Redeemed Reader Janie Cheaney, Betsy Farquhar, Hayley Morell, Megan Saben, 2025-09-02 Good books awaken us to truth, warn us from falsehood and provide unforgettable examples They open our hearts to beauty and wonder They shape us In The Redeemed Reader parents and educators find encouragement and guidance to raise readers who can engage both heart and mind with books and culture This book offers insight into how to build discernment in children and provides practical tips, examples and booklists for their literary journey Passionate about shepherding imaginations and hearts, the authors read ahead so that you can confidently choose books for your children Readers will discover a deeper understanding of how the gospel shines into books and practical guidance for applying these principles If you want the imaginations of your children to be formed by what is good and true, this book equips you, parents, librarians and educators to navigate literary culture in a fallen world and to nurture thoughtful readers *Contemporary Dystopian Fiction for Young Adults* Balaka Basu, Katherine R. Broad, Carrie Hintz, 2013-05-02 Winner of the Children's Literature Association Edited Book Award From the jaded, wired teenagers of M.T. Anderson's *Feed* to the spirited young rebels of Suzanne Collins' *The Hunger Games* trilogy, the protagonists of Young Adult dystopias are introducing a new generation of readers to the pleasures and challenges of dystopian imaginings As the dark universes of YA dystopias continue to flood the market, *Contemporary Dystopian Fiction for Young Adults* Brave New Teenagers offers a critical evaluation of the literary and political potentials of this widespread publishing phenomenon With its capacity to frighten and warn, dystopian writing powerfully engages with our pressing global concerns: liberty and self-determination, environmental destruction and looming catastrophe, questions of identity and justice, and the increasingly fragile boundaries between technology and the self When directed at young readers, these dystopian warnings are distilled into exciting adventures with gripping plots and accessible messages that may have the potential to motivate a generation on the cusp of adulthood This collection enacts a lively debate about the goals and efficacy of YA dystopias: with three major areas of contention, do these texts reinscribe an old didacticism or offer an exciting new frontier in children's literature? Do their political critiques represent conservative or radical ideologies? And finally, are these novels high-minded attempts to educate the young or simply bids to cash in on a formula for commercial success? This collection represents a prismatic and evolving understanding of the genre, illuminating its relevance to children's literature and our wider culture

Content is King Gary Graham, Anita Greenhill, Donald Shaw, Chris J. Vargo, 2015-10-22 From the viewpoint of newspaper

organizations the main competitive media has shrunk to only one the internet But the effect of this innovation has been devastating in capturing the vast majority of the advertising revenues on which newspapers have depended The larger the internet based media became the more newspapers and other media shrank Pairing an academic and former industry news manager this textbook assesses the situation in which the regional news media industry finds itself and explores methods processes and techniques which might usefully be introduced to help the news media firm secure a viable future In focusing on newspapers magazines TV and radio the work is filled with real life examples and interviews with news media managers illustrating how management is being conducted in this age of turbulence The goal is to give students practice in solving complex strategic problems and to provide them with a series of intellectual and professional exercises Their method of using case studies will enable students to explore in detail key theoretical issues before applying them to real life management settings

Blast, Corrupt, Dismantle, Erase Brett Josef Grubisic, Gisèle M. Baxter, Tara Lee, 2014-06-16 What do literary dystopias reflect about the times In Blast Corrupt Dismantle Erase contributors address this amorphous but pervasive genre using diverse critical methodologies to examine how North America is conveyed or portrayed in a perceived age of crisis accelerated uncertainty and political volatility Drawing from contemporary novels such as Cormac McCarthy's The Road Neil Gaiman's American Gods and the work of Margaret Atwood and William Gibson to name a few this book examines dystopian literature produced by North American authors between the signing of NAFTA 1994 and the tenth anniversary of 9 11 2001 As the texts illustrate awareness of and deep concern about perceived vulnerabilities ends of water oil food capitalism empires stable climates ways of life non human species and entire human civilizations have become central to public discourse over the same period By asking questions such as What are the distinctive qualities of post NAFTA North American dystopian literature and What does this literature reflect about the tensions and contradictions of the inchoate continental community of North America Blast Corrupt Dismantle Erase serves to resituate dystopian writing within a particular geo social setting and introduce a productive means to understand both North American dystopian writing and its relevant engagements with a restricted mapped reality

