Connors, Roberta Seelinger Trites, 2025-03-17 In the twenty first century the influence of neoliberalism the belief that society benefits when both individuals and corporations are free to maximize their talents in the service of responding to social needs and problems resonates through all domains of human life And yet little critical study has been given to the reproduction of a neoliberal

social order in YA literature Neoliberalism and Young Adult Fiction Exceptionalism Exploitation and Erasure examines how some YA literature naturalizes neoliberalism in positioning teenagers as self enclosed competitive individuals At the same time however the authors also examine other YA novels as potential sites of resistance that acknowledge teenagers agency to reject neoliberalism s destructive impulses and to work for social justice and equality through collective action With that in mind the authors of Neoliberalism and Young Adult Fiction analyze such concepts as how the exceptionality of specific characters who embody neoliberal ideals leads to self enclosed individualism and how environmental exploitation and consumerism lead to destructive effects The book progresses to an in depth examination of how racism undergirds US neoliberalism and environmental exploitation From scrutinizing racism and the rejection of neoliberalism inherent in the antiracism movement the study turns to an examination of gender specifically focusing on the relationship between sexism exploitation and embodied rejections of patriarchal thinking Indeed erasure is implicated in racism sexism and all forms of discrimination that are borne of exploitation Finally youth activism with its rejection of neoliberal ideologies leads to a culminating chapter about how global youth link YA literature to their protest movements
