EBOOK: Financial Statement Analysis SUBRAMANYAM, 2013-05-24 EBOOK Financial Statement Analysis

Investment Analysis & Portfolio Management Frank K. Reilly, Keith C. Brown, Brindha Gunasingham, Asjeet Lamba, Dr Frank Elston, 2019-11-19 This first Asia Pacific edition of Reilly Brown's Investment Analysis and Portfolio Management builds on the authors' strong reputations for combining solid theory with practical application and has been developed especially for courses across the Australia New Zealand and Asia Pacific regions. The real world illustrations and hands-on activities enhance an already rigorous empirical approach to topics such as investment instruments, capital markets, behavioural finance, hedge funds and international investment. The text also emphasises how investment practice and theory are influenced by globalisation.

Financial Statement Analysis Ray Ball, S. P. Kothari, 1994 Textbook

Business Performance Measurement and Management Vincent Charles, Mukesh Kumar, 2014-10-02 Measuring and managing the performance of a business is one of the main requirements of the management of any organization. This book introduces new contexts and themes of application and presents emerging research areas related to business performance measurement and management. It draws authors from all around the globe from a variety of functional disciplines, all of whom are working in the field of business performance measurement and management, thus resulting in a variety of perspectives on performance measurement from various functional areas: accounting, finance, economics, marketing and operations management in a single volume.

International Financial Reporting Standards and New Directions in Earnings Management Oliveira, Jonas da Silva, Azevedo, Graça Maria do Carmo, Ferreira, Augusta da Conceição Santos, 2019-03-22 The fiscal market is an unpredictable torrent of information that modern organizations strive to understand. Business professionals dedicate themselves to understanding uncertain results around economic performance to improve management reporting standards and predict trends in financial statements. *International Financial Reporting Standards and New Directions in Earnings Management* is an essential reference source that discusses identifying the behavioral patterns of managers and the accounting policies they use in different opportunistic circumstances. Featuring research on topics such as earnings quality, risk reports and investor protection, this book is ideal for regulatory authorities, accountants, impression managers, auditors, academics, students and researchers seeking coverage on the theoretical, empirical and experimental studies that relate to the different themes within earnings management.

The Analysis and Use of Financial Statements Gerald I.
