Disloyal: A Memoir Michael Cohen,2020-09-08 A 1 New York Times Bestseller I read it cover to cover I did not intend to but I started at the beginning and didn t put it down until it was over Rachel Maddow MSNBC This book almost didn t see the light of day as government officials tried to bar its publication The Inside Story of the Real President Trump by His Former Attorney and Personal Advisor The Man Who Helped Get Him Into the Oval Office Once Donald Trump s fiercest surrogate closest confidant and staunchest defender Michael Cohen knows where the skeletons are buried This is the most devastating business and political horror story of the century As Trump s lawyer and fixer Cohen not only witnessed firsthand but was also an active participant in the inner workings of Trump s business empire political campaign and presidential administration This is a story that you have not read in newspapers or on social media or watched on television These are accounts that only someone who worked for Trump around the clock for over a decade not a few months or even a couple of years could know Cohen describes Trump s racist rants against President Barack Obama Nelson Mandela and Black and Hispanic people in general as well as the cruelty humiliation and abuse he leveled at family and staff Whether he s exposing the fact that Trump engaged in tax fraud by inflating his wealth or electronic fraud by rigging an online survey or outing Trump s Neanderthal views towards women or his hush money payments to clandestine lovers Cohen pulls no punches He shows Trump s relentless willingness to lie exaggerate mislead or manipulate Trump emerges as a man without a soul a man who courts evangelicals and then trashes them panders to the common man but then rips off small business owners a con man who will do or say absolutely anything to win

regardless of the cost to his family his associates or his country At the heart of Disloyal we see how Cohen came under the spell of his charismatic Boss and as a result lost all sense of his moral compass The real real Donald Trump who permeates these pages the racist sexist homophobic lying cheating President will be discussed written about and analyzed for years to come *Dark Horse: A Boxing Manager's Memoir* Adrian Clark,2020-02-02 In the tight knit world of boxing management the winning players go along to get along After learning the ropes from inside the ring Adrian Clark stepped out into an arena where established characters can make or break any challenger In a long wild run with heady wins bruising losses and a well inked passport Clark muscled his way to respect and success This memoir tells how and it s just the beginning

Cage Kings Michael Thomsen, 2023-06-20 A cultural and business history of the UFC tracing the unlikely rise of mixed martial arts from what was derided in the 90s as human cockfighting more violence than sport to a global pop culture phenomenon Senator John McCain once decried mixed martial arts as human cockfighting while the New York Times despaired that the sport offered a pay per view prism onto the decline of western civilization But the violent spectacle of cage fighting no longer feels nearly as scandalous as it did when the sport debuted in 1993 Today it's spoken of reverentially as a kind of human chess played out in real time between two bodies and the UFC is one of the most valuable franchises in the world worth more than any team in the NFL NBA or MLB and equal to what Disney paid to acquire Marvel Comics Once banned in thirty six states and hovering on the edge of bankruptcy the UFC has evolved into a 10 billion industry How did cage fighting go so mainstream A rollicking behind the scenes account of one of the most spectacular upsets in American sports history *Kings of the Cage* follows the desperate fighters audacious promoters fanboy bloggers fatherly trainers philosophical announcers hustling sponsors and three improbable twentysomething corporate titans on a darkly comic odyssey to normalize a new level of brutality in American pop culture

and make a fortune doing so Stylishly written and poignantly observed the book offers a provocative look at how the hollowing out of the American dream over the past three decades and the violence endemic to modern capitalism left us ready to embrace a sport like cage fighting
