## **What Hedge Funds Really Do Mallyouore:**

Summary of Philip J. Romero & Tucker Balch's What Hedge Funds Really Do Everest Media,2022-05-13T22:59:00Z

Please note This is a companion version not the original book Sample Book Insights 1 This book is for two types of students economics and finance students interested in what quants do and software specialists interested in applying their skills to programming trading systems It provides a basic understanding of investing and portfolio management then dives into the computational details of how to automate trading strategies 2 The financial markets are a growing powerful and little known industry This book will help you understand the markets you cover and the techniques that built their power 3 The goal of this book is to present the essential concepts for quantitative fund management We will assume that you want to manage a fund and we will focus on stocks in the U S markets 4 Economies grow by applying accumulated capital along with other resources to produce increasing amounts of goods and services Capital is accumulated from the savings of households when they do not consume all of their income Savings are invested in financial instruments if they can offer an attractive return

*What Hedge Funds Really Do* Phillip Romero,Tucker Balch,2014-08 What Hedge Funds Do provides a needed complement to journalistic accounts of the hedge fund industry to deepen the understanding of non specialist readers such as policymakers journalists and individual investors What do hedge funds really do These lightly regulated funds continually innovate new investing and trading strategies to take advantage of temporary mispricing of assets when their market price deviates from their intrinsic value These techniques are shrouded in mystery which permits hedge fund managers to charge exceptionally high fees While the details of each funds approach are carefully guarded trade secrets this book draws the curtain back on the core building blocks of many hedge fund strategies Beyond the book s instructional goals What Hedge Funds Do provides a needed complement to journalistic accounts of the hedge fund industry to deepen the understanding of non specialist readers such as policymakers journalists and individual investors It is written by a fund practitioner and computer scientist Balch in collaboration with a public policy economist and finance academic Romero
