New Meanings for Ancient Texts Steven L. McKenzie, John Kaltner, 2013-01-01 As newer approaches to biblical criticism become more established and influential it is essential that students and other serious readers of the Bible be exposed to them and become familiar with them That is the main impetus behind the present volume which is offered as a textbook for those who wish to go further than the approaches covered in *To Each Its Own Meaning* by exploring more recent or experimental ways of reading from the introduction This book is a supplement and sequel to *To Each Its Own Meaning* edited by Steven L McKenzie and Stephen R Haynes which introduced the reader to the most important methods of biblical criticism and remains a widely used classroom textbook This new volume explores recent developments in and approaches to biblical criticism since 1999 Leading contributors define and describe their approach for non specialist readers using examples from the Old and New Testament to help illustrate their discussion Topics include cultural criticism disability studies queer criticism postmodernism ecological criticism new historicism popular culture postcolonial criticism and psychological criticism Each section includes a list of key terms and definitions and suggestions for further reading

At the Intersection Thomas Rosteck, 1999-01-01 This provocative volume is based on the premise that cultural studies and rhetorical studies address specific and parallel questions about culture critical practice and interpretation and that opening up a dialogue between them can enhance both and provide a more complete understanding of society Noted scholars across a variety of disciplines examine overlaps and contradictions between these approaches as well as critical and pedagogical issues that surface with their linkage

Visual Public Relations Simon Collister, Sarah Roberts-Bowman, 2018-03-28 This book brings together a broad and diverse range of new and radical approaches to public relations focussing on the increasingly vital role that visual sensory and physical elements factors play in shaping communication Engaging with recent developments in critical and cultural theories it outlines how non textual and non representational forces play a central role in the efficacy and reception of public relations Challenging the dominant accounts of public relations which center on the purely representational uses of text and imagery the book critiques the suitability of accepted definitions of the field and highlights future directions for conceptualizing strategic communication within a multi sensory environment Drawing on the work of global researchers in public relations visual culture and communication design and cultural theory it brings a welcome inter disciplinary approach which pushes the boundaries of public relations scholarship in a global cultural context This exciting analysis will be of great interest to public relations scholars advanced students of strategic communication as well as communication researchers from cultural media and critical studies exploring PR as a socio cultural phenomenon

Critical Multimodal Studies of Popular Discourse Emilia Djonov, Sumin Zhao, 2013-09-23 Studies of multimodality have significantly advanced our understanding of the potential of different semiotic resources verbal visual aural and kinetic to make meaning and allow people to achieve various social purposes such as persuading entertaining and explaining Yet little is known about the role that individual nonverbal resources and their interaction with language and with each other play in concealing and supporting or drawing attention to and subverting social boundaries and inequality political or commercial agendas This volume brings together contributions by prominent and emerging scholars that address this gap through the critical analysis of multimodality in popular culture texts and semiotic practices It connects multimodal analysis to critical discourse analysis demonstrating the value of different approaches to multimodality for building a better understanding of critical issues of central interest to discourse analysis semiotics applied linguistics education cultural and media studies

Blind Men and Elephants Arthur Asa Berger, 2011-12-31 In *Blind Men and Elephants* Arthur Asa Berger uses case histories to show how scholars from different disciplines and scholarly domains have tried to describe and understand humor He reveals not only the many approaches that are available to study humor but also the many perspectives toward humor that characterize each discipline Each case history sheds light on a particular aspect of humor making the combination of approaches of considerable value in the study of social research Among the various disciplines that Berger discusses in relation to humor are communication theory philosophy semiotics literary analysis sociology political science and psychology Berger deals with these particular disciplines and perspectives because they tend to be most commonly found in the scholarly literature about humor as well as being those that have the most to offer *Blind Men and Elephants* covers a wide range of humor from simple jokes to the uses of literary devices in films Berger observes how humor often employs considerable ridicule directed at diverse groups of

people women men animals politicians African Americans Jews Catholics Protestants gay people straight people and so forth The book also explains the risk factor in ridicule as a humorous device Blind Men and Elephants depicts how one entity or one situation can be viewed in as many different ways as the number of people studying it Berger also shows how those multiple perspectives the Rashomon Effect can be used together to create a clearer understanding of humor Blind Men and Elephants is a valuable companion to Berger's recent effort about humor An Anatomy of Humor and will be enjoyed by communication and information studies scholars sociologists literary studies specialists philosophers and psychologists

