New approaches

2nd edition

Foreign Policy Analysis New Approaches

Stephan Liedtke

Foreign Policy Analysis New Approaches:

Foreign Policy Analysis Chris Alden, Amnon Aran, 2013-03 This exciting new book aims to re invigorate the conversation between foreign policy analysis and international relations It opens up the discussion situating existing debates in foreign policy in relation to contemporary concerns in international relations and provide a concise and accessible account of key areas in foreign policy analysis that are often ignored Focusing on how the process of foreign policy decision making affects the conduct of states in the international system and analysing the relationship between policy agency and actors the work examines foreign policy and bureaucracies domestic sources of foreign policy foreign policy and the state foreign policy and globalization foreign policy and change This work builds on and expands the theoretical canvas of foreign policy analysis shaping its ongoing dialogue with international relations and offering an important introduction to the field It is essential reading for all students of foreign policy and international relations

Foreign Policy Analysis Chris Alden, Amnon Arran, 2016-10-04 Building on the success of the first edition this revised volume re invigorates the conversation between foreign policy analysis and international relations It opens up the discussion situating existing debates in foreign policy in relation to contemporary concerns in international relations and provides a concise and accessible account of key areas in foreign policy analysis that are often ignored Focusing on how foreign policy decision making affects the conduct of states in the international system and analysing the relationship between policy agency and actors the volume examines foreign policy and bureaucracies domestic sources of foreign policy foreign policy and the state foreign policy and globalization foreign policy and change Features of the second edition include a wider range of contemporary case studies and examples from around the globe analysis of new directions in foreign policy analysis including foreign policy implementation and the changing media landscape fully updated material across all chapters to reflect the evolving research agenda in the area This second edition builds on and expands the theoretical canvas of foreign policy analysis shaping its ongoing dialogue with international relations and offering an important introduction to the field It is essential reading for all students of foreign policy and international relations

Foreign Policy Analysis Klaus Brummer, Kai Oppermann, 2024 Foreign Policy Analysis is the most systematic thorough guide to core foreign policy approaches drawing insights from international relations and non Western perspectives to provide students with a full understanding of theory Brummer and Opperman put theoretical approaches front and centre without neglecting the rich connection with international relations theories This book challenges Western centric perspectives on foreign policy analysis and reflects the rise of non Western scholarship in the field This edition is available for students and institutions to purchase in a variety of formats The e book offers a mobile experience and convenient access along with functionality tools navigation features and links that offer extra learning support www.oxfordtextbooks.co.uk/ebooks

New Approaches to EU Foreign Policy Maciej Wilga, Ireneusz Pawel Karolewski, 2014-06-05 EU foreign policy once existed in the form of the European Political Cooperation with only a limited

political leverage and symbolic institutional underpinnings In recent years rapid changes have occurred including an expanding institutional apparatus increased responsibility and growing demand for action This book examines new approaches to the EU s foreign policy that address its rapidly changing character presenting the newest theoretical perspectives and dealing with novel empirical developments Rather than simply considering structural variations and changes in the agency of the EU it explores the new complexity in EU foreign policy The authors offer new theoretical perspectives and new empirical studies dealing among others with issues such as Power delegation to the Commission EU diplomacy Parliamentarisation and constitutionalisation Committees involvement in foreign policy process This book will be of interest to students and scholars of European politics European foreign policy and European integration Routledge Handbook of Foreign Policy Analysis Methods Patrick A Mello,Falk Ostermann,2022-12-26 The disintegration and questioning of global governance structures and a re orientation toward national politics combined with the spread of technological innovations such as big data social media and phenomena like fake news populism or questions of global health policies make it necessary for the introduction of new methods of inquiry and the adaptation of established methods in Foreign Policy Analysis FPA This accessible handbook offers concise chapters from expert international contributors covering a diverse range of new and established FPA methods Embracing methodological pluralism and a belief in the value of an open discussion about methods assumptions and diverging positions it provides new state of the art research approaches as well as introductions to a range of established methods Each chapter follows the same approach introducing the method and its development discussing strengths requirements limitations and potential pitfalls while illustrating the method s application using examples from empirical research Embracing methodological pluralism and problem oriented research that engages with real world questions the authors examine quantitative and qualitative traditions rationalist and interpretivist perspectives as well as different substantive backgrounds The book will be of interest to a wide range of scholars and students in global politics foreign policy and methods related classes across the social sciences Chapters 4 25 and 32 of this book are available for free in PDF format as Open Access from the individual product page at www.routledge.com It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license

