Fill Her Up Daly Way Series Book Three By Brynn Paulin English Edition:

Buried Secrets Brynn Paulin, 2018-09-12 I know who you are Someone knows about Ellery's past and they want her to pay Star of the hit TV show Engagements Ellery is racing toward a happily ever after and a life outside the spotlight with her co star Gray The future looks bright That is until threatening messages steal away everything she's spent years building With the cameras still rolling it's time to say goodbye to everything There will be no wedding no happily ever after and no Gray or someone will make sure he dies For his safety Ellery walks away but he's not letting go without a fight a fight that could be to the death

Blood Bought Brynn Paulin, 2022-04-27 For centuries there have been legends of Vampires the fault of one careless Dragon But humans only know part of the story Walking amongst us are Dragons Shape shifters who feed on blood Jonah has hunted Athena for months Waiting Planning Dreaming Now finally finally it's time to claim her No more running No more waiting She's his But Athena isn't having any of this I'm a Dragon and your life's in danger business She plans to fight him every step of the way Dragons are mythical creatures and she certainly isn't mating one of those flying scaly blood sucking creatures Okay so Jonah's not scaly most of the time and he's super hot but that doesn't mean she wants to spend eternity with him Trouble is she can't stop wanting him Neither Jonah the Dragon nor her burning desire for him are mythical Apparently the same is true of the age old battle with the Dragon enemies And if he doesn't make her see reason quickly they both might perish

Blood Mates Brynn Paulin, 2022-04-27 Once upon a time Lucan Aventech thought he was human Then the day of his changing arrived As his skin ignited and he shifted to Dragon form for the first time he was in a horrific accident or so it appeared He survived but everyone including his beloved Meda believed him dead Now that he's finally come to terms with being a Dragon shifter and he's no longer a danger to others he's ready to reclaim his life and reclaim Meda Reigniting the love between them should be easy right But Meda's deep seated anger and pain as she comes to terms with who he is and the fact that he abandoned her makes things far more difficult than Lucan ever imagined

Nevertheless nothing can stop the passion still burning between them Not even the Djinn who wants to claim her as his own Now Lucan has only to convince her that this time is forever

In the Dark Brynn Paulin, 2022-12-16 He came to destroy everything she knows and maybe her too Born with a red mark streaking her cheek Katherine has been hidden her entire life Even after her entire family perished in the plague she did not emerge from behind the castle walls that have always protected her She is safe in her secret rooms Or so she thinks Her illusion of safety comes to an abrupt end when a band of men arrive to the castle She's horrified And terrified And more than a little fascinated by the knight who leads them Calen the Black Intrigued she spies on him from afar until her desire is too great Needing a closer look at him she sneaks into his room Just this once Once is not enough for Calen The gift of Warg castle in the wild north is not a gift at all It is a punishment for his popularity in the King's court Intent on making the best of his new home he sets about making it livable again It is all rather unbearable until a tiny angel invades his locked chamber They find heaven and contentment together for as long as

they remain in the dark But when morning comes she is gone She might think she can get away but Calen did not gain his renown by being defeated He will capture the maiden and she will be his Forever **Runaway Cowgirl** Brynn

Paulin,2018-09-10 Jorie I was in love with him all my life I thought we were best friends I thought he loved me too The day everything changed between us I gave myself to him I thought we d finally be together I was his and he was mine Then I found out it was all a big joke I meant nothing to him Never had That was the day I left Dripping Springs and stopped being silly little Jorie No one would hurt me like that again If I never set foot in Dripping Springs again it would be a day too soon But now my gran is dying and she wants me home She s the only one who ever really mattered to me I can t let her down The question is Do I confront the boy who crushed me or do I move on and pretend it never happened that he meant nothing to me Tough choice He s not hurting me again Nash I know what happened Jorie heard something she shouldn t have but I m not the jerk she thinks I am She left taking my heart with her I tried but I could never find her Never heard another word from her Apparently I meant nothing to this girl For five years I ve hurt and let bitterness settle in I buried myself in saving my family s dying ranch and forgetting her Now things are looking up and I m finally ready to move on But now Jorie s back and I m torn Do I make things right between us or do I keep moving on forget our past and the first love who destroyed my heart Tough choice She s not hurting me again **Grave Destiny** Brynn Paulin,2018-10-19 Zora s new house has a little

