

FREE CCAT PRACTICE TEST WITH SOLUTIONS

This simulation contains 30-questions and you have 9-minutes to try to answer all of them. The style of the questions and their level corresponds exactly to the original CCAT that you will need to pass for your recruitment.

For this free test, you need to answer correctly as fast as possible, because you only have 18 seconds per question, as with [the real CCAT](#). If you don't know how to answer a question, don't get stuck on it and move on to the next question. Don't answer the questions randomly, as you may be able to go back to them in case you have time left.
