The Richest Engineer Abhishek Kumar,2017-01-01 This is a very good book on managing personal finance It gives clear principles to follow which enable individuals to accumulate wealth by investing his or her income properly Sitaram Jindal Chairman and Managing Director Jindal Aluminium Ltd Have you ever wondered why some people get rich easily while others struggle financially all their lives Is the difference because of their educational qualifications or their choice of jobs business or investments Is it that luck has favoured them selectively while bypassing the vast majority of people Is it that they have special skills and are far more intelligent than others The Shocking Answer is None of the above In his maiden novel Abhishek Kumar reveals the timeless wisdom of wealth creation and accumulation and

shows how anybody no matter where they stand in life at this time can become a millionaire The rules provided in book are not a get rich quick formula but they do guide the reader to financial independence which can be achieved on nothing more than an average salary Through fictional conversations between two friends Vinay the financial wizard and Ajay his college mate you will learn exactly what has been stopping you from becoming rich and how you can change yourself to live the life you always dreamt of a life of wealth abundance and financial freedom *Rules of the Rich* Tom Corson-Knowles,2014-01-12

Financial success is possible if you're willing to learn the Rules of the Rich learn how to kick fear in the butt and achieve your goal now You don't have to wait to get rich until you're too old to enjoy spending your money It takes only three to five years using the wealth creating strategies in this book to create a small fortune and early retirement if that's what you want Certainly some industries require heavy capital investments upfront like oil and gas exploration or industrial manufacturing but almost any other business can be started with 1 000 or less Great entrepreneurs understand that you can pre sell almost any product and collect the money upfront Then once you have the cash you can build the product and deliver it to your customers This is how massive companies can be started with little or no cash just look at the histories of Fortune 500 companies like Apple Microsoft or Whole Foods Thanks to our new networked economy technology and opportunities anyone from anywhere in the world can start a business for less than 1 000 and turn it into a successful wealth producing company in just a few short years What's holding them back from starting one now It's fear the kind of fear that makes you keep your mouth closed when you wish you could speak up and ask for what you really want It's the fear that stops you from moving forward in life and achieving the wealth and success you deserve And there's only one thing that will conquer your fear commitment to your own success Discover why the old rules of financial security and retirement are broken and learn the new rules that will save you from the financial ruin so many Americans face In this life changing book entrepreneur Tom Corson Knowles shares his secrets to lasting business and financial success passed down by hundreds of entrepreneurs and millionaire mentors *If You Want to Be Rich and Happy, Don't Go to School?* Robert T. Kiyosaki,Marji Trued Collins,1992

Argues that current education systems undermine children's potential and produce adults who are professionally and financially crippled Author draws on his own experience as an entrepreneur and a teacher of high speed teaching methods for business First published in the US by The Excellerated Learning Institute 1992