Radical Children's Literature K. Reynolds, 2007-04-12 This book reappraises the place of children's literature showing it to be a creative space where writers and illustrators try out new ideas about books society and narratives in an age of instant communication and multi media It looks at the stories about the world and young people the interaction with changing childhoods and new technologies

Representations of Technology in Science Fiction for Young People , Collision of Realities Lars Schmeink, Astrid Böger, 2012-05-29 Even though the fantastic in its most inclusive definition has been a part of our culture for as long as it exists it has not been a prominent feature of European academic interest With its inherent transgressive moment the fantastic allows for an ideal space of the cultural negotiation of political social and physical boundaries which should place it at the center of popular cultural research not as is the case at its periphery But the commencing boom of fantastic themes in contemporary media

production has facilitated a paradigmatic change in research prompting a wide interest in the fantastic in all its forms from fantasy to horror from fairy tale to science fiction This volume addresses this growing interest by reviewing the status of research on the fantastic in Europe so far and by providing a necessary outlook for the future In the essays current trends such as the liminality debate as well as established discourses as for example on genre theory are brought together to show interested researchers a network of interdisciplinary from literary media and social studies approaches towards the fantastic

Flour & Feed ,1920 *Digital and Media Literacy in the Age of the Internet* Mary Beth Hertz,2019-10-22 Today s educators are confronted on a daily basis with the challenges of navigating digital resources tools and technologies with their students They are often unprepared for the complexities of these challenges or might not be sure how to engage their students safely and responsibly This book serves as a comprehensive guide for educators looking to make informed decisions and navigate digital spaces with their students The author sets the stage for educators who may not be familiar with the digital world that their students live in including the complexities of online identities digital communities and the world of social media With deep dives into how companies track us how the Internet works privacy and legal concerns tied to today s digital technologies strategies for analyzing images and other online sources readers will gain knowledge about how their actions and choices can affect students privacy as well as their own Each chapter is paired with detailed lessons for elementary middle and high school students to help guide educators in implementing what they have learned into the classroom *Defending Frequently Challenged Young Adult Books* Pat R. Scales,2016-09-08 A Day No Pigs Would Die Speak Thirteen Reasons Why These are some of the most beloved and most challenged books Leaving controversial titles such as these out of your collection or limiting their access is not the answer to challenges While ALA s Office for Intellectual Freedom reports more than 4 500 challenges to young adult literature from 2000 through 2009 This authoritative handbook gives you the information you need to defend challenged books with an informed response and ensure free access to young book lovers With a profile of each book that includes its plot and characters related materials and published reviews awards and prizes and Web and audiovisual resources you will be prepared to answer even the toughest attacks *The Order and the Other* Joseph W. Campbell,2019-10-08 In the mid to late 2000s the United States witnessed a boom in dystopian novels and films intended for young audiences At that time many literary critics journalists and educators grouped dystopian literature together with science fiction leading to possible misunderstandings of the unique history aspects and functions of science fiction and dystopian genres Though texts within these two genres may share similar settings plot devices and characters each genre s value is different because they do distinctively different sociocritical work in relation to the culture that produces them In *The Order and the Other* Young Adult Dystopian Literature and Science Fiction author Joseph W Campbell distinguishes the two genres explains the function of each and outlines the different impact each has upon readers Campbell analyzes such works as Lois Lowry s *The Giver* and James Dashner s *The Maze Runner* placing dystopian works

into the larger context of literary history He asserts both dystopian literature and science fiction differently empower and manipulate readers encouraging them to look critically at the way they are taught to encounter those who are different from them and how to recognize and work within or against the power structures around them In doing so Campbell demonstrates the necessity of both genres
