**India's Shakespeare** Poonam Trivedi And Dennis Bartholomeusz, Poonam Trivedi, 2005 **Modern Indian Literature, an Anthology: Surveys and poems** K. M. George, 1992 This is the first of three volume anthologies of writings in twenty-two Indian languages including English that intends to present the wonderful diversities of themes and genres of Indian literature. This volume comprises representative specimens of poems from different languages in English translation along with perceptive surveys of each literature during the period between 1850 and 1975 **Bollywood Shakespeares** C. Dionne, P. Kapadia, 2015-12-17 Here essays use the latest theories in postcolonialism, globalization and post-nationalism to explore how world cinema and theater respond to Bollywood's representation of Shakespeare. In this collection Shakespeare is both part of an elite Western tradition and a window into a vibrant post-national identity founded by a global consumer culture **Shakespeare's cinema of love** R. S. White, 2016-10-03 This engaging and stimulating book argues that Shakespeare's plays significantly influenced movie genres in the twentieth century, particularly in films concerning love in the classic Hollywood period. Shakespeare's green world has a close functional equivalent in Tinseltown and on the silver screen as well as in hybrid genres in Bollywood cinema. Meanwhile Romeo and Juliet continues to be an enduring source for romantic tragedy on screen. The nature of generic indebtedness has not gained recognition because it is elusive and not always easy to recognise. The book traces generic links between Shakespeare's comedies of love and screen genres such as romantic comedy, screwball comedy and musicals as well as clarifying the use of common conventions defining the genres such as mistaken identity, errors of disguise and shrew taming. Speculative, challenging and entertaining, the book will appeal to those interested in Shakespeare movies and the representation of love in narratives **The Radheshyam Ramayan in Text and Performance** Pamela Lothspeich, 2025-07-29 A new Ramayan for a new age. In the early twentieth century the poet and singer-storyteller Pandit Radheshyam Kathavachak reimagined and published the classic story of the Ramayan with stunning success. Guided by Tulsidas's sixteenth-century Ramcharitmanas, Avadhi Kathavachak composed his religious epic, the Radheshyam Ramayan, in Hindi-Urdu to make it comprehensible to modern audiences and to be able to sing and explicate it in devotional concerts. Even so, the work was quickly incorporated into the scripts of annual Ramlila theatrical productions in the Rohilkhand region and beyond. Based on extensive literary, archival and ethnographic research, The Radheshyam Ramayan in Text and Performance takes readers on a journey through Kathavachak's hometown of Bareilly and his cosmopolitan world of Hindi letters and performance. The book demonstrates how Kathavachak's Ramayan, a purported translation, departs significantly from Tulsidas's famous Ramayan and includes personal vignettes of actors who have declaimed Kathavachak's verses on a Ramlila stage in Bareilly. While Kathavachak is primarily known for his mythological plays and contributions to the commercial theatre, The Radheshyam Ramayan in Text and Performance reveals other aspects of Kathavachak's world, illustrating how he left an indelible mark on India's distinctive epic modernity , **A History of**

**Indian Literature: 1911-1956, struggle for freedom : triumph and tragedy** Sisir Kumar Das, 2005 Presents the Indian literatures not in isolation in one another but as related components in a larger complex conspicuous by the existence of age old multilingualism and a variety of literary traditions

**Elementary Aspects of the Political** Prathama Banerjee, 2021-01-04 Prathama Banerjee moves beyond postcolonial and decolonial critiques of European political philosophy to rethink modern conceptions of the political from the perspective of Indian and Bengali practices and philosophies from the late nineteenth and early twentieth centuries

**Gender, Religion, and Modern Hindi Drama** Diana Dimitrova, 2008-03-19 Diana Dimitrova studies the representation of gender and religion in Hindi drama from its beginnings in the second half of the nineteenth century until the 1960s the period when urban proscenium Hindi theatre which originated under Western influence matured and thrived Her focus is on how different religious and mythological models pertaining to women have been reworked in Hindi drama and whether the seven representative dramatists discussed in this book present conservative or liberating Hindu images of the feminine She examines how the intersections of gender religion and ideology account for the creation of the canon of modern Hindi drama specifically the assertion of a conservative interpretation of orthodox Hindu images of the feminine as well as the exclusion of dramatists who introduce innovative liberating images of the feminine The overt reason for the negative attitude toward this innovative representation of gender is that it is perceived as Western and thus non Indian By contrast the author's analysis of Hindu mythology religion and theatre history reveals that the new interpretation of gender is deeply embedded in Hindu tradition and is thus both Hindu Indian and modernist Western in character
