Office ,2008      Improving Instruction J. Casey Hurley,2021-10-08 This book provides examples of how K 12 teachers and other instructors improve their instruction Their stories illustrate that they do not follow the tenets of the social science improvement paradigm which was proposed by education professors in the 1950s and has been promoted by policymakers since the 1970s Instead these stories illustrate that teachers improve instruction by bringing the six virtues of the educated person to their dealings with students In other words their stories illustrate an aesthetic improvement paradigm      *Video Source Book* ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction      **AV Guide** ,1998      **Bowker's Directory of Videocassettes for Children 1999** R R Bowker Publishing,Bowker,1999-03      **Game Changer** Fergus Connolly,Phil White,2017-09-05 Team sports like football basketball soccer and rugby are hugely popular the world over on both college and professional levels and such popularity means that they are big business Very big Broadcasting rights alone bring in billions ESPN paid 5 6 billion to broadcast college football playoffs for twelve years Turner Sports CBS shelled out 10 4 billion to show the national college basketball tournament through 2024 and the most recent NBA TV deal came in at a cool 26 4 billion As the rewards for winning have increased it s no surprise that sports team budgets have followed suit Sure the athletic program at the University of Texas brought in 161 million last year but the Longhorns also spent 154 million over the same period Fifteen other college athletics program also racked up over 100 million in annual expenses But that s child s play compared to the outgoings at the world s most valuable soccer team Manchester United which spent more than 500 million in 2015 The trouble is that all this spending often fails to yield better results Teams in all sports have tried just about every gimmick to hack their way to better performance But as they ve gotten stuck in stats mired in backroom politics and diverted by the facilities arms race many have lost sight of what should ve been their primary focus all along the game itself In *Game Changer* Fergus Connolly shows how to improve performance with evidence based analysis and athlete focused training Through his unprecedented experiences with teams in professional football basketball rugby soccer Aussie Rules and Gaelic football as well as with elite military units Connolly has discovered how to break down the common elements in all sports to their basic components so that each moment of any game can be better analyzed whether you re a player or a coach The lessons of game day then can be used to create valuable learning experiences in training evaluate the quality of your team s performance and home in on what s working and what isn t *Game Changer* also shows you how to expand training focus from players physical qualities to advance athletes technically tactically and psychologically Connolly s TTPP Model not only helps players continually progress but also stops treating them like a disposable commodity and instead prioritizes athlete health Bringing together the latest evidence based practices and lessons from business psychology biology and many other fields *Game Changer* is the first book of its kind that helps coaches athletes and casual fans Create a cohesive game plan that improves performance through defined objectives strategies and

tactics Put statistical analysis and technology into context so teams can bypass the hype and get meaningful results Identify dominant qualities to maximize during training and limiting factors to improve Create realistic immersive learning experiences for individual players and the entire team that deliver defined outcomes Structure player development with a new holistic model that puts athlete health first and helps reduce the chance of injury and burnout Balance training load so that all players are fresh and ready to play at their best in competition Rethink coaching and organizational leadership and enhance communication group dynamics and player interaction Create a winning team culture
