What If I Had Never Tried It:

If You Never Try, You Will Never Know SAHIL MEHTA,2017-06-13 Robin who gets inspired by his mother to become a musician is forced by his father to pursue the education needed to join their family business This compels him to leave home at the age of eighteen to follow his dreams In few months of independent living his over ambitious dreams turn into an obsession which gets even more intense when he falls into a drug addiction and mysteriously unleashes a new side to his life During this journey he meets Aisha They talk play and fall in love Her exquisite beauty defines the melody of his musical journey as they both fall deep in love with each other But Robin s obsession with his dream and a struggling career become an obstacle in their relationship Is their love strong enough to overcome complexities During these tumultuous times Robin s flat mate Jordan begins to motivate him to follow his heart Jordan becomes his philosopher and guru but not for very long what makes Robin lose trust in him Discover how he finds a spiritual path after being disheartened during his struggle to achieve success Amidst the ups and downs in his career love and life find out what destiny holds for Robin Will he find success in music industry or will he end up joining his father s business Experience a thrilling story that will inspire you to believe in your love and dreams

A Language Management Approach to Language Problems Goro Christoph Kimura,Lisa Fairbrother,2020-05-20 In recent years there has been increased interest in examining the treatment of language problems across different levels of society ranging from individual interactional issues to language policy and planning at the national or supra national level Among the various approaches to tackle this issue Language Management Theory LMT provides a framework to address behaviour towards language problems on different levels explicitly and comprehensively Using LMT as a unifying theoretical concept the chapters in this volume examine the links between micro and macro dimensions in their analyses of a variety of language problems in Asian and European contexts This body of work illustrates that the LMT framework is able to show the characteristics of different dimensions clearly especially when combined with a conceptualization of the micro and macro as a continuum of intertwining elements This volume will appeal both to those interested in language policy and planning as well as those interested in interaction between speakers from different language backgrounds
