Helene Cixous

Reveries Of The Wild Woman Primal Scenes Avant Garde Modernism Collection:

Reveries of the Wild Woman Helene Cixous, 2006-05-29 Born to an Algerian French father and a German mother both Jews Helene Cixous experienced a childhood fraught with racial and gender crises In this moving story she recounts how small domestic events a new dog the gift of a bicycle reverberate decades later with social and psychological meaning The story's protagonist whose life resembles that of the author endures a double alienation from Algerians because she is French and from the French because she is Jewish The isolation and exclusion Cixous and her family feel especially under the Vichy government and during the Algerian War of independence underpin this heartbreaking but also warmly human and often funny story The author narrator concedes that memories of Algeria awaken in her longings for the sights sounds and smells of her home country and ponders how that stormy relationship has influenced her life and thought A meditation on postcolonial identity and gender *Reveries of the Wild Woman* is also a poignant recollection of how childhood is author to the woman

BOOK JACKET *Reveries of the Wild Woman* Helene Cixous, 2006-05-29 All the time when I lived in Algeria my native country I dreamt of one day arriving in Algeria Born in Oran Algeria Helene Cixous spent her childhood in France's former colony *Reveries of the Wild Woman* is her visceral memoir of a preadolescence that shaped her with intense feelings of alienation yet also contributed in a paradoxically essential way to her development as a writer and philosopher Born to a French father and an Austro-German mother both Jews Cixous experienced a childhood fraught with racial and gender crisis In her moving story she recounts how small events a new dog the gift of a bicycle reverberate decades later as symbols filled with social and psychological meaning She and her family endure a double alienation by Algerians for being French and by the French for being Jewish and Cixous builds her story on the themes of isolation and exclusion she felt in particular under the Vichy government and during the Algerian Civil War Yet she also concedes that memories of Algeria awaken in her a longing for her home country and ponders how that stormy relationship has influenced her life and thought A meditation on postcolonial identity and gender *Reveries of the Wild Woman* is also a poignant recollection of how a girl's childhood is indeed author to the woman