Foreign Policy Analysis Valerie M. Hudson,Benjamin S. Day,2019-09-03 This succinct yet comprehensive introduction to Foreign Policy Analysis FPA is geared toward advanced undergraduate and beginning graduate students Cogently written clearly organized and filled with illuminating examples the third edition has been thoroughly revised and updated Beginning with an overview of this broad field of study Hudson and Day consider theory and research at multiple levels of analysis including personality and psychology of foreign policy decision makers small group dynamics the organizational process bureaucratic politics domestic politics cultural and societal influences national attributes and system level effects on foreign policy The authors also examine the promise and frustration of theoretical integration in FPA and overview promising new work by non North

American scholars Außenpolitikanalyse Klaus Brummer, Kai Oppermann, 2018-11-05 Die um zwei Kapitel erweiterte Neuauflage diskutiert 12 Theorien der Außenpolitikforschung die in drei Abschnitte untergliedert sind Der erste Teil widmet sich den Großtheorien der Internationalen Beziehungen und arbeitet heraus in welcher Art und Weise diese für die Analyse von Außenpolitik fruchtbar gemacht werden können Der zweite Block diskutiert Erklärungsfaktoren die außenpolitische Entscheidungen auf innenpolitische Einflüsse und Zwänge zurückzuführen Die im dritten Abschnitt des Bandes behandelten Theorien richten ihren Fokus auf psychologische und kognitive Erklärungsfaktoren auf der Ebene individueller außenpolitischer Entscheidungsstrategien Der Band gibt damit den aktuellen Stand der Theorieentwicklung in der Disziplin der Außenpolitikforschung wieder Foreign Policy Analysis Richard L. Merritt, 1975-01-01 Providing the basis of an analytic framework for the study of foreign policy contributors to this volume analyze external and domestic constraints on the options and behavior of a national foreign policy decision system the foreign policy process the formation of a national security policy and deficiencies of foreign policy studies in the United States Originally published in 1975 by D C Heath and Company Co published with the Policy Studies Organization *The Oxford Handbook of Foreign Policy Analysis* Juliet Kaarbo, Cameron Theis, 2024-01-17 The Oxford Handbook of Foreign Policy Analysis repositions the subfield of Foreign Policy Analysis FPA to a central analytic location within the study of International Relations IR Over the last twenty years IR has seen a cross theoretical turn toward incorporating domestic politics decision making agency practices and subjectivity the staples of the FPA subfield This turn however is underdeveloped theoretically empirically and methodologically To reconnect FPA and IR research this handbook links FPA to other theoretical traditions in IR takes FPA to a wider range of state and non state actors and connects FPA to significant policy challenges and debates By advancing FPA along these trajectories the handbook directly addresses enduring criticisms of FPA including that it is isolated within IR it is state centric its policy relevance is not always clear and its theoretical foundations and methodological techniques are stale The Oxford Handbook of Foreign Policy Analysis provides an inclusive and forward looking assessment of this subfield Edited and written by a team of world class scholars and with a preface by Margaret Hermann and Stephen Walker the handbook sets the agenda for future research in FPA and in IR The Oxford Handbooks of International Relations is a twelve volume set of reference books offering authoritative and innovative engagements with the principal sub fields of International Relations The series as a whole is under the General Editorship of Christian Reus Smit of the University of Queensland and Duncan Snidal of the University of Oxford with each volume edited by specialists in the field The series both surveys the broad terrain of International Relations scholarship and reshapes it pushing each sub field in challenging new directions Following the example of Reus Smit and Snidal's original Oxford Handbook of International Relations each volume is organized around a strong central thematic by scholars drawn from different perspectives reading its sub field in an entirely new way and pushing scholarship in challenging new directions **Die Innenpolitik der Außenpolitik** Klaus Brummer, 2013-02-26

