**GOD: ONE IN ALL AND ALL IN ONE** PRAHALAD RAO ,2025-03-11 ALL IS ONE explores the profound truth that while religions may differ the essence of God remains the same across all faiths The book delves into the wisdom of great saints and sages highlighting their insights on spirituality enlightenment and the divine presence within every living being Drawing from mystical theologies and historical narratives it reflects on humanity s quest for purpose and the universal connection between faiths By studying different beliefs one discovers the timeless message that God exists within all beyond divisions created by mankind With references to philosophical teachings and spiritual reflections the book aims to bridge gaps between religions emphasizing unity and the shared divine presence in every soul As Marianne Williamson beautifully states We were born to manifest the glory of God within us a belief that echoes throughout this enlightening read **Problems**

**and Development of Small Scale Industries in India** R. Jaya Prakash Reddy,1991 TRUTH ABOUT THE SECURITIES SCAM 1992 PRAHALAD RAO,2023-08-24 Bringing out lacunae in the Banking Financial Institutions Operations Government Policies and Regulatory Oversight Brokers concealed operations in the Securities Scam 1992 and Tracing its Truth for updating the knowledge of the Readers This is the first book to bring the Truth to the fore *Indian Books in Print* ,2003

Indian Democracy's Paradoxes Prahalad Rao,2024-03-06 We are dealing with a new political form of society whose specificity comes from the articulation between two different traditions On one side we have the liberal tradition constituted by the rule of law the defence of human rights and the respect of individual liberty on the other the democratic tradition whose main ideas are those of equal identity between governing and governed and popular sovereignty There is no necessary relation between those two distinct traditions but only a contingent historical articulation Let s not forget that while we tend today to take the link between liberalism and democracy for granted their union far from being a smooth process was the result of bitter struggles Mouffe The Democratic Paradox The Unity in Diversity is based on multi wheel and not on mono wheel system Truth has one face while the untruth has many faces Truth does not seek for any excuse while the untruth always searches for an excuse Truth cannot be divided it is the same for one and all There has been a growing paradoxical environment in the country not genuinely but due to lack of reasoning and reconciliation which are the offshoots of ego misunderstanding and confrontation Today paradoxes in our democracy are multiplying manifold Time we need to take them seriously search for solutions These paradoxes include Diversity Division Fundamental Duties Governance and Citizens Moral Values and Human Development I have analysed them in depth and endeavoured to show their patenting effects in the democratic functioning driving towards haywire and disorderliness This is setting a negative concept for the future generations the responsibility for that rests on the present generation WE ARE ONE INDIA ONE PEOPLE PRAHALAD RAO,2023-05-26 **Financing of Small-scale Industries** Ashok K. Arora,1992 **FREEBIES AND WELFARE SCHEMES A FISCAL DISASTER & SUGGESTED FRAMEWORK FOR ELECTION FINANCING** PRAHALAD

RAO,2023-03-25 Election financing freebies and welfare schemes when prefaced with the democratic structure incorporated in our Constitution and the democratic way of functioning that have taken away the credentials of democracy and seem to blur the democratic system and the underlying spirit We have made hundreds of laws rules regulations schemes guidelines but failed to appreciate the fact that without fairness and somewhat seeming transparency in the framework of the democracy we have been following for the last seventy two years or so which is like painting one s own face with different colors to evade identification of the flow of funds in the election financing besides those official permitted by the Government of India Freebies born thereafter as a kin of the election financing now reached a stage where there is a storm brewing This erodes our performance and achievements with democracy as our base of governance

