Yoga in Jainism Christopher Chapple, 2015-10-14 Jaina Studies is a relatively new and rapidly expanding field of inquiry for scholars of Indian religion and philosophy In Jainism yoga carries many meanings and this book explores the definitions nuances and applications of the term in relation to Jainism from early times to the present Yoga in Jainism begins by discussing how the use of the term yoga in the earliest Jaina texts described the mechanics of mundane action or karma From the time of the later Upanisads the word Yoga became associated in all Indian religions with spiritual practices of ethical restraint prayer and meditation In the medieval period Jaina authors such as Haribhadra Subhacandra and Hemacandra used the term Yoga in reference to Jaina spiritual practice In the modern period a Jaina form of Yoga emerged known as Preksha Dhyana This practice includes the physical postures and breathing exercises well known through the globalization of Yoga By exploring how Yoga is understood and practiced within Jainism this book makes an important contribution to the fields of Yoga Studies Religious Studies Philosophy and South Asian Studies

Sex Matters Osho, 2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in Sex Matters Sex to Superconsciousness Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune Sex Matters begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology s way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that leads to pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Contemporary Yoga and Sacred Texts Susanne

Scholz, Caroline Vander Stichele, 2024-09-10 This book explores the textual traditions that authorize the history legitimacy and authenticity of today's physical posture practice The volume focuses on why and how yoga communities have adopted various texts that they consider sacred or spiritually meaningful Among the texts discussed are Yogananda's Autobiography Sri Aurobindo's Savitri Patanjali's Yoga Sutra the Bhagavad Gita the Hatha Yoga Pradipika the Upanishads the Vedas and the Yogin Tantra Famous thinkers included are Aurobindo Yogananda Osho Rajneesh Sogyal Rimpoche Charles Johnston and Howard Thurman Offering a starting point the ten chapters address the nature selection and function of various ancient and contemporary texts read in contemporary yoga settings The attention centers on how and why texts are read and for whom they are read As yoga is practiced in ashrams yoga studios gyms meeting rooms and even private living rooms scholarly approaches to investigate the connections between yoga and texts are necessarily diverse This volume aims to inspire further scholarship on the reading of texts in past and present yoga communities The collection demonstrates that textual traditions deserve to be an important part of contemporary yoga scholarship The volume will therefore be of great interest to scholars of religious studies yoga studies and Asian studies as well as those studying sacred texts **Yoga - Philosophy for**

Everyone Fritz Allhoff, Liz Stillwaggon Swan, 2011-09-07 Stimulates thoughts and expands awareness of the philosophical dimensions of yoga in its many forms and practices Yoga Philosophy for Everyone presents a wide array of perspectives by people whose lives have been touched by yoga Addressing myriad aspects of yoga's divergent paths topics include body image for men and women the religious and spiritual aspects of yoga and issues relating to ethics personal growth and the teaching of yoga Written by philosophers and non philosophers alike with contributions from professional yoga instructors lifelong practitioners and first timers Yoga Philosophy for Everyone offers a wealth of material for both enjoyment and deep reflection **The Book of Women** Osho, 2014-08-05 In The Book of Women A Celebration of Women and the Female Spirit

one of the twentieth century's greatest spiritual teachers discusses the importance and value of feminine strengths The woman should search into her own soul for her own potential and develop it and she will have a beautiful future Osho Osho explores the role of women in our society Up until now he says both religious institutions and politics have remained male dominated not only male dominated but male chauvinistic This has created so many of the crises that we see in the world now brought about by excesses of ambition competitiveness and greed In these pages Osho challenges readers to reclaim and assert the feminine qualities of love joy and celebration to bring a reunion of the intellect and the heart that is so desperately needed He looks to the female spirit in all of us as a way to nurture the soul and cultivate a healthy relationship with spirituality Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching

seekers of all ages in virtually every country of the world *The Path of Yoga* Osho,2013-04-09 Yoga is now internationally an integral part of our health conscious cultural landscape It is practiced by millions for health and fitness reasons While Yoga is seen and practiced mostly as a body exercise program the interest in the philosophical and spiritual dimension of Yoga is growing This book introduces us to Patanjali the founder of ancient Yoga in India It takes us step by step into a deeper understanding of the essence and origins of Yoga Osho introduces and unlocks Patanjali s ancient sutras revealing how contemporary this ancient message truly is It quickly becomes clear that we are just on the cusp of a gaining a much deeper understanding of Yoga and its place in our evolving world Surprisingly the mind even more than the body is the focus of Patanjali s teaching He says Yoga is the cessation of mind As Osho says This is the definition of Yoga the best definition Yoga has been defined in many ways there are many definitions Some say Yoga is the meeting of the mind with the divine hence it is called yoga yoga means meeting joining together Some say that Yoga means dropping the ego ego is the barrier the moment you drop the ego you are joined to the divine You were already joined it only appeared that you were not joined because of the ego There are many definitions but Patanjali s is the most scientific He says Yoga is the cessation of mind What is the mind What is the mind doing there What is it Ordinarily we think that mind is something substantial there inside the head Patanjali doesn t agree and no one who has ever known the inside of the mind will agree Modern science also doesn t agree Mind is not something substantial inside the head Mind is just a function just an activity **Learning to Silence**