Welchen Einfluss haben die Interessen einzelner Regierungsmitglieder auf die Formulierung der Mandate für Auslandseinsätze der Bundeswehr? Bei strukturalistischen Erklärungen deutscher Außenpolitik z.B. auf der Grundlage des Rollenkonzepts der Zivilmacht Deutschland geraten der Einfluss individueller Entscheidungsstrategien sowie innenpolitische Entscheidungsprozesse aus dem Blick. Dieser Band richtet hingegen die maßgeblichen Entscheidungsstrategien innerhalb der Bundesregierung, Bundeskanzler Außenminister und Verteidigungsminister und deren Zusammenspiel im Entscheidungsprozess in den Mittelpunkt der Untersuchung. Auf der Grundlage einer erweiterten Variante des von Graham Allison entwickelten Governmental Politics Modells werden die regierungsinternen Entscheidungsprozesse zu Einsätzen analysiert, die während der Großen Koalition unter Bundeskanzlerin Angela Merkel 2005-2009 neu beschlossen wurden. Hierzu gehören VN geführte Missionen vor der Küste des Libanon UNIFIL und im Sudan UNAMID sowie EU geführte Missionen in der Demokratischen Republik Kongo EUFOR RD Congo und am Horn von Afrika Atalanta.

Professionalization of Foreign Policy Michael Haas, 2023-10-16 This book identifies why presidents prime ministers and other leaders of countries often make blunders in foreign policy. Blunders have been recognized within the study of foreign policy but no central methodology or theory has developed to provide a way to avoid future disasters. Options are often presented to leaders of countries by advisers who do not always assess which policies will best serve national interests. Presidents prime ministers and other leaders of countries then have their legacy judged accordingly. Therefore the book reviews existing efforts at developing theories of foreign policy to determine why they have failed. Instead of allowing a discipline with a lot of competing theories to continue to flounder the book consolidates all approaches and develops a new professional format that will serve to professionalize foreign policy decision making so that fewer key decisions are ever again considered blunders.

Rethinking Foreign Policy Analysis Stephen G. Walker, Akan Malici, Mark Schafer, 2011-01-26 Rethinking Foreign Policy Analysis presents the definitive treatment to integrate theories of foreign policy analysis and international relations addressing the agent centered micro political study of decisions by leaders and the structure oriented macro political study of state interactions in an international system.

Politische Entscheidungsprozesse und multinationale Militäreinsätze Nik Milosevic, 2018-06-11 Deutschland beteiligt sich ausschließlich an multinationalen Militäreinsätzen, die aber immer national entschieden werden. Der Autor analysiert vor diesem Hintergrund die sicherheitspolitischen Entscheidungsstrukturen Deutschlands und ausgewählte Verbündeter hinsichtlich multinationaler Militäreinsätze, vergleicht diese und bietet Handlungsmöglichkeiten zur Bewältigung von ermittelten Herausforderungen und Defiziten an, die zu asynchronen Entscheidungsprozessen mit den Verbündeten führen können.