Gender, Race, and Social Identity in American Politics Lori L. Montalbano, 2019-08-26 Gender Race and Social Identity in American Politics The Past and Future of Political Access explores the ways in which cultural expression is represented in American politics as it intersects with issues of gender race and the construction of social identity Specifically this body of work examines how representations in the media and larger culture can establish and diminish the status of diverse communities of American politicians Contributors analyze the rhetorical and performative changes that have occurred in America as it has shifted politically from growing acceptance and tolerance to an obscure and often hostile conservative ideology This book contributes to the growing dialogue surrounding American politics by citing specific cases of gender and race based infringements of the current political system as purported by media and party players This book will be especially useful to scholars of political science media studies gender studies and critical race studies **Woman President** Kristina Horn Sheeler, Karrin Vasby Anderson, 2013-09-01 What elements of American political and rhetorical culture block the imagining and thus the electing of a woman as president Examining both major party and third party campaigns by women including the 2008 campaigns of Hillary Clinton and Sarah Palin the authors of Woman President Confronting Postfeminist Political Culture identify the factors that limit electoral possibilities for women Pundits have been predicting women's political ascendancy for years And yet although the 2008 presidential campaign featured Hillary Clinton as an early frontrunner for the Democratic presidential nomination and Sarah Palin as the first female Republican vice presidential nominee no woman has yet held either of the top two offices The reasons for this are complex and varied but the authors assert that the question certainly encompasses more than the shortcomings of women candidates or the demands of the particular political moment Instead the authors identify a pernicious backlash against women presidential candidates one that is expressed in both political and popular culture In Woman President Confronting Postfeminist Political Culture Kristina Horn Sheeler and Karrin Vasby Anderson provide a discussion of US presidentiality as a unique rhetorical role Within that framework they review women's historical and contemporary presidential bids placing special emphasis on the 2008 campaign They also consider how presidentiality is framed in candidate oratory campaign journalism film and television digital media and political parody *¡Sí, Ella Puede!* Stacey K. Sowards, 2019-03-01 A valuable analysis of the speeches letters and interviews of the United Farm Workers cofounder and Latina activist Aztlán A Journal of Chicano Studies Since the

1950s Latina activist Dolores Huerta has been a fervent leader and organizer in the struggle for farmworkers rights within the Latina o community A cofounder of the United Farm Workers union in the 1960s alongside Cesar Chavez Huerta was a union vice president for nearly four decades before starting her own foundation in the early 2000s She continues to act as a dynamic speaker passionate lobbyist and dedicated figure for social and political change but her crucial contributions and commanding presence have often been overshadowed by those of Chavez and other leaders in the Chicana o movement In this new study Stacey K Sowards closely examines Huerta s rhetorical skills both in and out of the public eye and defines Huerta s vital place within Chicana o history Referencing the theoretical works of Pierre Bourdieu Chela Sandoval Gloria Anzald a and others Sowards closely analyzes Huerta s speeches letters and interviews She shows how Huerta navigates the complex intersections of race ethnicity gender language and class through the myriad challenges faced by women activists of color Sowards s approach to studying Huerta s rhetorical influence offers a unique perspective for understanding the transformative relationship between agency and social justice

21st Century Communication: A Reference Handbook
William F. Eadie, 2009-05-15 Via 100 entries or mini chapters the SAGE 21st Century Reference Series volumes on Communication will highlight the most important topics issues questions and debates any student obtaining a degree in the field of communication ought to have mastered for effectiveness in the 21st Century The purpose is to provide undergraduate majors with an authoritative reference source that will serve their research needs with more detailed information than encyclopedia entries but not as much jargon detail or density as a journal article or a research handbook chapter

A Pedagogy of Possibility Kay Halasek, 1999 In a book that itself exemplifies the dialogic scholarship it proposes Kay Halasek reconceives composition studies from a Bakhtinian perspective focusing on both the discipline s theoretical assumptions and its pedagogies Framing her discussions at every level of the discipline theoretical historical pedagogical Halasek provides an overview of portions of the Bakhtinian canon relevant to composition studies explores the implications of Mikhail Bakhtin s work in the teaching of writing and for current debates about the role of theory in composition studies and provides a model of scholarship that strives to maintain dialogic balance between practice and theory between composition studies and Bakhtinian thought Halasek s study ranges broadly across the field of composition painting in wide strokes a new picture of the discipline focusing on the finer details of the rhetorical situation and teasing out the implications of Bakhtinian thought for classroom practice by examining the nature of critical reading and writing the efficacy and ethics of academic discourse student resistance and critical and conflict pedagogy The book ends by setting out a pedagogy of possibility what Halasek terms elsewhere a post critical pedagogy that redefines and redirects current discussions of home versus academic literacies and discourses
