Essays on World Religious Thoughts Hyacinth Kalu, 2011-06-13 This book is a collection of essays on religious thoughts across various religious traditions and belief systems in the world. It covers essays on Hinduism, Buddhism, Christianity, Islam, African Traditional Religion, Mythology, and Philosophy of Religion from a comparative perspective. It offers the reader an insight into the thoughts of these religions where they relate to each other and how they differ from each other because of many factors which include cultural background. An understanding of this nature is very important in interfaith, interreligious, and intra religious relationships aimed at fostering better understanding and appreciation of our diversities towards building harmonious relationships among followers of various religions, thereby reducing religious global tensions occasioned by intolerance, misunderstanding, and/or ignorance of other peoples' religious beliefs and traditions. **Six Stages on the Spiritual Path** Ruth Whitney, 2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love. Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving. In the first stage on the mystic way, children experience awe and wonder but they do not realize that this is a spiritual experience. While all indigenous people recognize awe as a mystical experience, only some adults and most artists do. When parents and religious leaders teach children about God, they cause their spiritual growth to flourish or to become stunted at an elementary school level. Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us. Awakening produces love for our neighbors and ourselves. Then love nurtures more awakenings. Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are within the ONE. Illumination creates more love for all people and all the universe. *Religion in History / La religion dans l'histoire* Michel Despland, Gérard Vallée, 1992-03-03 The history of the concept of religion in Western tradition has intrigued scholars for years. This important collection of eighteen essays brings further light to the ongoing debate. Three of the invited participants, W. C. Smith, M. Despland, and E. Feil, have each previously written impressive books treating this subject. The last two acknowledged the impact and continuing influence of Smith's work. The Meaning and End of Religion: An introduction and a recapitulation of Smith's contribution as a scholar set the stage for a retrospective look at the published literature. Contributors then examine the transformation of words, the classical religion to the modern religion, particularities of religion in nineteenth-century France, Troeltsch's concept of religion, the study of religion from an Asian point of view, and the categorization of World Religions. The concluding essays elaborate contemporary anthropological, cross-disciplinary, semiological, deconstructive, and psychoanalytical methodological approaches to the concept and study of religion. Exploring critically different aspects of the concept and study of religion, these provocative essays typically reflect the methodological

pluralism currently existing in the field of Religious Studies Of interest to scholars and students alike this collection also contains a complete bibliography of W C Smith s publications *The World of the Axial Sages* John C. Stephens,2020-11-25 This book presents an engaging analysis of the global spiritual changes of the first millennium BCE Between the sixth and fourth centuries BCE several new revolutionary religious and philosophic movements were born throughout the world Rather than using the well known label Axial Age to refer to this time of religious change the book argues that a better choice would be the Age of Awakening since it places more emphasis upon the personal internal dimension of religious experience lying at the core of these developments Earthshattering spiritual encounters with the sacred led the prophets and sages of the Age of Awakening to redirect people s attention away from the stagnant traditions of the past towards new forms of dynamic spirituality The era saw the emergence of a variety of innovative spiritual pathways in both the eastern and western worlds In classical Greece Pythagoras and Plato proposed new spiritual and intellectual alternatives to the outdated religious myths and rituals of the polis The Middle East also played a significant role in the spiritual revolution of the first millennium BCE As early as the sixth century BCE the Persian prophet Zoroaster s revelatory visions about the Truth and the Lie led to the birth of a new religious movement known as Zoroastrianism At the time of the Babylonian Exile ancient Judaism underwent a process of radical spiritual renewal largely due to the inspired teachings of the Hebrew prophets In India the writers of the Upanishads provided a spiritual reinterpretation of many of the old Vedic myths and rituals Sages including the Buddha and Mahavira rejected the old sacrificial system of the brahmins and asserted that liberation from the cycle of birth and death could only be found through the practice of asceticism and a general withdrawal from the illusory material world As such this book highlights the importance of the de stabilizing influences of religious experience for understanding the revolutionary spiritual developments of the first millennium BCE Die islamischen Wissenschaften aus Sicht muslimischer Theologen Bülent Ucar,Ismail H. Andrews,2018-02-27 *The Role of Revelation in the World's Religions* Beverly Moon,2014-01-10 The human reception of divine messages known as revelation has often played a central role in world religions This study explores how spirituality and the personal experience of the divine has been expressed and preserved in various religious traditions The phenomenon of revelation is explored and interpreted through examples from across the religious spectrum and six different types of revelation are posited visions and voices divination spirit journey spirit mediation mystical union and divine incarnation

