space warrior race to fulfill an ancient prophecy and save the world in this magical blend of science fiction and fantasy romance Fashion designer Jennifer Dyhr lands a job as costumer for a video game commercial being filmed in Japan When

their lead actor fails to show Jen accepts responsibility since she'd recommended him for the role. A hunky replacement arrives but her relief is short lived. Paz Hadar claims he's a space warrior sent to save Earth from an alien invasion. Space ops warrior Paz Hadar has fallen through a spatial rift onto Jen's film set. He recognizes her as one of the legendary Earth women whose powers can defeat the enemy. The invaders known as Trolleks have opened a portal to access other worlds and Paz's job is to shut it down. Jen doesn't believe Paz's earnest insistence that he's telling the truth until alien soldiers attack them on the flight home and they're stranded on a remote island. As they struggle to stay one step ahead of the enemy she discovers that fighting her attraction to the dashing Drift Lord is as much a challenge as staying alive.

Finalist in the Carolyn Reader's Choice Awards
Finalist in the RomCon Reader's Crown Awards
Cohen's futuristic paranormal romance series blends aspects of science fiction with magic and mythology then tops it off with steamy sexy scenes that are so hot you will need a fan and a mint julep drink to cool off. I love the Drift Lords so much I dream of having one of my own.

Manic Readers Fantabulous book I really enjoyed this unusual mix of sf and fantasy romance. The pace of book was excellent the secondary characters were distinctive.

RomCon Paz and Jen spent much of their journey getting to know each other. It had a Romancing the Stone feel to it that I really liked.

Musings and Ramblings This is a book you will devour in one fell swoop.

Nancy J Cohen has created a very realistic world with characters you cannot help but love.

Faerie Tale Books Romance Fantasy Sci Fi all rolled up into one neat package that keeps you on the edge of your seat. There's a good dose of humor and passion with a satisfying ending.

What really appealed to me was the present day setting.

Highly recommended

Shakespeare's Theatre of War Nicholas de Somogyi,2016-12-05 The period between 1585 when Elizabeth formally committed her military support to the Dutch wars against Spain and 1604 when James at last brought it to an end was one in which English life was preoccupied by the menace and actuality of war The same period spans English drama s coming of age from Tamburlaine to Hamlet In this thought provoking book Nick de Somogyi draws on a wide range of contemporary military literature news letters and war treatises maps and manuals to demonstrate how deeply wartime experience influenced the production and reception of Elizabethan theatre In a series of vivid parallels the roles of soldier and actor the setting of battlefield and stage and the context of playhouse and muster are shown to have been rooted in the common experience of war The local armoury served as a props department the stage as a military lecture hall News from the front line has always been shrouded in the fog of war Shakespeare s Rumour is here seen as kindred to such equally dubious messengers as his Armado Falstaff or Pistol soldiers have always told tall tales military ghost stories that are here shown to have seeped into such narratives as The Spanish Tragedy and Henry V This book concludes with a sustained account of Hamlet a play which both dramatises the Elizabethan context of war fever and embodies in its three variant texts the war and peace that shaped its production By affording scrutiny to each of its title s components Shakespeare s Theatre of War provides a compelling argument for reassessing the drama of Shakespeare and his contemporaries within the enduring context of the military culture and wartime experience of his age
