light of Chinese Prosody Shudong Chen, 2018-10-31 In the light of Chinese prosody and various mutually illuminating major cases from the original English Chinese French Japanese and German classical literary texts the book explores the possibility of discovering a road not taken within the road well trodden in literature In an approach of what Wittgenstein calls criss crossing this monographic study the first ever of this nature as Roger T Ames points out in the Foreword also emphasizes a pivotal recognition that these Chinese values revealed in the book are immediately relevant to the Western narrative as well the book demonstrates in other words how such a criss crossing approach would be unequivocally possible as long as our critical attention be adequately turned to or pivoted upon the trivial matters a posteriori in accordance with the live syntactic prosodic context such as pauses stresses phonemes function words or the at once text enlivened and text enlivening ambiguity of parts of speech which often vary or alter simultaneously according to and against any definitive definition or set category a priori This issue pertains to any literary text across cultures because no literary text would ever be possible if it were not for instance literally enlivened by the otherwise overlooked meaningless function words or phonemes the texts simultaneously also enliven these meaningless elements and often turn them surreptitiously into sometimes serendipitously meaningful and beautiful sea change effecting les mots justes Through the immeasurable and yet often imperceptible influences of these exactly right words our literary texts such as a poem could thus not simply be but subtly mean as if by mere means of its simple rich and naturally worded being truly a special word picture of das Ding an sich Describable metaphorically as museum effect and symphonic tapestry a special synaesthetic impact could also likely result from such les mots justes facilitated subtle and yet phenomenal sea changes in the texts

The Echoing Green Carlos Baker, 2017-03-14 In an engaging discussion that will appeal to all students of poetry including veteran scholars this book shows which poems most occupied the attention of these moderns summarizes their attitudes toward historical romanticism explores what use they made of aesthetic and ethical ideas from the critical prose of 1800 1825 and takes notice of when where and precisely how they adapted images and echoed phrases from romantic poetry for use in their own work Originally published in 1984 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **New**
