

English Language Paper 1

Question 1

- ✓ Question 1 is worth 4 marks and you should spend around 4 minutes on it.
- ✓ Use only the lines that you are told to work from.
- ✓ Read through the text carefully and identify exactly what exactly the question is asking you.
- ✓ Write in full sentences.
- ✓ Quotes are not necessary.
- ✓ Pick out the most obvious points that relate very clearly to the question.
- ✓ You can copy lines straight from the extract.

When Andy came to Shawshank in 1948, he was thirty years old. He was a short neat little man with sandy hair and small, clever hands. He wore gold-rimmed spectacles. His fingernails were always clipped, and they were always clean. That's a funny thing to remember about a man, I suppose, but it seems to sum Andy up for me. He always looked as if he should have been wearing a tie. On the outside he had been a vice-president in the trust department of a large Portland bank. Good work for a man as young as he was, especially when you consider how conservative most banks are... and you have to multiply that conservatism by ten when you get up into New England, where folks don't like to trust a man with their money unless he's bald, limping, and constantly plucking at his pants to get his trunks around straight. Andy was in for murdering his wife and her lover.

Task

Pick out 4 things you learn about Andy

- 1.
- 2.
- 3.
- 4.

Question 2

This is about identifying the writer's use of language and how they create meaning, what language techniques have been used and how the reader is influenced.

- ✓ As well as language techniques such as metaphors and similes, you can comment on individual words, the punctuation or the sentence structure.
- ✓ To do well, identify different layers of meaning

Task

Complete the grid to revise the types of techniques that you might be presented with in this extract.
