**Thinking in the Spirit** Douglas Jacobsen, 2003-11-20 This book is about the boisterous beginnings of the American Pentecostal movement and the ideas that defined that movement during those formative years It follows a group of men who rethought the Christian faith in light of their new experience of God Thinking in the Spirit aims to provide scholars and

general readers who know little or nothing about Pentecostalism with an introduction to the ideas of the movement's most articulate early spokespersons and to provide Pentecostals with a non-judgmental historical source to help them in their theological reflections. Douglas Jacobsen focuses on the individuals who formed the original brain trust of this now gigantic religious movement. In a 25-year burst of creative energy at the beginning of the 20th century, these leaders articulated almost all the basic theological ideas that continue to define the Pentecostal message in the United States and around the world.

**The Word, the Name, the Blood** Joyce Meyer, 2008-11-16 God has given us the weapons we need to keep Satan in his rightful place of defeat. Let's face it: we are living during the last days before the glorious return of Jesus Christ. Satan knows his days are numbered and he is launching his most violent attacks against the children of God. But God has not left us defenseless against these attacks. He has provided us with powerful weapons to overcome the enemy. Joyce Meyer examines the scriptural principles that govern our authority as believers. In this book, she uncovers the keys of building a strong foundation in the Word of God, correctly using the authority of the name of Jesus and understanding the power we have through the blood of Jesus. God does not intend for you to spend all your time fighting and rebuking the enemy. He wants you to enjoy a life of freedom and complete liberty. By using the principles outlined in this book, you will learn how to effectively use the weapons God has given you to live a victorious life. You will learn: How to be changed by the power of the Word. How to wield the weapon of the Word. How to exercise authority in the name of Jesus. The power of the blood covenant. Why Satan is afraid of the blood of Jesus. Be an overcomer through the Word, the Name, the Blood.

**The Spirit, Indigenous Peoples and Social Change** Michael J. Frost, 2018-11-05 In *The Spirit, Indigenous Peoples and Social Change*, Michael Frost explores a Pentecostal theology of social engagement in relation to Māori in New Zealand. Pentecostalism has had an ambiguous relationship with Māori and, in particular, lacks a robust and coherent theological framework for engaging in issues of social concern. Drawing on a number of interviews with Māori Pentecostal leaders and ministers, Frost explores the transformative role of Pentecostal experience for Māori cultural identity, a holistic theology of mission, an indigenous prophetic emphasis, and consequent connections between Pentecostalism and liberation. He thus contributes a way forward for Pentecostal theologies of social change in relation to Māori with implications for Pentecostalism and indigenous peoples in the West.

**The 'Spiritual Death' of Jesus** William Atkinson, 2009-03-16 The teaching of Kenyon Hagin and Copeland that Jesus died spiritually is important because of the influence of these men, not least on Pentecostalism. This title states that adoption of JDS by Pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional Christianity.

**Prosper Your Soul, Beloved** Vicki Heymann, 2020-12-03 Beloved, I pray that you may prosper in all things and be in health, just as your soul prospers. 3 John 2 NKJV. It has been a dream of mine to prosper financially using biblical principles. I prayed about it, and then one morning the Lord told me that it was time and that He would teach me. He instructed me to wait on Him every morning and to write down the things He taught me. I followed His instructions, guidance,

and wisdom writing it all down for a full year This book is the result of our time together To my surprise this became a book of many books The Lord would guide me to a specific book teach me from it and then move on to the next book It was totally supernatural As I followed the leading of the Lord it became clear to me that God was taking me on a year long journey of prospering my soul which in turn would influence my financial situation I learnt that I could not prosper in any given area unless my soul prospered in that area too hence the book s title This book takes many twists and turns and even has a few surprises Did I reach my goal of financial prosperity You have to read it to find out

Book 6 Biblical Faith PB Kurt Jurgensmeier, 2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God s commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S

Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason

Ackerley, 2015-10-23 Many twenty first century evangelical charismatics in Britain are looking for a faith that works They want to experience the miraculous in terms of healings and God sent financial provision Many have left the mainstream churches to join independent charismatic churches led by those who are perceived to have special insights into faith and to teach principles that will help believers experience the miraculous But all is not rosy in this promised paradise and when people are not healed or they remain poor they are often told that it is because they did not have enough faith or are too negative This study seeks to discover the origin of the principles that are taught by some charismatic leaders Ackerley identifies them as the same ideas that are taught by the positive confession health wealth and prosperity movement originating in the United States The origins of the ideas are traced back to New Thought metaphysics and its background philosophies of subjective idealism and American pragmatism These principles were imported into the UK through contact between British leaders and those influenced and trained by American word of faith teachers The author seeks to explain the persuasiveness of such teachers through examining case studies He suggests their miracles may well have social and psychological explanations rather than divine origins