the Mind Osho,2012-08-21 One of the twentieth century s greatest spiritual teachers will show you how to quiet your constant worrying thoughts in *Learning to Silence the Mind* Wellness Through Meditation The mind says Osho has the potential to be enormously creative in dealing with the challenges of everyday life and the problems of the world in which we live The difficulty however is that instead of using the mind as a helpful servant we have largely allowed it to become the master of our lives Its ambitions belief systems and interpretations rule our days and our nights bringing us into conflict with minds that are different from ours keeping us awake at night rehashing those conflicts or planning the conflicts of tomorrow and disturbing our sleep and our dreams If only there was a way to switch it off and give it a rest Finding the switch that can silence the mind not by force or performing some exotic ritual but through understanding watchfulness and a healthy sense of humor is meditation A sharper more relaxed and creative mind one that can function at the peak of its unique intelligence is the potential The book includes a link to tutorials on OSHO Nadabrahma Meditation Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **The Man Who Loved Seagulls** Osho,2009-01-20 One of the greatest spiritual teachers of the twentieth century shares the

inspirational insights of timeless philosophies in *The Man Who Loved Seagulls* Essential Life Lessons from the World's Greatest Wisdom Traditions In *The Man Who Loved Seagulls* Osho discusses essential stories and parables from the world's great wisdom traditions of Zen Taoism Christianity and Judaism Osho himself a master storyteller interprets the stories in this collection and applies them to the concerns of modern day life The valuable lessons they impart are both timely and universal The stories encourage meditation as they are meant to be told and studied again and again in order to discover new layers of meaning with each reading Ideas and topics include The futility of chasing happiness The journey from fear to freedom The Zen approach to death and dying The extraordinary intelligence of innocence And much more Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Intelligence Osho,2007-04-01 In *Intelligence* The Creative Response to Now one of the twentieth century's greatest spiritual teachers reveals a different approach to thinking about our brainpower In *Intelligence* Osho challenges the common conception that the best way to promote intelligence is to train the intellect Intellect is logical he says intelligence is paradoxical Intellect takes things apart to see how they work intelligence puts things together to see the functioning of the whole Osho posits that when our education systems put too much emphasis on developing intellect an imbalance is created and both the individual and the society suffer It is only through intelligence that we can respond creatively to the challenges of a changing world By exploring the distinction between intellect and intelligence *Intelligence* encourages readers to be more aware of how they approach problems logical emotional and practical and how they solve them Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world EditBuild

The Book of Understanding Osho,2006-02-14 The path to freedom is filled with questions and uncertainty Is it possible to truly know who we are Do our lives have a purpose or are we just accidental What are we meant to contribute What are we meant to become to create and to share In *The Book of Understanding* Osho one of the most provocative thinkers of our time challenges us to understand our world and ourselves in a new and radical way The first step toward understanding he says is to question and doubt all that we have been taught to believe All our lives we've been handed so called truths by countless others beliefs we learned to accept without reason It is only in questioning our beliefs assumptions and prejudices that we can begin to uncover our own unique voice and heal the

divisions within us and without Once we discover our authentic self we can embrace all aspects of the human experience from the earthy pleasure loving qualities that characterize Zorba the Greek to the watchful silent qualities of Gautam the Buddha We can become whole and live with integrity able to respond with creativity and compassion to the religious political and cultural divides that currently plague our society In this groundbreaking work Osho identifies loosens and ultimately helps to untie the knots of fear and misunderstanding that restrict us leaving us free to discover and create our own individual path to freedom

The Power of Love Osho,2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people

together with one of the twentieth century's greatest spiritual teachers One of the most important life events is falling in love yet we never learn about it in school Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage religious affiliations and nationalism This results in love that is for most people a painful challenge in one form or another throughout life In these modern days where the focus shifts more and more to realizing one's individual potential Osho's *The Power of Love What Does It Take for Love to Last a Lifetime* helps us to direct our search for love by widening our view showing us that love has many manifestations and is not limited to the other One manifestation of love is meditation a life changing experience that allows the flowering of real love within oneself and toward others Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *Freedom*

Osho, 2007-04-01 Learn how to set yourself free with the philosophies of one of the twentieth century's greatest spiritual teachers in *Freedom The Courage to Be Yourself* In *Freedom* Osho outlines three stages of freedom The first is freedom from which is a freedom that comes from breaking out of what he calls the psychological slavery imposed by outside forces such as parents society or religion The next stage is freedom for a positive freedom that comes from embracing and creating something a fulfilling relationship for example or an artistic or humanitarian vision And lastly there is just freedom the highest and ultimate freedom This last freedom is more than being for or against something it is the freedom of simply being oneself and responding truthfully to each moment This book helps readers to identify the obstacles to their freedom both circumstantial and self imposed to choose their battles wisely and to find the courage to be true to themselves Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

The Journey of Being Human Osho, 2012-04-24 One of the twentieth century's greatest spiritual teachers invites you onto the path that takes you through all of life's experiences and to embrace your own humanity Man is a bridge says Osho between the animal and the divine and our awareness of this dual aspect of our nature is what makes us human It is also what makes us restless full of conflict so often at the crossroads of selfishness and generosity of love and hate frailty and strength hope and despair *The Journey of Being Human Is It Possible to Find Real Happiness in Ordinary Life* looks into how we might embrace and accept these apparent contradictions rather than trying to choose

between them as the key to transforming each twist and turn of life's journey into a new discovery of who we are meant to be. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

Autobiography of a Spiritually Incorrect Mystic Osho, 2001-06-09

Understand the life and teachings of Osho, one of the twentieth century's most unusual gurus and philosophers in *Autobiography of a Spiritually Incorrect Mystic*. In 1990, Osho prepared for his departure from the body that had served him for fifty-nine years in the words of his attending physician as calmly as though he were packing for a weekend in the country. Who was this man known as the Sex Guru, the self-appointed bhagwan Rajneesh, the Rolls Royce Guru, the Rich Man's Guru, and simply the Master? Drawn from nearly five thousand hours of Osho's recorded talks, this is the story of his youth and education, his life as a professor of philosophy and years of travel teaching the importance of meditation and the true legacy he sought to leave behind: a religionless religion centered on individual awareness and responsibility and the teaching of Zorba the Buddha, a celebration of the whole human being. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.