problem The original owner never left died whatever He s still claiming ownership of the mansion Now he says Zora is his too It s been a bad two centuries First Bram was cursed to a half life within the walls of his own estate It hasn t been lonely His household staff was bewitched along with him and that might be worse than being almost dead Now the descendant of his grave enemy has been given the home Bram s home Not happening Enough Unacceptable He wants his mansion back He wants his life back And once he sees Zora he wants the woman too Unfortunately the only way Zora can fully belong to Bram is to be cursed to a half life too Even more unacceptable But better a half life than the other choice before them Zora can sacrifice herself and Bram will be free Totally unacceptable Decisions decisions What s a ghost to do The answer is clear to Bram No Way In Hades But his woman she has other ideas **Lynxed** Brynn Paulin,2023-04-20 A plane crash delivers

destiny Lynx shifters Mika Andu and Bar Ra have long awaited one thing a woman who will complete their cluster and suit them perfectly in bed and out They never expected her to fall from the sky Literally Summer was on her way to document life in a far north Alaskan settlement when her plane went down She s stunned when she wakes naked and in the bed of two strangers Not only has she survived the crash but two mouth watering men claim she s their mate She s not so sure about that but a torrid night of sex with them sounds perfect That s not all they ve planned and now she stuck between two hard chests And it might just be forever **Heart of Ice** Brynn Paulin,2022-12-16 The story of the Snow Queen as you ve never

seen it Perhaps she s not quite as wicked as stories have told Kai is perfectly unhappy with his life Forced into a betrothal to save his family he sees nothing good in his future In fact his betrothed seems to hate everything he enjoys especially winter

He can't imagine her scathing words at discovering his dominant nature. It's his secret and she doesn't deserve to know. His prospects look grim until the Queen of Winter arrives. Wyn has spent her life alone living vicariously through those who love winter. One man in particular holds her attention. A shop boy from a small village, a shop boy who's no boy at all. If only she could have him for herself. She sees his nature and craves his dominance but one tiny thing stands in their way. No human can touch her without experiencing icy agony and even death. But once Kai has her in his sights, even the possibility of death won't stand in his way. She might be the queen but when all is said and done, he'll be her king. **Two Plus One** Brynn Paulin, 2022-12-16

Addition has never been so steamy and in this equation 2 + 1. Oh, College math professor Briony Swift lives life on the straight and narrow. After all, one plus one always equals two. There are no surprises in arithmetic. There are no surprises in her life. She likes it that way. Until two of her students, two very male, smoking hot students, show her two plus one might be a better problem to explore. They're volunteering to do that research with her. They'll have it no other way. For Nic and Leo, the time's come to teach the teacher. She might think they're off limits but as far as they're concerned, it's Briony who's off limits to anyone but them. They're claiming her once and for all. So the story problem is this: If two hot men you've wanted from afar approach you and offer your wildest dreams, how long do you wait to take them up on their offer? Friends, story problems never make sense but trust me, the answer is YES. The Billionaire and the Beast Brynn Paulin, 2022-12-16

I've never been a cute, petite little thing. And my stepsister Ella and her friends never let me forget it. In fact, growing up, I always felt like Cricket, the jolly mean giant, not that I'm mean. More like I'm a scapegoat. Now I have one month until I get the heck out of Dodge and escape my family, this city, and all the people who've called me Beast all these years. I'm never coming back. Until then, I just need to avoid my parents, Ella, and the gorgeous billionaire she has her eye on. Not so hard, I know how to fly under the radar. Except he has no interest in my stepsister. No, his eye is on me. He calls me his princess. And there's nothing I can do to escape my fate, especially when Ella discovers his interest. She's determined to prove I'm Cricket, the Beast, again. And maybe I should let her just so I can leave here before I get hurt. Because hot guys like him, they're definitely not into beasts like me.
