Israel and the American National Interest Cheryl Rubenberg, 1989-01-15 Israel's special relationship with the United States has come under close public scrutiny in recent months following revelations about Israeli involvement in the Iran Contra and Jonathan Pollard spy scandals Cheryl Rubenberg's controversial new book traces the evolution of that relationship from the Truman through the Reagan administrations and challenges the widely held view that close ties between Tel Aviv and Washington have served U.S. interests well in the Middle East Indeed she makes a convincing case that in the two decades since 1967 U.S. policymakers have tended to confuse what is best for Israel with what is best for the United States and to ignore what she regards as the most pressing problem in the Middle East the quest for a Palestinian homeland Douglas Little International History Review

Die Araber und der Holocaust Gilbert Achcar, 2012-06-13 Es gibt kaum ein explosiveres Thema als Die Araber und der Holocaust das Terrain ist vermint voller Vorwürfe und Gegenwürfe Die einen werden beschuldigt den Holocaust zu verleugnen den anderen wird vorgeworfen die eigene Tragödie auszubeuten und die der Gegenseite zu ignorieren In seiner wegweisenden Untersuchung hat der Politikwissenschaftler Gilbert Achcar das Geflecht der unvereinbar

scheinenden Narrative und ihre Rolle im Nahost Konflikt untersucht Er analysiert die verschiedenen arabischen Reaktionen auf den Nationalsozialismus von den ersten drohenden Vorzeichen des Völkermords an den Juden über die Gründung Israels und die von Massenvertreibungen begleitete Zerstörung des historischen Palästina bis zur Gegenwart und stellt sie in ihren jeweiligen historischen und politischen Kontext Er kritisiert jede Geschichtsschreibung und politische Propaganda die durch Antisemitismus und Holocaust Leugnung motiviert sind Berechtigte Kritik darauf besteht Achar muss einhergehen mit ehrlicher Selbstkritik Achcars Buch wirkt befreiend weil es Möglichkeiten der Verständigung eröffnet die seit Jahren durch einen erbitterten internationalen Propagandakrieg verschüttet werden

The Palestine-Israel Conflict Gregory Harms, Todd M Ferry, 2012-06-14 The Palestine Israel conflict is the most notorious and ingrained conflict of the twentieth and now twenty first century Yet the way it is reported in the media is often confusing leading many to assume the hostilities stretch back to an ancient period The Palestine Israel Conflict is the first book to provide a clear accessible and annotated introduction that covers the full history of the region from Biblical times until today Perfect for the general reader as well as students it offers a comprehensive yet lucid rendering of the conflict setting it in its proper historical context Harms and Ferry show how today's violence is very much a product of recent history with its roots in the twentieth century This balanced account is now fully up to date including the ongoing situation in Gaza making it a valuable resource for anyone who wants a clear guide to the conflict between Israel and the Palestinian territories and its place in the history of Middle Eastern affairs

The Discourse of Palestinian-Israeli Relations Sean F. McMahon, 2010-04-15 This Foucault inspired analysis of the degeneration of the Oslo

Rethinking Israel and Palestine Oded Nir,Joel Wainwright,2020-06-29 The Middle East seems to be in perpetual crisis One might expect a plethora of Marxist analyses of Israel and Palestine Yet in the literature on Israel and Palestine there are hardly any studies of class relations of production or the relationship between the political and economic balance of forces over time This edited volume brings a diverse array of Marxist influenced interpretations of the present conjuncture in Israel and Palestine The collection includes works by luminaries of social theory such as Noam Chomsky and Fred Jameson as well as leading scholars of Palestine Raja Khalidi Sherene Seikaly and Orayb Aref Najjar and Israel Jonathan Nitzan Nitzan Lebovic and Amir Locker Biletzki It comprises the first ever collection of Marxist influenced writings on Palestine and Israel and the relationship between them This book was originally published as a special issue of the journal Rethinking Marxism

Israel-Palestine on Record Howard Friel,Richard Falk,2020-05-05 In this scathing analysis of Israel Palestine coverage in the US media Howard Friel and Richard Falk reveal the persistent ways the New York Times has ignored principles of international law in order to shield its readers from Israel s lawlessness While the Times publishes dozens of front page stories and extensive commentary on the killings of Israelis it publishes very few such stories on the killings of Palestinians and mostly ignores the extensive documentation of massive violations of Palestinian human rights by the government of Israel Furthermore the Times regularly ignores or under reports a multitude of critical legal issues pertaining to Israel s policies including Israel s expropriation and settlement of Palestinian land the two tier system of laws based on national origin evocative of South Africa s apartheid regime the demolition of Palestinian homes and use of deadly force against Palestinians These journalistic practices have not only shielded the extent of Israel s transgressions from the American electorate which is Israel s main source of financial and military support it has severely diminished our understanding of the Middle East and of US foreign policy in general