Iran's Foreign Policy Masoud Kazemzadeh, 2020-11-25 This book analyzes both domestic and international factors that have influenced Iran's foreign policy since 1979. It looks not only at the perspectives of the ruling elite but also of civil society and opposition groups. Furthermore, it also analyzes the interactions among Iran's policies and those of regional and global powers. Since the 1979 revolution, Iran's foreign policy has appeared both threatening and puzzling. Some have described it as

ideological whereby the regime has been attempting to export its Islamist rule to neighbouring countries and challenging the international order Others consider Iran s foreign policy to be primarily pragmatic concerned with survival of the regime and expanding its power not unlike other powers in the system This book attempts to go deeper than most conventional analyses It demystifies Iran s foreign policy by describing in great detail foreign policy decision making in Iran Iran is not a one man dictatorship Rather it is rule by an oligarchy of Shia fundamentalists The regime s ideology has not been cohesive nor has it remained consistent in the past 41 years nor all members of the ruling oligarchy have articulated an identical version of it The book describes foreign policies of various factions and their leading figures as well as analysing their evolutions since 1979 It explains how various intra elite configurations of power have influenced the regime s foreign policy regarding the nuclear weapons program and the relations with the United States Iran s Foreign Policy Elite Factionalism Ideology the Nuclear Weapons Program and the United States adds fresh and critical perspectives on scholarly and policy debates on Iran s foreign policy The chapters in this book were originally published in the following journals Comparative Strategy American Foreign Policy Interests and the Terrorism Law Report Finding Faith in Foreign Policy Gregorio Bettiza,2019-06-04 Since the end of the Cold War religion has become an ever more explicit and systematic focus of US foreign policy across multiple domains US foreign policymakers for instance have been increasingly tasked with monitoring religious freedom and promoting it globally delivering humanitarian and development aid abroad by drawing on faith based organizations fighting global terrorism by seeking to reform Muslim societies and Islamic theologies and advancing American interests and values more broadly worldwide by engaging with religious actors and dynamics Simply put religion has become a major subject and object of American foreign policy in ways that were unimaginable just a few decades ago In Finding Faith in Foreign Policy Gregorio Bettiza explains the causes and consequences of this shift by developing an original theoretical framework and drawing upon extensive empirical research and interviews He argues that American foreign policy and religious forces have become ever more inextricably entangled in an age witnessing a global resurgence of religion and the emergence of a postsecular world society He further shows how the boundaries between faith and state have been redefined through processes of desecularization in the context of American foreign policy leading the most powerful state in the international system to intervene and reshape in increasingly sustained ways sacred and secular landscapes around the globe Drawing from a rich evidentiary base spanning twenty five years Finding Faith in Foreign Policy details how a wave of religious enthusiasm has transformed not just American foreign policy but the entire international system **Foreign Policy in the Twenty-First Century** Christopher Hill,2015-11-02 In the years since 9 11 followed by the wars in Iraq and Afghanistan public attention the world over has been on foreign policy From the United States to Yemen from China to Venezuela the quality of the decisions taken by politicians and diplomats has been under the closest scrutiny What is more with the increased personal mobility created by globalization many individuals and groups now focus as much on international events

as on affairs within their own state Diasporas company managers humanitarian volunteers and other non state actors are aware of the necessity for effective diplomacy to secure the outcomes they hope for This revised and retitled new edition of the author s acclaimed *The Changing Politics of Foreign Policy* provides the concepts and analysis needed to make sense of contemporary developments in this key site of political action It provides a clear and engaging synthesis of what foreign policy means in the twenty first century and shows how it can vary according to regime level of development and geopolitical position Stressing the interplay between context and shared dilemmas it examines how actors including the many non and sub state entities which have developed international strategies engage and attempt to manage their differences within a network of complex multilateral relationships Written by a leading scholar of international renown this new edition has been updated throughout with particular attention given to contemporary issues such as soft power transnational security challenges and the role of regional actors such as the European Union New to this Edition Substantially revised and updated new edition of an extremely influential acclaimed and widely used foreign policy text Updated coverage of events and theory

