Gender(ed) Identities Tricia Clasen, Holly Hassel, 2016-08-25 This volume brings together diverse cross disciplinary scholarly voices to examine gender construction in children s and young adult literature It complements and updates the scholarship in the field by creating a rich cohesive examination of core questions around gender and sexuality in classic and contemporary texts By providing an expansive treatment of gender and sexuality across genres eras and national literature the collection explores how readers encounter unorthodox as well as traditional notions of gender It begins with essays exploring how children s and YA literature construct communities formed by gender ethnicity sexuality and in face to face and virtual spaces Section II s central focus is how gendered identities are formed unpacking how texts for young readers ranging from Amish youth periodicals to the blockbuster Divergent series trace reproduce and shape gendered identity socialization In section III the essential literary function of translating trauma into narrative is addressed in classics like Anne of Green Gables and Pollyanna as well as more recent works Section IV s focus on sexuality and romance encompasses fiction and nonfiction works examining how children s and young adult literature can serve as a regressive progressive and transgressive site for construction meaning about sex and romance Last Section IV offers new readings of paratextual features in literature for children from the classic tale of Cinderella to contemporary illustrated novels The key achievement of this volume is providing an updated range of multidisciplinary and methodologically diverse analyses of critically and commercially successful texts contributing to the scholarship on children s and YA literature gender sexuality and women s studies and a range of other disciplines

Teaching Comics Through Multiple Lenses Crag Hill, 2016-08-05 Building off the argument that comics succeed as literature rich complex narratives filled with compelling characters interrogating the thought provoking issues of our time this book argues that comics are an expressive medium whose moves structural and aesthetic may be shared by literature the visual arts and film but beyond this are a unique art form possessing qualities these other mediums do not Drawing from a range of current comics scholarship demonstrating this point this book explores the unique intelligence s of comics and how they expand the ways readers engage with the world in ways different than prose or film or other visual arts Written by teachers and scholars of comics for instructors this book bridges research and pedagogy providing instructors with models of critical readings around a variety of comics

Portrait of the Artist as a Young Adult Lois Thomas Stover, Connie S. Zitlow, 2013-10-30 Young adults often struggle with confusion or guilt because they perceive themselves as different from

others especially their peers For some of these individuals the arts can help them cope with adolescent turmoil allowing them to express their emotions in poems stories painting songs and other creative outlets Sensitive teachers and parents know how important it is for young people to realize that they are not alone in their quest for self knowledge and finding their way in the world It can make a difference when readers find something in a book that helps them understand more about who they are and helps them understand others In *Portrait of the Artist as a Young Adult* The Arts in Young Adult Literature Lois Thomas Stover and Connie S Zitlow examine books in which the coming of age for young adults is influenced by the arts Stover and Zitlow consider the connection between the arts and a young person s developing sense of self the use of art to cope with loss and grief and how young adults can use art to foster catharsis and healing The young people in these books either identify as artists or use the arts in intentional ways to explore their identities They often have artistic gifts that make them stand outside the norms of teenage life yet those gifts also help them find a sense of community Artists considered in this book include painters photographers sculptors actors directors choreographers dancers composers musicians graffiti artists and others The books discussed also explore the ways adults can nurture the artist s development and understand the way young people sometimes use the arts to form their unique identity Included is an annotated bibliography organized by art discipline as well as an appendix about using the arts pedagogically making *Portrait of the Artist as a Young Adult* a valuable resource for educators parents librarians and young adults