**Banking Sector Reforms in India and Performance Evaluation of Commercial Banks** Debaprosanna Nandy,2010-07-29 The Committee on Financial System CFS popularly known as Narasimham Committee was set up in 1991 to make recommendations for bringing about the necessary reforms in the financial sector Narasimham Committee appraised and acknowledged the success and progress of Indian banks since the major banks were nationalized on 19 July 1969 Unfortunately the developments were witnessed only in the field of expansion and spread of bank branches generation of huge employment and mobilization of savings rather than also in improvement in efficiency Besides corruption fraud misutilization in public money outdated technology and politicization in policy making were found to be major drawbacks in the real progress of the banks As the banking sector plays an important and crucial role in the economy of a country for its stabilization and balanced growth major reforms were urgently needed after 22 years of nationalization to revive Indian banks This was not only in the field of profitability but also in the overall efficiency viz better management of non performing assets NPAs satisfying capital requirements increased cost effectiveness and control enhanced customer service improved technology establishing competitive interest rate effective man power planning introduction of asset liability management better productivity launching new products and becoming more competent to face the upcoming challenges and competition from foreign as well as private sector banks in the era of globalization and liberalization The objectives of the study are to examine the need and relevance of reforms in Indian banks to assess the efficiency and profitability of Indian banks during reforms from different perspectives to discuss various issues of NPA management in the light of reforms to measure the performance of the banks of West Bengal during the reforms to analyse the role of information technology and its relevancy in Indian banks in the era of reforms and to impart necessary suggestions for the improvement of the efficiency and profitability of Indian banks *For India's Future Generations*

multinational consultancy for seven years In 2006 engaged by PFC as a consultant to advise on SPV policies under the Ultra Mega Power Projects initiative GOI MOP Joined a German consultancy in 2008 as Senior Advisor for Finance Commercial and Regulatory Affairs earning awards for Best Professional Employee and Special Contributions **THE LIVING GOD ON EARTH** Prahalad Rao,2020-02-03 For over a decade now the country has been witnessing rising disharmony in the lifestyle of youngsters worst affected of whom are the aspiring students for higher studies Love affairs marital discord social tensions ideological conflicts among different faiths castes creeds working executives crimes against women infanticide etc are driving them to a state of desperation and frustration birthing negativity All of the above ills are considered as reasons for the development of psychological physiological and social conflicts and confrontations within relationships society educational institutions working environments and so on A sense of solitude and desertion seems to be enveloping today s youngsters and teenagers pushing them to the extreme end of life suicide This is attributable to the loss of self belief coupled with the pressure to have an edge over others in competitive spheres of life Another hugely disturbing factor is that school going kids are resorting to extreme steps in life due to failure in examinations and other such disgracing circumstances brought upon them in general mostly occurring in schools They belong to a different age and of late their levels of sensitivity have sharply risen in their comparative self analysis The author Prahalad Rao is an ordinary person who believes in himself and GOD the Qualities of God as written in the Holy Scriptures and recited daily by all the Faiths that insulate a person from becoming a victim of negativity and give new hope for appreciating the essence purpose and meaning of life to struggle and succeed Struggling itself is a way of life for different people in different ways it includes spiritual and physical the combination of which creates a sense of self respect the foundation for human survival The author found it obligatory to wake them up through the ways and means GOD has created for humans The author believes the book will reawaken self belief self faith self confidence and self conviction by sensitising oneself to what is hidden within one s SELF which can become a GLOW to appreciate life and the beauteous nature that enables the birth of POSITIVITY IN LIFE Finance India ,2005

**The Indian Journal of Commerce** ,1979 **The Chartered Accountant** ,1989 *IN INDIA: "JUSTICE DELAYED IS JUSTICE DENIED"* MERE PROVERBIAL Prahalad Rao,2024-07-10 In India the quote Justice Delayed is Justice Denied is frequently cited in legal proceedings orders and judgments However its impact has been minimal leading to a rising backlog of cases especially criminal ones This issue has been discussed at governance and judicial levels yet the situation continues to worsen The author s conscience is compelled to address this proverb due to the severe mental toll on accused individuals in prolonged criminal trials These delays spanning years leave the accused mentally imprisoned and living in torment The judiciary known for its sharp discernment appears inconsistent in criminal cases Accused individuals endure financial physical and mental torture without fault often for over twenty five years If trials concluded within a reasonable five year period many could have been exonerated much sooner Even the cruelest animal shows mercy yet the current system subjects