The External Action of the European Union Sieglinde Gstöhl, Simon Schunz, 2021-03-26 This groundbreaking new textbook offers extensive coverage of EU External Action studies from its major concepts to the key theories in the field Over the past decades the European Union has progressively developed into a significant global actor in an increasing number of policy fields This long awaited volume looks into different ways of conceptualizing the EU as a global actor the processes and impact of EU external action explanations offered by IR and integration theories the discursive normative practice and gender turns and the decentring agenda for EU external action The book offers a reader friendly guidance on these various ways in which to study the EU as a global actor each chapter introduces one concept approach or theory and illustrates its application by a case study of EU external action In drawing the different perspectives together the book underscores that EU External Action Studies is becoming an academic speciality in its own right Written by leading experts the volume will make essential reading for students scholars and practitioners of EU external action EU External Action Studies nowadays attract attention from scholars and students in International Relations IR Foreign Policy Analysis and interdisciplinary EU Studies as well as from practitioners

Die Ölversorgungssicherheitspolitik der USA und der VR China Stephan Liedtke, 2018-12-14 Stephan Liedtke untersucht die weltweite lversorgungssicherheitspolitik der USA und der VR China Er zeigt welche au enpolitischen Ma nahmen die beiden m chtigsten Staaten der Welt einsetzen um ihre lversorgungssicherheit zu erh hen und stabile lpreise die Produktion den Bezug und den sicheren physischen Transport von ausl ndischem l zu f rdern Geleitet wird die empirische Untersuchung durch ein theoretisches Modell f r die Analyse angebotsorientierter Energieau enpolitik das einen ersten Beitrag zur theoretischen Verortung von Energieau enpolitik leistet und k nftig in vergleichbaren Forschungsans tzen f r systematische und theoriegeleitete Studien genutzt werden kann *Human Rights Politics* Michael Krennerich, 2024-05-30 The book offers a comprehensive and clear introduction for students and those

interested in human rights written by a renowned human rights expert It not only provides an introduction to the diversity of issues actors and institutions in human rights policy and politics but also offers assistance and suggestions on how the complex reality of human rights politics can be described and analysed with the help of political science and related disciplines It deals with civil society engagement in human rights as well as state obligations and international efforts to protect human rights This is an open access book *The Role of the Highest Courts of the United States of America and South Africa, and the European Court of Justice in Foreign Affairs* Riaan Eksteen, 2019-06-22 This book deals with what the author considers a sorely neglected question namely the role of the judiciary in states foreign policy processes Eksteen argues that the impact of the judiciary on foreign affairs is understudied and that recognition of its role in foreign affairs is now due This makes it a ground breaking scholarly contribution that should first of all prove of value to students scholars researchers and practitioners in the two broad fields of politics and law for the wide scope of issues it covers and the very comprehensive reference lists it contains Secondly professionals working within politics including members of the legislatures of the United States the European Union and South Africa as well as members of the judiciaries there should find this book of benefit A detailed examination has been undertaken of the role of the United States Supreme Court the two high courts in South Africa namely the Constitutional Court and the Supreme Court of Appeal and the European Court of Justice of the European Union in foreign affairs The author substantiates the unmistakable fact that these Courts have become involved in and influence foreign affairs Furthermore that they have not shied away from using their judicial authority when dealing with cases touching on foreign affairs and especially presidential overreach The lack of recognition of the judiciary's role in foreign affairs is still noticeable in Foreign Policy Analysis FPA literature This book concludes that FPA has to accept and give proper recognition to the judiciary and its increasing relevance in foreign affairs Dr Riaan Eksteen is a Former South African Ambassador residing in Namibia from 1968 1973 he served at the South African Embassy in Washington D C between 1976 1994 he subsequently served as Ambassador and Head of Mission at the U N in New York 1976 81 in Namibia 1990 91 at the U N in Geneva 1992 94 and in Turkey with accreditation also to Azerbaijan Kyrgyzstan Turkmenistan and Uzbekistan 1995 97 He obtained his Ph D from the University of Johannesburg in October 2018
