found then looked back at the tree Next he tossed a few rocks in the air and gazed to the center of the lake where it was a couple hundred feet deep Fincher wondered what other mysteries might be buried there Further up underneath the dam at Devil s Gate was the narrow point of Putah Creek Fincher returned from his scouting trip and made an announcement His voice was confident and clear ringing out over the lake The other side of the little island out there is much more vertical than this side he said I think that is the actual murder site Let s go over and take a look Narlow said and started north with Jamie Vanderbilt I m not one hundred percent convinced this is the place When Narlow reached the other side of the inlet he clapped a hand to his forehead and then hailed Fincher and the rest of the men across the water My God he hollered I took you to the wrong spot In that arcane way he had of penetrating to the heart of a riddle Fincher had discerned the truth He became quiet as he began working the puzzle of the open taxi door the blood that should have been elsewhere a bloody print that belonged to no one and the shot nobody heard David s considered one of the touchiest and weirdest directors by executives but as a writer I consider him the nicest and most normal of them all But maybe the same thing that is wrong with him is wrong with me Jamie Vanderbilt screenwriter