the accused to prolonged suffering unjustly      **Commonwealth Universities Yearbook** Association of Commonwealth Universities,1995      *INDIAN PARLIAMENT MONSOON SESSION 2021 RUCKUS TIME TO THINK ABOUT PRAHALAD RAO,2021-12-27* Loud noise and shouting are the weaknesses of the human being Tearing of papers and throwing of objects not only demonstrate the frustration also amount to insulting others also self insulting Those who dispute this statement are advised to consult the Holy Scriptures of their Faith that enables self assessment of one s own behavioral attitude and pattern Courteousness and soothing words should be the first call This is the Law of the Nature of which the human is one of the beings and not the only being      **A Wake Up Call for Every Indian** Prahalad Rao,2020-01-07 The book is based on the last address of Dr B R Ambedkar to the Constituent Assembly on 25th November 1949 Dr Ambedkar expressed great concerns on the preservation of the Democracy enshrined in the Constitution These concerns made the author take up writing The country has been in turmoil for about the past 30 years with an uncertain future for the present and coming generations The idea is to recapture Dr Ambedkar s message to the political parties governance and to people The author has made an earnest effort to highlight the concerns of the father of the Constitution and his farsightedness to forewarn politicians and the people of the country about what would happen if self interest takes the front seat and the interest of the country is pushed back In the midst of the prevailing chaos the author through this book wishes to give A Wake Up Call to Every Indian not from his own views but from those who foresaw the emerging critical political environment in the country which is destroying the basic constitutional fiber as well as threatening the democratic development of the country Our independence can only be sustained if there is a coherent call from political and religious leaders who are ignoring their fundamental duties for their own self aggrandizement The need of the hour is to sprinkle and spread the perfume of harmony and oneness without ascribing any kind of scourge but upholding the God given message of humanism as the sole consideration for development in every walk of life A nation is built not merely on valor but through upholding the virtues of the ancestors and those who sacrificed their lives for freedom      India's Futuristic Democracy - Threats of Constitutional Gaps and Digital Era PRAHALAD RAO,2022-12-12 India is moving towards becoming an intelligent and industrious nation in the world but unmoving in its installing pillars political stability and communal conflagration Every citizen s welfare is the only way to make the nation great A nation is built not by one Faith but by all the Faiths together as an integral part of the Nation On 15th August 2022 we celebrated 75th Year of our Independence that looked decorative than democratic Former is showmanship and latter is workmanship Nation s wealth should make all the sectors healthy The Constitution defines Constituents or Organs but not the Pillars or the making up the Gaps The Gaps which our Constitution makers left open was to test the sensibility prudence and wisdom of the generations to come The Gaps have the strength to generate orderliness in the democracy Their ignorance or indifference masked the working of democracy      *AEOLIAN SOUND AGAINST DOCTRINE OF BASIC STRUCTURE* PRAHALAD RAO,2023-05-10 Constitution is the basic legal document of a country The

Constitution of India had undergone major evolution changes and interpretation by many experts scholars judges etc Among these the judiciary played a key role in the interpretation of the Constitution The judiciary is the custodian of the Indian Constitution and the protector of the Fundamental Rights of an individual The basic structure doctrine depicts that the Constitution of India has certain basic features that can't be altered or destroyed through amendments by the parliament The Parliament has amended the Constitution many times but many of them violated the basic structure But the Judiciary has saved the basic structure of the Constitution thus the breakdown of the Constitution An earnest effort is made in this book to open the eyes of the critics of the judiciary on one or the other pretext or occasion though according to the Doctrine of Separation of Powers one organ should not interfere with any other organ of the state That is presumed to include making unpleasant statements against another organ which the Constitution itself does not accept There is a system of checks and balances wherein the various organs impose checks on one another by certain provisions The present controversy between Executive and Judiciary Organs could have been well avoided the controversy raised is in itself controversial