Awakening the Soul Bill Missett,2008-05-21 Awakening The Soul The Trilogy includes ATS Book One Proof of Our Spiritual Nature which itemizes more than 80 characteristics of our spiritual nature many very familiar and explains 10 of them in depth ATS Book 2 Our Suppressed Spiritual Nature which explains why we are so out of touch with our spiritual nature primarily through suppression of those traits by religions primarily Christianity and ATS Book 3 Restoring Your Spiritual Nature contains detailed channeled instructions to restore immediate awareness of your spiritual nature which has proven highly successful in doing just that *The Battle for Your Heart* Ronald W. Busby, I am encouraged by the author's appeal from the beginning to the end of his book for readers to be aware of their personal relationship with Christ Dr Busby shows throughout that God's prophecies and promises found fulfillment in a history I can check for myself That being true for the past I can also rest assured that what God has promised and predicted for the future will happen without fail in His own time and way Rhoda Wills Retired Teacher Dr Busby's *The Battle for Your Heart* is not only a good read but an excellent book to add to your library Whether you've studied the book of Revelation for many years or have never given it your personal study this thought provoking verse by verse walk through Revelation's 22 chapters includes not only details you may have missed in your earlier studies but adds a big picture dimension to this last book of the Bible I was blessed Judi Seeders Retired from Review and Herald Publishing Association A must read for every Adventist who is looking for the soon return of Jesus You will be challenged and will understand how to be prepared for the soon appearance of our Lord and Savior *The Battle for Your Heart* is an excellent study for any individual for family worship and small group study Gail V Lane Head Deaconess Retired Business Owner I am amazed by this book Ron Busby's use of the Bible and the Spirit of Prophecy is both informative and clear *The Battle for Your Heart* takes the reader through the books of Revelation Daniel and Ezekiel along with supportive information I not only gained greater insight into the raging controversy that surrounds us today but found throughout every page God's deep everlasting love for us shining through Larry Sharon Church Elder *The Palgrave Handbook of African Traditional Religion* Ibigbolade S. Aderibigbe,Toyin Falola,2022-05-20 *The Palgrave Handbook of African Traditional Religion* interrogates and presents robust and comprehensive contributions from interdisciplinary experts and scholars Offering a range of perspectives and opinions through the prism of understanding the past about African Traditional religions and more importantly capturing their dynamics in the present and projecting their sustainability and relevance for the future this volume is an essential resource for knowledge and understanding of African Traditional religions

in the global space of religious traditions **Vom Verstehen zur Verständigung** Hiltraud Casper-Hehne, Irmy Schweiger, 2009 Weltweite Globalisierungsprozesse und die Zunahme an gesellschaftlicher religiöser und weltwirtschaftlicher Komplexität haben die Begriffe Interkulturalität und Dialog nicht nur in der politischen Praxis sondern auch in zahlreichen Wissenschaftsdisziplinen vehement an Bedeutung gewinnen lassen Gleichwohl ist unübersehbar dass Interkulturalität bislang nur vage theoretisch fundiert ist jedoch als Bezugspunkt für einen sich neu entwickelnden Verstehens und Interaktionszusammenhang immer wieder in Erscheinung tritt Genau in diese Leerstelle sucht die hier dokumentierte Vorlesungsreihe zu treten um sich aus der Perspektive unterschiedlicher in vielerlei Hinsicht am akademischen Diskurs aktiv beteiligter Forscher mit einem Interkulturellen Dialog auseinanderzusetzen In ihrer Zusammenschau plädieren die hier versammelten Perspektiven für ein vernetztes Verstehen das Grenzen zwischen Disziplinen Kulturen Religionen sowie Nationen hinter sich lässt In den Beiträgen zeichnet sich eine Prozesshaftigkeit ab die ausgehend von einer Hermeneutik des Fremden auf die Überwindung von Fremdheit zielt um sich dann auf die Anerkennung der Differenz und Vielfalt von Kulturen hin zu bewegen **The Journey** Anna Cates, 2020-03-04 Where did we come from Where will we go after we die What is the nature of God Humanity in all its faiths has struggled with such questions Through each individual poem The Journey offers windows through which to view our human conceptualizations of the divine and our relationship to a cosmic creator While we may see through that glass darkly hope remains to one day see face to face **Appreciating All Religions** Paramjit Singh Sachdeva, 2011-03-17 MANY OF US value our own religion but know little and care even less about other religions To facilitate much needed religious literacy and mutual understanding this book succinctly examines the main features of all living religions how they were formed and what they have become how they are similar and how they differ and what we can do to better appreciate and respect religions other than our own EACH CHAPTER IS short informative and easy to read Together these chapters provide a good understanding of the basic beliefs of all religions and their main sects They also provide a valuable perspective on religious unity diversity and interaction setting the stage for open minded interfaith dialogue and respectful mutual acceptance of all religions **Indian Religions** , The Truth of Broken Symbols Robert C. Neville, 1996-01-01 This book provides a cross cultural analysis of how religious symbols function from a theological and philosophical perspective Showing how religious symbols can be true in various qualified senses Neville presents a theory of religious symbolism in the American pragmatic tradition extending and elaborating Tillich's claim that religious symbols participate in the divine realities to which they refer and yet must be broken in order not to be idolatrous or demonic The Truth of Broken Symbols offers a theory of religious symbolism treating reference meaning and interpretation and discussing different functions of religious symbols in theological practical and devotional contexts It shows that religious symbols are to be properly understood as true or false and that symbol systems such as myths theologies or liturgical symbols are to be used to engage divine realities while internally exhibiting semiotic structures of reference meaning and interpretation

incarnaTe R.A. Varghese, 2016-11-05 incarnaTe How We Know That Jesus is God and Man Top 10 Reasons seeks to show that Jesus of Nazareth can be understood only as the human locus of the Divine Today not just skeptics but many theologians have rejected the traditional affirmation that Jesus is God and man Yet neither group is aware of the infrastructure of hard facts that testifies to the truth of divine incarnation The insight that Jesus is God incarnate imposes itself on the human mind once it considers the various phenomena explored here Once the dots are connected we cannot but see the picture But we cannot see the picture if we ignore the relevant dots You have to see the trees to see the forest All applicable evidence the world religions world history Jewish history the experience of Christians through the centuries the Gospel narratives the practice of the first Christian communities the logical coherence of saying that a certain Person is both divine and human must be submitted and studied as one whole
